

SECTION 00 11 16

ADVERTISEMENT FOR BIDS

Mississippi State Port Authority

The MISSISSIPPI STATE PORT AUTHORITY AT GULFPORT has authorized the advertisement to bid on the following Project:

“Ground Storage Tank and Elevated Platform, Project No. 313”

The work consists of, but is not limited to:

Furnish all materials, equipment, labor, and supervision and perform all operations necessary for the completion of Mississippi State Port Authority (“Port Authority”, “Authority”, or “Owner”) **“Ground Storage Tank and Elevated Platform, Project No. 313”** at Gulfport, Mississippi (“Project”) as described in the Agreement, General Conditions, Supplemental Conditions, Drawings and Specifications (“Contract Documents”). The Contractor shall provide and furnish all tools, equipment, materials, supervision, labor, subsistence, rental, subcontractors, profit, overhead, appropriate taxes and any other related costs to construct the work which includes the construction of a pile supported 250,000 gallon prestressed concrete ground storage tank with 2 variable frequency drive pumps and emergency stand-by generator. A pile supported, reinforced concrete elevated platform is also to be constructed to support the pumps and generator including associated utility and site work as indicated in the contract documents. The project also includes architectural elements including a faux lighthouse structure on top of the prestressed concrete tank and louver screens on the elevated platform. The Contractor shall provide all materials required, except those specifically indicated as being Owner Furnished by Port Authority. The Work includes all that is necessary to provide the Owner with a complete project.

This project is covered by the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. § 1701u) (“Section 3”). Section 3 requires that when employment or contracting opportunities are generated by HUD-funded projects, preference is given to low and very low-income persons and businesses residing in the community where the project is located. Therefore, Section 3 businesses are encouraged to submit a bid as preference will be given for Section 3 businesses if all other requirements are met. A bidder selected for this Project will be responsible for ensuring compliance with Section 3 requirements including, but not limited to, the hiring and contracting decisions made on the Project.

The Award of Contract criteria will be as expressed in the Instruction to Bidders for the Project. Bidders must submit their Bids in a sealed envelope, plainly marked: **Ground Storage Tank and Elevated Platform, Project No. 313**. The outside of the envelope shall be addressed to the Executive Director, Mississippi State Port Authority, 2510 14th Street, Suite 1450, Gulfport, Mississippi 39501. The envelope must also bear on the outside the name of the bidder, the bidder's legal address and the bidder's State of Mississippi Certificate of Responsibility number.

The sealed envelope shall include the Bid Form, the Bid Security, and all other required information described and listed in the Instructions to Bidders. The outside of the envelope should be marked “Bid”. If forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed to

the Executive Director, Mississippi State Port Authority, at P.O. Box 40, Gulfport, Mississippi 39502.

Sealed bids must be received no later than **2:00 p.m. on August 27, 2015**, addressed to the Executive Director, Mississippi State Port Authority, 2510 14th Street, Suite 1450, Gulfport, Mississippi 39501. Any Bids received after said date and time shall be returned to the Bidder unopened. The sealed bids will be opened publically on the same day and time.

Each Bid must be accompanied by Bid Bond, certified check, or other negotiable instrument acceptable to the Port Authority in the amount of ten percent (10%) of the total Bid amount. The power of attorney for the bonding company's agent should be on file with the Port Authority or should accompany the Bid, and the Bid Bond must be furnished by a corporate surety company qualified to do business in Mississippi.

The Bid Bond, certified check, or other negotiable instrument shall name the Mississippi State Port Authority as the obligee, shall be substantially in the form of the Bidder's Bond on file with the Port Authority, and shall be payable to the Mississippi State Port Authority in the event the Bidder fails to execute, and deliver to the Port Authority the Contract within fourteen (14) days after the award of the Contract to Bidder.

The Plans, Specifications, Bid Forms and form of Contract for the Project are on file and may be viewed in the office of the Mississippi State Port Authority, Division of Port Restoration, 2510 14th Street, Suite 1450, Gulfport, MS 39501 and are by reference made a part of this Notice. Electronic documents in PDF format are available at no cost and may be obtained by written request to ashortt@shipmspa.com. Hard copies will not be made available.

In addition to the requirements in the Contract Documents, each Bidder shall provide the Port Authority with the all of the information and documentation requested in the Instructions to Bidders.

The Port Authority reserves the right to reject all Bids as well as any Bid that does not comply with this Advertisement for Bids and the Port Authority's Instructions to Bidders.
