WE ARE UNITED CHAIR®

United Chair makes your workspace a better place to be, simply.

Embrace the simplicity of a straightforward design approach. Based on your needs, United Chair products are innovative, comfortable and functional. We are proud of them and we want to share this pride with you.

Choose the simplicity of a high-quality service. Putting our customers' satisfaction at the forefront of our success, we strive to provide the best client experience in the office seating business. This is why we respect sustainability principles, to be always one step ahead of this ever changing world.

So take a seat and enjoy the United Chair experience.

United Chair has achieved GREENGUARD GOLD Certification.

GREENGUARD Certified products are certified to GREENGUARD standards for low chemical emissions into indoor air during product usage. For more information, visit ul.com/gg.

HOW TO USE THIS PRICE LIST

Find the products you need

Refer to the **Table of Contents** to find the solutions you require. For assistance in understanding the ergonomic functions of each model, please refer to page 87.

Pictures of various models are available on the Groupe Lacasse Website (www.groupelacasse.com).

Specify the upholstery and finishes you want

Once you've selected the products that meet your needs, refer to the appropriate upholstery and finish document that can be found on the login section of the Website and make a note of the applicable codes.

Refer to the **Sample order** sections specific to each model to ensure integrity of order.

Submit your order

Fax: Groupe Lacasse LLC
Attn: Order Entry
1-800-363-5474

Email: oeo@groupelacasse.com

Contact us if you have questions

Making sure you get what you need – on time and accurately – is our first priority. Should you ever have questions, please feel free to contact our Customer Service department.

Telephone: 1-888-522-2773
Email: customerservice@groupelacasse.com

WHAT ABOUT SPECIAL PRODUCTS?

Groupe Lacasse stands out for its unwavering commitment to flexibility and United Chair is no exception. We can help you with non-standard seating solutions to your specific environment, your special needs and your budget. Please contact **Groupe Lacasse Quotations Department** for an assessment of your request.

EXECUTIVE AND MANAGEMENT

SPECIFICATIONS

- All models ship assembled.
- Fabric/fabric, fabric/vinyl and vinyl/vinyl dual upholstery is available. First upholstery is for the backrest, the second upholstery is for the seat.
- If dual upholstery combination is from two different grades, list price is the highest grade of the two (includes C.O.M. and C.O.V.).
- C.O.M./C.O.V. available. Please refer to page 82.
- Control mechanism is black.
- All models come with 2" (51 mm) hard plastic black dual-wheel casters.

EXECUTIVE CHAIRS

GUEST

SPECIFICATIONS

- All models ship assembled.
- All options available in Cal-133. However, Cal-133 guest chairs must have upholstered back panel (UPS option). Limited upholstery selection.
- Fabric/fabric, fabric/vinyl and vinyl/vinyl dual upholstery is available. First upholstery is for the backrest, the second upholstery is for the seat.
- If dual upholstery combination is from two different grades, list price is the highest grade of the two (includes C.O.M. and C.O.V.).
- C.O.M./C.O.V. available. Please refer to page 82.
- When E8 Metallic Silver frame is chosen, all plastic components remain black.
- BR32C guest chair comes with 2" (51 mm) hard plastic black dual-wheel casters.

TASK

SPECIFICATIONS

- All models ship assembled.
- All options are available in Cal-133 option. Limited upholstery selection.
- Fabric/fabric, fabric/vinyl and vinyl/vinyl dual upholstery is available. First upholstery is for the backrest, the second upholstery is for the seat.
- If dual upholstery combination is from two different grades, list price is the highest grade of the two (includes C.O.M. and C.O.V.).
- C.O.M./C.O.V. available. Please refer to page 82.
- Control mechanism is black.
- All models come with 2" (51 mm) hard plastic black dual-wheel casters.

