Nobody Stacks Up Like KFI

## Experience the KFI Difference!

At KFI, we are constantly adjusting our business to the ever changing needs of our customers. We realize SPEED to market is a must...KFI offers over 700 skus that ship in 2-3 Days. When SELECTION is needed, KFI offers 76 standard upholstery options and an extensive **GRADE IN program** from Guilford of Maine, Mayer, Momentum and Spradling...we also accomodate COM.

SERVICE is key. We strive to make the process of doing business with us as comfortable as our chairs! We pledge our commitment to improving and strengthening our operation with your satisfaction in mind. On behalf of our entire staff and their families, we thank you for your support and your business.

## Your environmentally friendly seating and stacking solution!

At KFI we are very conscious of the environmental issues we all face. KFI takes every step possible to recycle, reuse and reduce waste. We feel it's incumbent upon all of our employees and vendors to be good stewards of the environment and conduct our business in a responsible manner. We strive to produce high quality products with a minimum impact on the environment. We feel this is not only an investment in our company's future...but an investment in the future of our planet. If you would like us to build a chair for you that has minimal environmental impact, the following options are available:

The environmental attributes listed below can apply to the following KFI Series: 300, 400, 500, 800, 900, 1000, 1200, 1300, 1400, 1500, 1600, 1800, 2000, 2100, 3100, 3200, 3300, 3600, 3700, 3800, 3900, 4700, and 9000.

Chair is 95% recyclable after its useful life.\*

### FRAME:

-FINISH: Offered in powder-coat finishes with no solvents

-STEEL: Some steel components contain pre-consumer and post-consumer recycled content. (Call for information on specific models)

### FABRIC:

Some upholstery is better for the environment than others. KFI offers a variety of products from Guilford of Maine, Mayer and Momentum that are made with recycled or renewable polyester and have a reduced environmental impact vs. other fabrics. Please see pages 68-75 for more details.

### SUSTAINABILITY:

Life cycle considerations are important when we develop products...so KFI builds them to last! All of our products carry at least a 5 year frame warranty. We also offer replacement seats, backs and parts. This helps extend the life-cycle and reduce waste.

### GREEN FOAM:

Manufactured using an emission-free process. This foam is also made with plant based raw materials and organic, halogen-free fire retardants, significantly reducing the amount of petroleum-based products.

### WOOD:

Harvested from sustainable forest - no "old growth" source content. Many seat and back components are made with post consumer wood waste (recycled wood). Our components also meet Phase One of the California CARB Standards.

GREEN FOAM describes the environmental attributes, not the color.

\*Percentage may depend on local programs.

**USA** At KFI, we make every effort to utilize American suppliers and resources in our manufacturing process.

As a result, many of our products are manufactured or assembled in the USA. If you are interested in purchasing a product that has "US Content" look for the flag or call us for details.

KFI's 150,000 sq ft facility is located in an "Historically Underutilized Business" district (HUB Zone) of Louisville, Kentucky.

## Dollies

Universal Dolly #DLY-UNV-  
19" to 23"W x 22"D x 4"H  
Universal Chair Dolly fits all KFI Models  
Except the 300 and 2100 Series. See  
Page 13 for 300 Series Chair Dolly.

All KFI chair frames and table bases are warranted against defects for (12) years from the original purchase date. 300 and 400 Series chair frames are warranted against defects for (5) years from the original purchase date. TK2000 & DS2000 - (2) Year Warranty on lift mechanisms.

KFI guarantees all products to be free from defects in original material and/or workmanship for one (1) year from the original purchase date.

This warranty is void if the product is not used for its intended purpose or if subjected to an unusual application or abuse. This warranty does not cover normal wear and tear. Variation in the color and/or texture of a material is not considered a defect.

This warranty is valid to any purchaser of KFI furniture. In the event of a claim, the purchaser may be required to validate their purchase by furnishing a copy of the original invoice for the product in question.

The KFI Service Department may issue a return authorization for the investigation of the claim. The purchaser may then be required to return the product to KFI, freight prepaid. If the claim is proven valid, KFI will without further cost to purchaser repair, or replace, at KFI's option, the appropriate defective part.

## 400 LB

Chairs with this symbol have been  
weight tested for  
400 pounds or more.
