Modern Amenity Low Back, Upholstered Arm Lounge
standard features include:

- upholstered arms, seat and back
- upholstered arm **without** arm cap is standard
- spring seat construction
- tight cushion
- specify European Beech or American Ash exposed wood
- wall-saver leg
- Euroluxe™ with SilverBan™ on all exposed wood surfaces
- adjustable non-marring glide
- field replaceable parts available
- clean out between seat and back

Note: Because of the unique color of ash hardwoods, stains are a slightly different color than they appear on the standard european beech hardwoods. If pairing with a product using species other than ash the stains will appear different. For additional information please contact your customer service representative.

 B1M Removable Back Cover only, \$92

*See page 10 of the Carolina Product Guide for information and options on moisture barrier and multiple upholstery applications.

*See pages 6-7 of the Carolina Product Guide for complete offering of finishes.

Modern Amenity Open Arm Tandem Seating standard features include:

- upholstered seat and back
- spring seat construction
- clean out space between seat and back
- wall-saver legs
- must specify European Beech or American Ash frame
- wood arm cap
- Euroluxe™ with SilverBan™ on all exposed wood surfaces
- adjustable plastic glide
- field replaceable parts available

Note: Because of the unique color of ash hardwoods, stains are a slightly different color than they appear on the standard european beech hardwoods. If pairing with a product using species other than ash the stains will appear different. For additional information please contact your customer service representative.

***Tandem units can only be ganged and added on to by using the ganging tables. You can not add on a chair directly to a tandem unit.**

To order:

*See page 10 of the Carolina Product Guide for information and options on moisture barrier and multiple upholstery applications.

*See pages 6-7 of the Carolina Product Guide for complete offering of finishes.

Modern Amenity Panel Arm Tandem Seating standard features include:

- upholstered arms, seat and back
- spring seat construction
- clean out space between seat and back
- wall-saver legs
- must specify European Beech or American Ash frame
- wood arm cap
- Euroluxe™ with SilverBan™ on all exposed wood surfaces
- adjustable plastic glide
- field replaceable parts available

Note: Because of the unique color of ash hardwoods, stains are a slightly different color than they appear on the standard european beech hardwoods. If pairing with a product using species other than ash the stains will appear different. For additional information please contact your customer service representative.

***Tandem units can only be ganged and added on to by using the ganging tables. You can not add on a chair directly to a tandem unit.**

 *See pages 6-7 of the Carolina Product Guide for complete offering of finishes.

Modern Amenity Open Arm Patient Chair standard features include:

- 1625-Motion mechanism designed specifically with up to 8" of smooth travel
- upholstered seat and back
- spring seat construction
- clean out space between seat and back
- wall-saver legs
- must specify European Beech or American Ash frame
- wood arm cap
- Eurolux™ with SilverBan™ on all exposed wood surfaces
- adjustable plastic glide
- field replaceable parts available

Note: Because of the unique color of ash hardwoods, stains are a slightly different color than they appear on the standard european beech hardwoods. If pairing with a product using species other than ash the stains will appear different. For additional information please contact your customer service representative.