TASK CHAIRS

SAMPLE ORDER: RD16-E3-AM24-AM24-XCON-P-NB-HDW-AA5

RD16

Standard features

Tilt tension
Black rugged outer polymer shell
Integrated lumbar support
Waterfall seat front
Back height adjustment
Independently adjustable seat and back angle
Infinite tilt lock

XCON: Multifunction control
P: Pneumatic seat height
NB: Nylon base
HDW: Hard dual-wheel casters
AA5: Height adjustable arms

24-HOUR

SPECIFICATIONS

- Savvy 24-hour models are rated for 24 hours/7 days use.
- All models ship assembled.
- All options available with Cal-133 option except plastic back guard (PBG). Limited upholstery selection.
- Fabric/fabric, fabric/vinyl and vinyl/vinyl dual upholstery is available. First upholstery is for the backrest, the second upholstery is for the seat.
- If dual upholstery combination is from two different grades, list price is the highest grade of the two (includes C.O.M. and C.O.V.).
- C.O.M./C.O.V. available. Please refer to page 82.
- Control mechanism is black.
- Heavy-duty cylinder and knee-tilt control.
- All models come with 2" (51 mm) hard plastic black dual-wheel casters.

C.O.M./C.O.V. Policy

Fabric approval

All C.O.M./C.O.V. materials must be approved for use by Groupe Lacasse/ United Chair manufacturing facilities. In order to determine pre-approval, please contact the C.O.M./C.O.V. coordinator at 1-888-522-2773.

To solicit approval, 2 samples (minimum of 8" x 8") need to be forwarded along with the material's specifications to a United Chair manufacturing facility to the attention of the C.O.M./C.O.V. coordinator; our Customer Service representative will direct you with shipping information. If California # 117 compliant, the certification must accompany the material. Please ensure that the custom fabric form is completely filled out and sent to the C.O.M./C.O.V. coordinator or the test cannot be processed. The ORIENTATION section is especially important; if it fails to be completed the material will be applied as it comes off the roll.

Once the C.O.M./C.O.V. material has been tested, you will be contacted by the C.O.M./C.O.V. coordinator with the results. Upon approval, you will be directed as to any additional yardage requirements beyond the published C.O.M./C.O.V. yardage. To determine amount of upholstery needed, please refer to the C.O.M./C.O.V. designation (model specific) in the product description section of the website (www.groupe-lacasse.com). Yardage is based on 54" width roll. **Some directional or patterned material may require additional yardage.**

All materials are to be received from the vendor clearly marked with your purchase order number, VENDOR-PATTERN-COLOR and yardage. There should not be more than one piece per roll. Back orders or partial shipments will not be accepted. Rolls must not exceed 50 lbs. All C.O.M./C.O.V. material must be shipped prepaid to our manufacturing facilities. **DO NOT** ship C.O.M./C.O.V. material without positive test results.

Once approved, please forward your purchase order to the C.O.M./C.O.V. coordinator (fax #: 1-888-248-1865) and the upholstery to the specified address. Surplus material, unused material or material that cannot be identified will be discarded after 60 days. C.O.M./C.O.V. upholstery is subject to final approval upon arrival. It is the responsibility of the customer or customer's vendor to inspect material for bias and/or flaws prior to shipment to Groupe Lacasse / United Chair.

Disclaimer

The Seller reserves the right to approve all C.O.M./C.O.V. prior to acceptance. Even after preliminary approval, the Seller reserves the right to reject C.O.M./C.O.V. if tests or early production results indicate the material will not meet the Seller's quality standards or excessive unforeseen costs will be incurred. For accepted C.O.M./C.O.V., the Seller assumes no responsibility for its appearance, quality, durability, colorfastness or any other attributes after application to a United Chair product. The Seller will determine any additional yardage, labor charges or surcharges that may be required as a condition of C.O.M./C.O.V. acceptance.

Purchase orders will not be processed until material has been approved and production cannot be scheduled until upholstery has been received. Upon completing these steps, your ship date will be determined. The Seller may split an order at the customer's request and may be subject to a minimum order charge.

The Seller is not responsible for excess C.O.M./C.O.V. from completed orders unless express agreement has been reached in advance. The customer is responsible for the return of any excess material. C.O.M./C.O.V. orders may not be changed or cancelled after acknowledgement.

