Flex Tiered Seating offers comfortable multi-level seating for groups to gather for impromptu meetings. Ideal for classroom, conference room, lounge or open atrium areas. Perfect for creating a small, impromptu meeting space. Flex is designed for casual gatherings. It makes perimeter spaces more useful and suitable.

As with all HPFi upholstered seating you can enhance the appearance by using multiple upholsteries. Or use a durable and resilient material for the steps the seat while "dressing up" the sides. Two- and three-tier options plus the two-tier corner modules may be grouped and reconfigured to create a variety of seating spaces, particularly along walls.
