

MoliCare® Premium Soft

Premium breathable briefs for superior management of moderate to severe incontinence.

MoliCare® Premium Soft Absorbent incontinence briefs.

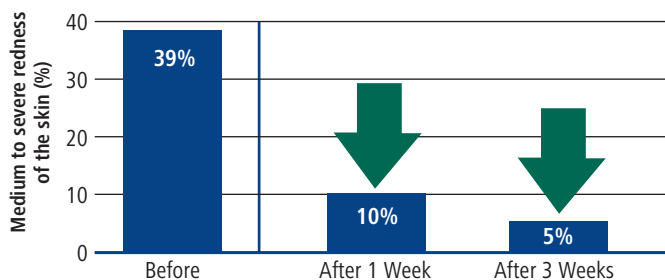

Features

- Innovative three-layer core offers quick acquisition speed, secures fluid retention away from the skin and evenly distributes fluid throughout
- Soft, breathable "Air Active" wings reduce body heat
- Fluid-repellent curved inner leg cuffs, leg elastics and refastenable hook closure system
- Generous leg openings allow for downsizing
- Anatomically designed
- Graduated wetness indicator for proper timing of product change

Benefits

- Unsurpassed absorption capacity and fluid distribution for superior dryness and protection from re-wetting while reducing unpleasant odor
- Skin dryness and hypoallergenic* materials reduce skin irritations and redness
- Provides superior leakage protection and improves care for fecal incontinence
- Comfortable and secure fit
- Requires fewer product changes and enhances clinical efficiency

Redness of the skin before and after the use of Molicare® Premium

After the use of MoliCare Premium, the skin condition improves demonstrably. Redness of the skin decreases significantly.