Please consult the C.O.M./C.O.V. coordinator (1-888-522-2773) with any questions regarding this process.

Pricing

C.O.M. (FABRIC): is priced at Grade 2.

C.O.V. (VINYL): is priced at Grade 3.

For internal use only

Tracking #

Date

Custom Fabric Form

All information below needs to be supplied in order to process your request and two test swatches (minimum 8" x 8") must be sent. Additional material may be requested. Please include this form and a Cal-117 certification (if applicable) to all test requests. If fabric is reversible, please indicate up side with a color swatch. Remember that fabric **(C.O.M.) is priced at grade 2 and vinyl (C.O.V.) is priced at grade 3**. Contact the C.O.M. coordinator with any questions.

Please fax this form to United Chair C.O.M./C.O.V. coordinator at 1-888-248-1865. (Send only if testing is required)

Terms and Conditions

Order placement

Groupe Lacasse LLC requires that all orders must be submitted in writing as represented by a valid purchase order on company letterhead, which includes the total list and net dollars. This is to ensure that orders are complete, to avoid errors, and to avoid duplication. Please order product by number in order to avoid any possible error. Telephone orders will not be processed for production without proper written confirmation. Groupe Lacasse LLC will not be responsible for errors, omissions and order duplication due to non-compliance with this procedure.

Ordering information

The following information is required to process an order:

Customer information

Sold/Ship to address
Purchase order number
Authorized signature
Contact name and phone
Consignee contact name and phone
Tagging instructions
Bid/Quote # if applicable
Product pricing (list/net)
Order total (list/net)
Preferred delivered date
(Specific delivery date not guaranteed)

Product information

Quantity
Product numbers including options
Fabric and colors (all surfaces)

Order changes

Any change to an original purchase order must be received in writing no later than 48 hours after receipt of the original order. Any change to the original order after 48 hours, if approved, will result in production rescheduling. The cost variances will have to be approved by our Customer Service before production rescheduling.

Order cancellations

Cancellations must be requested in writing no later than 48 hours after receipt of the original order and are subject to approval by Groupe Lacasse LLC. Cancellations cannot be accepted otherwise.

Order acknowledgment

Orders will be acknowledged by Groupe Lacasse LLC. Please refer to the acknowledgment copy to make sure it agrees with your original purchase order. When corresponding, please refer to the acknowledgment number.

Returns

Products are made-to-order and may not be cancelled or returned. For warranty issues, please contact Customer Service. The Seller reserves the right to recall any defective items for evaluation.

Surcharges

Expedited Transportation

No shipments have guaranteed delivery time and/or date. Time-sensitive deliveries that require expedited carrier service will result in additional charges that will be passed on to the consignee (dealer).

Prices

All prices listed are suggested retail prices, F.O.B. our factory, St-Pie, Quebec, Canada. Orders are accepted subject to prices and taxes prevailing at the time of shipment. Prices and taxes are subject to change without notice. If shipping date requested is more than 90 days from date of order, Groupe Lacasse LLC shall have the right to use the published list prices effective at the time of shipment.

Chargeable Parts Orders

Contact customer service for availability. Orders under \$10 are subject to a \$15 minimum parts order charge. The small order charge does not apply to replacement parts orders. Service parts prices are subject to change without notice or approval. A \$15 NET freight charge will be applied on all chargeable part orders, outside US.

Price list dated January 2016 supersedes all other published price lists.

Prices shown in price book have priority to electronic catalog contents.

Terms

Terms of sale are net 30 days to firms who have established satisfactory credit; otherwise we reserve the right to request cash in advance. Interest on past due accounts shall be 2% per month (24% per year). Should the Buyer fail to fulfill the above-mentioned terms of payment, Groupe Lacasse LLC reserves the right to defer further shipments until the Buyer has satisfied all solvency criteria and terms of payment as determined by Groupe Lacasse LLC. Any product sold shall remain the property of Groupe Lacasse LLC and shall remain the Seller's property until paid for in full. The Buyer agrees to perform all acts which may be necessary to protect and assure retention of title to such products by Groupe Lacasse LLC until such time as goods have been paid for in full.

