Good ergonomic design provides seating solutions that increase worker comfort, health and productivity, which is why we build chairs to fit the whole person. Whatever the body size or shape, our custom-configured chairs are designed to reduce strain and help the user feel comfortable all day.

We have been dedicated to building workplace seating of the highest quality for over 20 years. All our products pass rigorous testing to ensure years of trouble-free performance. Quality materials, workmanship and customer service, all backed up by the best warranty in the industry.

Everyday Seating that's
custom-crafted to fit every
ergonomic need for single
users **(up to 300 pounds)**
working up to 8 hours a
day, 5 days a week.

Intensive Use Designed
for work in the toughest
of settings, where multiple
users **(up to 400 pounds)**
share the chair and shifts
work around the clock.

Generous Fit Get a chair
that offers performance
and support for the larger
worker **(up to 550 pounds)**
and has also been tested
for intensive use situations.
