Teaching Assistant

Streamline the task of creating, printing, grading and analyzing multiple-choice tests using bubble sheet forms – allowing educators to concentrate on teaching and lesson plan development.

DMS Link/ DMS Link with Omnipage

Leverage KYOCERA MFPs by seamlessly linking to existing document management systems for fast, streamlined entry of business-specific data (indexing) and hard copy scanning.

DMConnect/ DMConnect with Omnipage

Leverage KYOCERA MFPs by seamlessly linking to existing document management systems for fast, streamlined entry of business-specific data (indexing) and hard copy scanning.

SharePoint Connector/ SharePoint Connector with Omnipage

Utilize your existing Microsoft SharePoint solution and KYOCERA MFPs to transform paper-intensive environments into efficient digital workflows. Helps reduce operating expenses and improves efficiency and accountability by providing an audit trail for documents that were traditionally stored in hard copy format.

Exchange Connector

Scan hardcopy documents and send them as user-identified e-mail attachments to multiple recipients directly from the KYOCERA MFP, while leveraging audit trail features of Microsoft Exchange for security and compliance purposes.

PreservDOX

PreservDOX allows you to store critical business documents on your designated KYOCERA MFP's hard drive, for increased protection and document backup.

AccuSender

Securely and efficiently scan and distribute large files greater than e-mail server maximums. Leveraging either a file split function or an existing Hightail.com (formerly YouSendIt.com) account, AccuSender offers delivery confirmation, file password protection, document and Bates stamping, and automatic routing capabilities directly from the control panel of KYOCERA MFPs.

AccuSender Fax

Leverage existing network infrastructure by using this application as the on-ramp to send documents through select corporate fax servers that are already in place. Easily attach scanned paper documents as electronic messages and transmit to a recipient's fax number.