Credit

Credit may be established for sales on open account by submitting satisfactory references. A line of credit will be set by our credit department. We may change or cancel credit terms at our discretion and request advance payment at our option. A delay in providing credit information may delay order entry and the shipping date of an order. The Seller reserves the right to delay or cancel any shipment to a customer whose account balance is over the credit limit and/or past due. We do not ship C.O.D. Inactive account of more than one (1) year will result in a reevaluation of the account.

Applicable prices

List prices and discounts are subject to change without notice or approval. Applicable prices are those in effect at the time of the receipt of an order; we reserve the right to use the published list prices effective at the time of shipment if the requested ship date is more than 90 days after the order receipt date. Prices shown in price book have priority to electronic catalog contents.

Services

List prices apply to products only. If, as a result of customer request, the dealer or authorized representative provides planning/design services, storage, special handling, set-up, or installation, the customer will be charged at the local dealer or authorized representative's standard rate.

Quotations

Quotations are valid for a period of thirty (30) days.

Changes

All illustrations, specifications and prices in this book are based on the latest product information available at the time of publication. The right is reserved to make changes, at any time and without prior notice, to prices, colors, materials, specifications and models offered.

Delivery

The scheduled delivery week is specified on our acknowledgment. Groupe Lacasse LLC is not liable for delay or failure to deliver goods due to causes beyond its control. Groupe Lacasse LLC will only make on site deliveries for a full truckload (2,400 cubic feet). An unloading dock must be available to accommodate 53 feet trailers and address is subject to approval. Unloading at destination is the responsibility of the purchaser. Our standard carriers do not have liftgates. Request for liftgates can often be accommodated but will result in extra fees.

Time sensitive deliveries that require expedited carrier service will result in additional charges that will be passed onto the consignee (dealer).

Under no circumstance will Groupe Lacasse deliver goods in a residential area. Groupe Lacasse cannot accommodate inside deliveries.

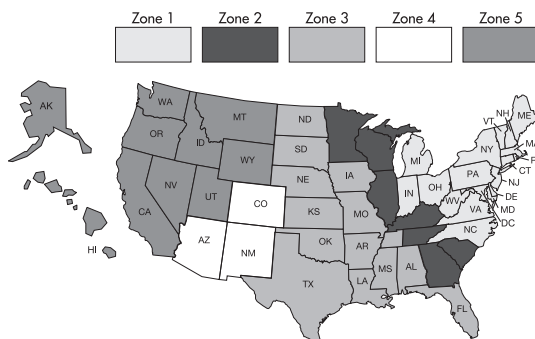

Ship dates and delays

If the Seller cannot ship products due to causes beyond its reasonable control (such as casualty, acts of nature, labor disputes, or accident; inability to obtain necessary labor, material or transportation; changes requested by the customer), the ship date will be extended to compensate for the delay as determined by the Seller.

Routing

Unless otherwise specified by the buyer and agreed to by Groupe Lacasse LLC, the latter reserves the right to select the route, method of shipment and carrier. Customer requests for special carrier, method of shipment and/or routing will be shipped freight collect.

Transportation policy

"Zone 0" shipments are FCA plant.

"Zone 1", "Zone 2", "Zone 3", "Zone 4" and "Zone 5" pricing includes freight cost to your geographical location.

On orders less than \$2,000 net (regardless of brand and/or shipping point) we will add a \$50 small order fee in "Zone 1". For "Zone 2", "Zone 3", "Zone 4" and "Zone 5", the small order fee is \$100.

Orders under **\$25 net** are subject to a \$20 small order fee (instead of 50\$ or 100\$) regardless of the shipping zone.

Freight charges beyond the continental United States are the purchaser's responsibility. Shipments beyond the continental United States must deliver to a freight forwarder or forwarding carrier of your choice. It is the customer's responsibility to provide this information on purchase orders.

