

Design Solutions Through Timeless Progress

For more than 50 years, International Contract Furnishings, Inc. (ICF) has provided innovative European design to the American design community. Our origin as a company drew upon iconic furniture pieces from the past. Today, while inspired by the modern classics, our collection of international design seeks imaginative and diversified solutions to the problems confronting contemporary interiors.

A proven network of more than 60 sales representatives support the ICF Group and provide the quality of customer service that has long been the hallmark of the Group.

Please visit our web site at www.icfsource.com for a complete and current presentation of the entire product line.

Alumi Combi Screens
Design: Nina Jobs

Alumi Combi Screens

Design: Nina Jobs

Frame: Aluminum frame or white anodized aluminum frame with 63mm thick mineral wool acoustic panel.

Base: Freestanding screens use single legs or caster legs. Connected screens use single legs, connecting legs and "peg-legs" for middle screen sections. Legs are "Basic" style, finished in silver and are sold per piece; two or more needed depending upon screen layout.

Noise Reduction Coefficient: .65

Covering on fabric side:

Grade 1:

Compacted 100% polyester felt with choice of embossed pattern: Dot pattern in white (001), light grey (002) or dark grey (003); or Block pattern in light grey (015), dark grey (016), or white (018).

Grade 2:

Europost 2 100% wool (non-embossed):

64009 dark pink (033), 60999 black (080), 60000 off-white (060), 60003 light grey (067), 67066 turquoise (048), or 60016 dark grey (069).

Compacted 100% polyester felt plain, non-embossed: White (011), light grey (012) or dark grey (013).

Writing surface side:

Matching fabric covering to first 31.5" height, then

Optic White magnetic glass board suitable for image projection in 4:3 and 16:9 formats or

E3 magnetic glass-enameled sheet of steel that provides short-throw image projection.

Combi Screen Dimensions:

Depth: 2.5"

Widths: 31.3", 47.5" or 57.6".

Height (excluding legs): 75"

Single leg and Connecting leg - 2"h, 17.7"w; "peg-leg" - 2"h, 2.1"w; caster leg - 3.9"h, 17.7"w.

Connecting Hardware:

Grey plastic, sold per pack: 2-way, 2-way 90 degree, 3-way and 4-way

Specification Example:

1932950000000033

(2) 193739

Alumi Combi screen with E3 writing surface 31.3" wide, 75" high with white frame (193295), 000, 0000, dark pink Europost 2 (033)

(2) Single caster legs, white (193739)
