Dignity® Comfort

For superior management of heavy incontinence and improved skin health.

Dignity® Comfort

Breathable, adult fitted brief for heavy protection.

Features:

- Cloth-like outer layer and breathable side panels
- Excelsorb® III super absorbent core system
- Highly dispersive blue acquisition layer
- High-Strength, waterproof backsheet and hook-to-backsheet adjustable closure system
- Anatomically contoured diamond-embossed mat and hydrophilic topsheet
- Discrete outer packaging and clear inner poly bags

Benefits:

- Promotes breathability to maintain skin health
- Wicks fluid away from the skin, deep into the super absorbent polymer layer, leaving skin exceptionally dry and free from irritation
- Rapidly disperses fluid for increased mat stability
- Easy to apply and adjust for optimal protection against leakage
- Provides heavy protection preventing moisture from re-wetting and irritating skin
- Helps sensitive consumers with their need for discretion