Storage

In the event the purchaser request postponement of shipment beyond the scheduled shipping week after the goods have become work in process, or are ready to be shipped, Groupe Lacasse LLC can take arrangements to store the goods but at the purchaser's risk and expense. Such transfer to storage shall be deemed delivery to purchaser for all purposes including invoicing and payment.

Freight claims

All FCA destination claims will be handled and filed by the Seller. In order to expedite any credit due, your help and assistance is required. Please adhere to the following guidelines.

The merchandise is carefully packed and thoroughly inspected before leaving the warehouse. Responsibility for its safe delivery is assumed by the carrier upon acceptance of the shipment. Claims for loss or damage sustained in transit must therefore be made to Groupe Lacasse LLC as follows:

A. Concealed loss or damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When damage is discovered upon unpacking, a written request must be made to Groupe Lacasse Customer Service within 15 days of the receiving date. No disposition will be taken until approved by the manufacturer.

IMPORTANT: Groupe Lacasse's policy in concealed damage is to replace the part or complete product if necessary at no charge to the dealer. However, it is the responsibility of the dealer to provide installation of the replaced part or complete product. Therefore, no labor fees will be accepted on concealed damages.

B. Visible damage or shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in refusing to honor a damage claim. When damage or shortage is discovered, a written request must be made to Groupe Lacasse Customer Service within 5 days of the receiving date.

For claims, please contact **Groupe Lacasse Customer Service** by phone at **1-888-522-2773** or by fax at **1-888-248-1865**.

Product

A. Use and installation of products

The Seller recommends that its products be installed according to its written installation procedures. The customer agrees to use the Seller's products properly; not to remove or alter safety devices, warnings, or operation instructions placed on products by the Seller and to instruct employees as to the proper care and use of the products according to printed instructions. Installers can be contracted through one of the Seller's dealer or affiliate on a separately negotiated basis.

B. Service

Service requests for design, installation, relocation, storage, trade-in, etc. are handled by the local authorized dealer. Contact the local authorized dealer for more details.

C. California Bulletins #117 and #133 (Seating)

Many models in this price list can be made to comply with State of California Technical Bulletin #133. The standard fire-retardant foam supplied meets the specification of State of California Technical Bulletin #117. Consult Customer Service for the latest models and upcharges.

D. Design

We reserve the right to make changes in product offering, design and materials as well as discontinuance of parts and units when such action is deemed to be an improvement in design or function.

Control Features & Benefits

You spend a lot of time sitting in your chair, so why not make it as comfortable as possible?

Our seating solutions are designed to give you the support you need to be more productive... and to feel great hour after hour!

1. 360-Degree Swivel

Seat of chair rotates through 360° allowing access to desired areas within reach. Helps avoid twisting of torso.

2. Back Angle

Allows the user to select a back angle and lock it into a desired position. Helps reduce disc pressure and relaxes back muscles.

3. Back Depth Adjustment

Change the depth of the seat by adjusting the back in or out. Helps accommodate user's build, enhances comfort.

4. Back Height Adjustment

Adjust the back up and down for proper positioning of the lumbar support. Helps reduce back pain by providing an optimum lumbar support.

5. Forward Seat Tilt

Allows chair to tilt forward, changing the angle of your thighs in relation to the floor. Increases comfort while reducing pressure when doing intensive forward leaning tasks.

6. High-Performance Control

Includes a swivel/tilt with tension control, independently adjustable seat and back angle with infinite lock (any position) and forward pitch control. Enhances comfort and provides optimum supportive working position.

7. Independently Adjustable Seat and Back Angle

Adjust the seat and back angle of the chair independently of each other. For optimum custom fit, helps reduce pressure on the thighs and relaxes back muscles.

8. Knee-Tilt Control

Knee-tilt movement from a pivot point positioned at the front of the seat. Allows the user to fully recline while keeping feet comfortably on the floor. Maintains stability while avoiding pressure under the thighs.

9. Lumbar Adjustment

Allows the user to custom fit the chair by adjusting the lumbar support for optimum comfort.

