The following are questions that have been submitted concerning RFP #1731-17-R-RFPR-00005 along with the answers.

1. Will the VA submit and bill for all services provided by the physician or would I have to do all the billing?
Yes. The SVAB will bill for services provided by physician and nurse practitioner.
2. Would I and the 2 nurse practitioner be covered under the Veteran home's workers comp or am I responsible to obtain workers comp for the 3 of us?

Yes, you will be responsible for workers comp.

3. Is there public information available on other VA nursing home compensation for the physician and the medical director that would give me a "ball park" idea of appropriate compensation?

SVAB pays an average of \$11,758.25 per month for Physician Services.
