## Durability

Butler builds furniture made to meet all of your educational needs. Our student furniture is made to stand the test of time while creating a warm sophisticated upscale look.

## Selection

We offer a broad selection of fully upholstered, laminate and wood frame seating, tables, chairs and bedroom furniture. We offer more pieces in more styles than most other solid wood manufacturers, so you can plan and design your facilities with more styles and more variety.

## Full Service Delivery & Installation

Our Delivery Team has extensive experience with Multi-Unit Installations. Installations include furniture placement according to blueprints and the removal of all packing materials. We provide each job with an On-Site Delivery Coordinator, who monitors the logistics, from truck arrivals to the placement of each piece of furniture. We can deliver large multi-unit projects down to one chair.

## Experience

Over 25 years in manufacturing and providing stylish and durable furniture to a wide range of customers. Our craftsmen and sales force have an average of 10 to 15 years experience, so they know our customers, anticipate their needs and provide them with the service they expect.

## Locally Based Customer Service

Regional Sales Managers, locally based and available to provide budgets for RFP's and grand applications, work with architects/consultants to design room layouts and be a resource for furniture questions or concerns. Call 1-877-852-0784 to reach your local representative.

## Value

We offer the best price for the best value. That's because we offer a superior quality product that will last longer and give you better service in the long run.

## Butler Woodcrafters' Guarantee

We pride ourselves in our workmanship so much that we offer you this guarantee:

- ☐ We guarantee our furniture against defects in material or workmanship under normal indoor use for 10 years.
- ☐ Our foam, fabrics, dining chairs and working mechanisms are guaranteed for 1 year.
- ☐ Our fully upholstered furniture frames are guaranteed against defects in material or workmanship for 10 years.
- ☐ Any approved warranty item will be repaired or replaced free of charge.

Logan

Trent

Arlington

The aprons of our occasional tables are constructed from clear select hardwood that is contract furniture grade - free of splits, checks, knots and any other defects that might effect structural integrity, and kiln-dried to the proper moisture content. Dimension stock is edge glued with RF adhesive to balance grain and prevent warping or twisting. Tops are fabricated with contract grade horizontal surface high pressure laminate and backing sheet bonded to 45 pound density particle board core with commercial PVA adhesive. Top edges are 3mm PVC bonded to core.

## Atwood Tables

- Solid hardwood construction
- High pressure laminate top
- 3mm PVC edge banding
- Multiple coat polyurethane finish
