

PRODUCT SPECIFICATIONS SHEET

MODEL:  
OM5-AG (OM5 Active Guest) w/ Tablet Arm  
and Book Tray

\*\*OPTIONS SHOWN ARE AVAILABLE AT ADDITIONAL COST.

KEY COMPONENTS

Back/Seat	Injection-molded flexible nylon uni-shell with fiberglass for optimal durability and comfort. Active Motion shell top available in 7 Office Master standard and designer plastics colors with matching bottom cover and integrated/on-board ganging arms.
Mechanism	Integrated mechanism design that relies on material selection and precise geometry, to achieve "self-weighting" balance. One-piece shell's motion features a dynamic recline relationship between the backrest and seat, allowing for open body angles and resultant improved circulation.
Frame	12+ gauge strength equivalency, robotic welded tubular high-tensile steel frame. OM5 Active Guest available in two frame options: Silver- or Black-powder coated with medium-texture, scuff-resistant finish.
Caster	50mm diameter, hoodless swivel casters made of high-impact resistant thermoplastic wheels/ housing with stainless steel insert stem.
Tablet arm	Tubular steel frame with black powder-coat finish & machined, brushed aluminum pivot joint, & ribbed, steel support plate. Tablet top is MDF with a laminate surface. Right hand orientation only. Available on the OM5-AG in black only.
Book tray	Wire book basket with a rubberized, black coating for a softer touch & simultaneous protection of book basket contents.

OVERALL DIMENSIONS (APPROX.)

Overall height	32.75"
