# Diabolo

The eye-catching architectural style of Diabolo always draws attention. The one and two seat models feature maple legs with a natural finish or stained to the colour of your choice. The Belzebuth armrest made of maple, as well as the two other styles give these armchairs a distinctive touch to make any waiting room or meeting area more stylish.

# 2000

Perfect for a lounge, staff room or any other work space where people gather to exchange ideas, the 2000 series is attractively sculptured and remarkably comfortable. Models designed to seat one, two or three people are available in a variety of colours and come with a convenient handle, polished aluminum wheels or solid maple legs, and other optional features.