10. Pneumatic Seat Height

Adjust the seat height up and down to allow your feet to rest flat on the floor. Avoids pressure under the thighs and eases blood circulation.

11. Seat depth adjustment

Change the depth of the seat forward and back or lock in a desired position. Accommodates the length of your thighs and keeps your back in contact with the backrest while avoiding pressure behind your knees.

12. Swivel-Tilt Control

Chair tilts from a pivot point directly above the base center and allows the user to lean back in a seating position.

13. Synchronous Control

Automatically adjust the seat and back angle while maintaining a recline ratio. Provides optimum back support and minimal seat rise. Enhances comfort and encourages dynamic body movement.

14. Tilt Lock

Lock the seat and back in an upright position.

Infinite Tilt Lock

Lock the tilt movement in any position to accommodate the user's working posture. Allows the user to lock the chair in a comfortable working position.

15. Tilt Tension

Allows the user to adjust the resistance with which the chair reclines or tilts. The user can rock the chair comfortably, without heavy pushing, reducing muscle fatigue.

9" self-skinning polyurethane armrests

9/Drop

10" self-skinning polyurethane armrests

U

9" upholstered armrests

Warranty

The following warranty applies to United Chair products manufactured after September 1st, 2014. This warranty is given to the initial buyer and is valid for as long as the product is owned by the original buyer. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of products during the applicable warranty period.

Warranty:

Groupe Lacasse LLC warrants its products, from the date of invoice, to be free from defects in material and workmanship for as long as the original purchaser owns it; proof of delivery being the only official document accepted by Groupe Lacasse LLC for any claim. This warranty is subject to the limitations, exclusions and other provisions below:

Lifetime except those listed below. Weight limit: 310 lbs. (141 kg).

United Chair Products	Applicable Warranty Period
All Purpose Stools	10 years*
4800 Series + related accessories	10 years*
Upholstery	Standard and Graded-in: 5 years*. C.O.M./C.O.V./SPL/Lacasse - To Supply Material Program: Not covered under warranty.
Foam	5 years*
Painted Surfaces	5 years*
Casters/Glides	10 years*
Arm Pads	5 years*
Mechanism	10 years*
Cylinder	10 years*
Savvy 24h	5 years*
All other components	Lifetime
Dollies	10 years*

Labor, delivery charges and service not covered under warranty.

This warranty does not apply to “normal wear and tear”, abuse, damage caused by a carrier, damaged caused by transport of product from one site or location to another and alterations to the product not expressly authorized by the Seller. It also does not apply to “Customer’s Own Material”, “Lacasse – To Supply Material” and “SPL” fabric, (i.e., material specified by the buyer that is not a standard United Chair product offering) used in the manufacture of United Chair products. The Seller does not warrant the matching of color, grain or texture except to within commercially-acceptable standards. For the purposes of warranty claims, upholstery fabrics that have been dropped from United Chair stocked fabric program will be supported for 6 months from the date of discontinuation. For fabrics that are no longer available from the manufacturer, substitute fabrics will be used for warranty claims.

A product will not be considered defective, and it will not be subject to the warranty, if the product is not installed or used as recommended in the Seller’s written planning, installation or user guides. The warranty does not apply to any United Chair seating product that is used by an individual weighing over 310 lbs. (141 kg). Warranty will be void if identification label is removed under the chair or if a proof of purchase cannot be supplied, such as an order number or an invoice.

Except as stated above, the Seller does not make any express or implied warranties as to any product and in particular does not make any warranty of fitness for any particular purpose except for use as standard office furniture. The remedies described above are the buyer’s exclusive remedies for any product defect. The Seller shall not be liable for consequential, economic, indirect, punitive or incidental damages arising from any product defect.

*The applicable warranty period assumes that the product is used an average of not more than 40 hours per week. If a product is used more than this, the applicable warranty period shall be reduced in proportion to the increased usage. For example, if casters are used an average of 50 hours per week, the applicable warranty period for the casters shall be reduced to four years.
