FREE custom finish matching

STUDIO

CONSTRUCTION/DESIGN OPTIONS

IMPORTANT : Please provide Customer Service with a diagram of your specific configuration at time of order. Specify the location of arm/s, tablet arm, power option and/or ganging connector clips, etc.

Post Leg/Sled Base

All Allure modular and lounge units are available with either post leg or sled base. Specify.

Metal Finishes

All Allure seating units and tables are available in two powder coated finish options — satin chrome or satin black. Specify.

Upholstered Arm

- Upholstered arm (6400-A) can be placed between Allure modular units or at either or both ends of a seating unit or configuration. Arms are ordered separately and are attached to the seating unit before shipping.
- An optional swivel tablet arm is available at an upcharge.
- Power option is available at an upcharge. The power unit will be placed on the outside panel of the arm when arm is specified at the end of a configuration or on a single seating unit.

Please provide Customer Service with a diagram of your specific configuration and specify the location of arm/s, tablet arm, and/or power option at time of order.

Modular Unit Examples

Allure collaborative seating offers a variety of modular units in different shapes and dimensions so that various configurations can be created. Straight, forward or reverse units can be used alone or combined to create straight, angled and curved configurations.

Straight

Forward

Reverse

Tablet Arm

A swivel tablet arm is available. Tablet size is 20"x13.75".

Upcharge: \$380 list. Specify position as Left Side Facing (LSF) or Right Side Facing (RSF) when ordering. Tablets are offered in laminate or solid wood. Specify.

Side Chair Arm Cap

Allure side chair 6400-11 is offered with either a wood arm cap, or a black thermofoil arm cap. Specify.

Swivel Club Chairs

Allure armless and arm club chairs (6405-11, 6405-41) swivel 360 degrees and have a fixed height. Club chairs are non-tilting and non-height adjustable. A swivel tablet arm is available at an upcharge. Specify position as Left Side Facing (LSF) or Right Side Facing (RSF) when ordering. Tablets are offered in laminate or solid wood. Specify.

Accent Pillows

Accent pillows are available in three styles – kidney, square and bolster – with a zippered removable cover and a poly fill insert.

Personal and Occasional Tables

Personal and occasional tables are standard with adjustable glides. Tables are available with either a wood veneer top or laminate top. Specify.

Connector Tables

- All connector tables are available with either a wood veneer top or laminate top. Specify.
- All connector tables can be free standing with either post leg or sled base. Specify.
- All connector tables can be ordered with ganging cleats (*no leg/base*) to allow the table to hang between seating units. Specify. *Note: Post leg/sled base is required when tables are placed at the end of a configuration.*
- All connector tables are available with a power option. **Upcharge: \$325 list.** The power unit is positioned in the top surface of the table.

Please provide Customer Service with a diagram of your specific configuration and specify each table that will receive a power unit on your configuration diagram.

Power Option

Power option is available at an upcharge on select arm and armless units. **Upcharge: \$325 list.**

Power unit will be placed on the outside arm panel when arm is specified at the end of a configuration or on a single seating unit. When armless, the power unit will be placed on the outside end panel of the seat. Specify position of power unit as Left Side Facing (LSF) or Right Side Facing (RSF) when ordering. Please provide Customer Service with a diagram of your specific configuration and specify each arm or armless seating unit that will receive a power unit on your configuration diagram.

GANGING

Collaborative Seating

An easy release connector clip can be added to any Allure collaborative seating modular unit. This allows the units to be easily connected or separated at any time.

Note: two ganging bracket kits are required to join two units together. **Upcharge: \$60 list for two kits.** Specify when ordering. Ganging connector clips will be installed prior to shipping. To ensure accuracy please provide Customer Service with a diagram of your specific configuration requirements, including location of ganging connector clips, at time of order.

Easy release connector clip instructions:

- Units slide together for a secure ganged connection.
- To disconnect, lift up and pull outward.
- If disconnected, connector clips may be hidden by swiveling clips inward under unit.

Connector Table Wedge and Connector Table

Ganging cleats for hanging (*no leg/base*) tables between seating units are available on all connector table wedge and connector tables. Specify.

Side Chair

A ganging bracket with a screw on assembly is available for the Allure side chair 6400-11. When installed, a 1.5" clearance is between the arms of the ganged side chairs. Only one ganging bracket is required between two chairs. Simple field assembly of the chair ganging bracket will need to be done by installing six machine screws into pre-threaded holes in metal brace under chairs. **Upcharge: \$75 list each.** Specify.
