CAE-P Prime	CRS-2P
EPR-1	CHPF-1
- d) Preparing gravel base, priming with MC-70, applying double bituminous surface course using AC-10 or CRS-2 asphalt and "County Matt" and "County Seal" on a square yard basis with the contractor supplying all labor, equipment and material
- e) Reseal County roads and County prepare surface and furnish material, per sq. yd. with contractor rolling, sweeping, spraying liquid asphalt and distribute aggregate
- f) Reseal County roads and County prepare surface, using AC-10 or CRS-2 and "County Seal" on a square yard basis with the contractor supplying all labor, equipment and material

- g) Reseal county roads using Ac-10 or CRS-2 and "County Seal" on a square yard basis with County providing materials and contractor supplying all labor and equipment
- h) Asphalt patching per ton (less than 100 tons)
- i) Asphalt patching per ton (100 tons or greater)

In the letting of public contracts, preference shall be given to resident contractors, and non-resident bidder domiciled in the state having laws granting preference to local contractors shall be awarded Mississippi public contract only on the same basis as the non-resident bidder's state awards contracts to Mississippi contractors bidding under similar circumstances. Resident contractors actually domiciled in Mississippi, be they corporate, individuals, or partnerships, are to be granted preference over non-residents in awarding contracts in the same manner and to the same extent as provided by the laws of the state of domicile of the non-resident.

The Board reserves the right to reject any and all bids.

Witness my signature, this the 25<sup>th</sup> day of May, 2017.
