DEPARTMENT OF FINANCE AND ADMINISTRATION
OFFICE OF PURCHASING, TRAVEL AND FLEET MANAGEMENT
JACKSON

OPTFM has listed a contract number and a contract *smart* number. The contract number is an automatically generated number. The smart number is a more unique identifier that lists OPTFM's agency's number, contract year, and shows agencies that it is a statewide contract. You will also notice that there is an asterisk listed at the end of the smart number. The asterisk is added at the end of the number for searchable purposes only; this is because each time a contract is changed, the Version number of the contract changes. It is not actually a part of the smart number. Either number can be used by agencies to search for your contract in the State's e-procurement system.
