STATE CONTRACT NO. 8200014895

STATE CONTRACT SMART NO. 1130-15-C-SWCT-00471*

OPTFM has listed a state contract number and a state contract *smart* number. The contract number is an automatically generated number. The smart number is a more unique identifier that lists OPTFM's agency's number, contract year and shows agencies that it is a statewide contract. Also there is an asterisk listed at the end of the smart number. The asterisk is added at the end of the number for searchable purposes only; this is because each time a contract is changed, the Version number of the contract changes. It is not actually a part of the smart number. Either number can be used by agencies to search for this contract in the State's e-procurement system.

Please use Supplier No. 3100034004
when ordering.

B. EFFECT

Commodities purchased under provisions of this contract from the above Contractor or his authorized distributors shall be exempt from competitive bid requirements otherwise applying to purchases by the state agencies, counties, municipalities and other political subdivisions.

C. PURCHASE ORDERS

Purchase orders prepared by the various state agencies shall show the state contract number on the P. O. in the designated space, quantity, description of the items and prices, also shipping or delivery instructions, if any.
