Phone: 662-884-1200 Fax: 662-887-7042

II. Contractor Requirements

The contractor must, as a minimum, provide the following specifications:

A web-based software program for collecting and tracking data all within one place. The software program should have the following specifications:

- Collect and track several data points
- Provide a system for observing and evaluating teachers and administrators
- Alignment with the MS Educator and Administrator Professional Growth System
- Provide instant feedback within the evaluation program with two way communication
- Monitor students' progress daily
- Track student assessments, attendance, discipline, grades, and schedules
- Collect integrated 3rd-party and benchmark assessments
- Engage parents with contact via telephone, text message, or email.

The web-based software program must provide reports that are:

- Custom built
- Provide geospatial mapping of the results
- Are clear and easy-to-use

Timeline
