AMENITY

COMPACT
COMFORT

FEATURES

- White mesh back
- Cushioned seat
- Locking tilt mechanism
- Adjustable seat height
- Adjustable arm rests
- Nylon base and casters
- Greenguard certified

This seating fundamental offers a curved, white mesh back, cushioned seat, adjustable arms and seat height. A compact silhouette makes Amenity the ideal chair for space conservation while maintaining comfort and style.

XTREME BACK SUPPORT

Height
and width
adjustable
arms

Molded foam fabric seat with
pneumatic height adjustment

Ratchet back
mechanism pulls
far inward for
wide range of
support with tilt
lock control

Black nylon base

Velocity supports your back whether you are leaning back or sitting far forward. The ratchet back mechanism allows the back to pull forward or lean back, adjusting to where you sit on the seat.

Available with smooth or fabric back

CELESSE

ERGONOMICS MEETS ECONOMICS

Celesse accommodates the way many of us sit throughout the day, “perched” mid-way on the seat. This position is popular but leaves the lower spine unsupported, causing back fatigue and discomfort.

sitting midway on the seat
leaves back unsupported

Celesse brings the seat to you,
for full lumbar support

{ more next page

EASY 1-2-3

STEPS TO BACK SUPPORT

- 1** take a seat —————> **2** pull the back inward —————> **3** feel full support in lower spine

Celesse offers a ratchet-back mechanism that gives you the choice of a normal back position for sitting fully on the seat or the far forward position for sitting midway on the chair. With Celesse, the chair does the work — not your back.

Two buttons easily release the back from its inward position.

FEATURES

- Curved mesh back
- Cushioned seat
- Ratchet mechanism for adjustable lumbar support
- Locking tilt mechanism
- Adjustable arm rests; height, inward and outward
- Adjustable seat height
- Polished aluminum base with nylon casters
- Optional headrest

CALIFORNIA PROP 65 WARNING: Products in this catalog may contain a chemical known to the state of California to cause cancer, or birth defects or other reproductive harm.

All chair frames, including metal, wood and plastic parts, and control mechanisms are guaranteed against structural failure for ten years, under normal commercial use and to the original purchaser with the exception of our Axiom chair which is offered under the same guarantee for five years. Casters and upholstery (fabric and mesh) have a five year commercial use warranty. Gas cylinders have a two year commercial use warranty. Standard commercial use is defined as the proper usage for one single shift, a total of 40 hours or less per week and by individuals weighing 250 lbs or less.

Should any item require repair, please return product to the Dealer from whom it was purchased. The Dealer will send the defective part to Friant, freight prepaid. Friant will repair or replace the defective part and return it to the dealer, freight prepaid. Please request written authorization before returning defective parts to Friant, returned defective parts will not be accepted without prior written authorization. Labor and service are not covered under this warranty. This warranty does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, food or an act of nature.
