## BENCHMARK ROUND SPECIFICATIONS parallel series

### FRAME

The frame is constructed completely of 7/8" engineered paneling, using an interlocking construction that eliminates joints. The ottoman face is constructed of 1/8" chip-board. Legs are attached with steel bolts and feet have plastic or metal glides.

### SEAT

Seat cushions are of 5", high-density, polymeric foam. On the top and bottom of the core is placed a 1 1/2" polymeric high-density foam which is covered by a laminated, polyurethane, moisture-barrier membrane.

### UPHOLSTERY

All upholstery offerings conform to California Technical Bulletin 117 fire code standard. All estimated yardage quotes are based on 54" non-matched, solid color material unless otherwise specified. Additional yardage and matching fees may apply.

### ASSEMBLY AND DISASSEMBLY

No tools are needed. All upholstery fastens with hook and loop tape, facilitating removal and replacement of covers. All components can be disassembled and assembled by loosening (or tightening) the thumbscrews into steel receivers (t-nuts), creating metal-to-metal connections.

### WARRANTY

This product is warranted against defects in materials and workmanship and against structural damage occurred through normal use for 35-years from date of purchase. Foam is also covered under the 35-year period while fabric is generally covered under the fabric company's warranty. Transformations does not warrant any materials beyond its control.

### ADDITIONAL OPTIONS

CAL 133 fabric treatment can be applied for an additional fee per yard.
