# Sit to Stand Tables

Clarity offers you the ability to configure your work surface any way you want it...in a manner consistent with your budget.

Whether it is electric dual stage adjustment to meet BIFMA standards of 22" to 50", or a simple pin height adjustment to allow various height settings for multiple users, Clarity is the answer. Made in the USA and finished with 6 standard colors choices, there is no need to look elsewhere for your adjustable table needs.

- Bases support up to 250 lbs
- Built in anti pinch safety
- standard range of 25.9" to 45" with an optional ANSI BIFMA range of 22" to 50"
- UL listed
- Electric tables travel at 1 1/2" per second

# PILOT

The ergonomically designed Pilot allowed the user to adjust their primary computer work surface from a sit to stand position easily and effectively. The Pilot has 22" of gas assisted height adjustment as well as an independent height adjustable mechanism for the keyboard tray.

**PILOT Single Monitor Arm**

List \$1075

**PILOT Dual Monitor Arm**

List \$1215

Finish Options:  
Black, White & Silver

{ MODEL : HIGHTIDE }

HIGHTIDE: LIST \$510

Single Monitor Arm add: LIST; \$252

Dual Monitor Arm add: LIST: \$301

High tide was designed to help with the ebb and flow of the daily work cycle. It is perfect for both new and existing workstations and allows the user to transition from a seated position to standing up with locking height adjustment in an infinite number of height settings. Installation is simple and toolless with just one clamp to tighten, otherwise the unit comes fully assembled. The optional adjustable document holder lets you take your work with you when standing. A dual monitor adapter also supports two monitors for your dual display. The max monitor width on the dual is 25 inches (each) with the total monitor weight not to exceed 16 lbs.

#### Specifications:

- HIGHTIDE has the largest range of motion available - from 5" below the work surface to approximately 16" above for a total of 21" of infinite height adjust ability
- comes standard to support a single monitor with a dual monitor adapter option
- secure clamping to work surfaces from 3/4" to 1-1/2" thick
- 15 degree negative tilt adjustment single soft-touch knob control
- monitor tilts and can be installed at various heights independent of keyboard tray
- optional tilting writing surface available
- one touch release button for height adjustment with infinite locking height positions
- keyboard tray can be set flat or at a negative tilt
- non-marring non-skid work surface protection

# HARMONY CPU s

harmony-CPU-3 List: \$180

Holder allows for effortless slide back and forth under the work surface. This allows for you to have maximum leg room and easy access to the CPU

- NOT ON GSA CONTRACT -

harmony-CPU-mini List: \$153

Slide and swivel CPU holder for todays often smaller CPUs. It mounts easily under work surface storing the CPU safely under desk and off floor.

harmony-CPU-strap List: \$113

The band CPU holder is a streamlined and adjustable device with an innovative strap-support design. this one of a kind holder fits almost any size CPU and smartly tightens the CPU in place by simply turning an allen key.

# HARMONY CPU S

harmony-CPU-1

List: \$106

Mounts easily under work surface storing CPU safely under the desk and off the floor. It can hold a CPU either vertically or horizontally.

harmony-CPU-2

List: \$190

harmony-CPU-dolly

List: \$84

Holder allows for effortless slide back and forth or anywhere under the work surface.

# ACCESSORIES

## LLD-I locking laptop drawer

List: \$267

Offered in two sizes, the laptop drawer can accommodate almost every size laptop along with its docking station. Stowing the laptop while using an external monitor and keyboard not only clears up valuable workspace but keeps the clutter off of it as well. Made from steel and high quality ball bearing slides, it is built to last.

## FR-I adjustable footrest

List: \$92

The footrest promotes greater circulation in the legs while seated at your desk. It also helps people with chairs that don't adjust properly reach a supportive surface for the feet, eliminating pressure under the legs.

## hide & slide

List: \$148

Hide-slide offers storage for your keyboard and mouse to keep your work surface clear. Mouse surface is easily reconfigured from the right to the left hand side.

# ACCESSORIES

## BA-pencil drawer

List: \$93

Handy center drawer mounts underneath the work surface of a desk, bridge or credenza for accessible storage of pencils and more.

## HMPD-half moon pencil drawer

List: \$80

When space is an issue, the half moon pencil drawer fits the bill. It has compartments for pens, pencils and other small supplies in limited space applications.

## LH-I-laptop holder with USB ports

List: \$92

Raise your laptop to the proper viewing height and eliminate hunching over to see your screen. Connect an external keyboard and mouse and you're in a much better ergonomic position than working on your laptop on the desk.

## SHIPPING

Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Freight is generally included in our pricing in the 48 contiguous states for orders over 15 units. Shipping outside of the 48 contiguous states will be the responsibility of the customer. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". For certain product that require Freight here is our policy. Freight Policy: 12% of net up to \$3,000 net \$3,001 to \$8,000 net is 6% of net \$8,001 net + is freight free (Minimum of \$150 when a top, laminate modesty, white board, urban wall, or filing is ordered.) Items that are freight free do not count towards qualifying for reduced or free freight.

## DAMAGE/ CLAIMS

Symmetry Office verifies order quantity and weight with our carrier before any shipments are sent. When receiving an order, first confirm quantity of boxes delivered, inspect boxes for signs of damages with carrier. Do not sign for the shipment until it is verified. In the event product damage or shortage is present, a description must be recorded on the freight bill. Do not sign the freight bill if shipment quantity differs, and note discrepancies. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to Symmetry Office that shipment was received in full. Should a damaged product be found upon opening the shipment, notify Symmetry Office immediately and retain all original products and packaging. Symmetry

Office reserves the right to request return of damaged or defective products. Damage claims will not be accepted if received after three (3) days from date of delivery.

## RETURNS

Approved returns may be returned to Symmetry Office for credit or replacement at Symmetry Office's discretion. Please call Customer Service at 888-552-5699 to obtain approval and a Return Authorization (RA) Number. The assigned RA number and RA documentation must appear on all returned packages. Restocks (returns without damage) must be approved on a case-by-case basis. If approved, a restocking fee of 25% (subject to change) will apply to all non-warranty returns. All items must be returned in undamaged, resellable condition and in original packaging and shipped at the customer's expense to:

Symmetry Office

ATTN: Returns

7818 Depot Lane

Tampa, FL 33637

Products must be returned within 10 days of receipt. Custom products (non-catalog and special order) will not be restocked under any conditions. Costs associated with installation, etc. of defective parts will not be reimbursed. After packages have been inspected and approved, your account will be credited appropriately or a replacement will be sent if requested. No credit will be issued for damaged or unauthorized product returns.

## PAYMENT AND CREDIT TERMS

Terms are net 30 upon credit approval. Approval is based on completion and evaluation of the dealer application. Prior to account approval, payment must be made in full before the order will be shipped. In the event an account is past due, outstanding shipments could be affected until the past due monies are received. We reserve the right to refuse an order. Prepayment of 50% is required for orders over \$10,000 net.

## PRICING

Although Symmetry Office publishes a price book, [www.symmetryoffice.com](http://www.symmetryoffice.com) will always be guaranteed to have the current list prices for all products. The website pricing always supersedes any circulated price books. Symmetry Office reserves the right to revise all prices and freight terms, at any time, without notice. Orders are accepted upon receipt of purchase order only. Faxed or emailed purchase orders are acceptable. All received purchase orders are considered firm and not subject to cancellation due to the typical quick shipping time.

## WARRANTY

Please reference each products web page for warranty policy.
