

Cruise Car has engineered a unique electric low speed vehicle to meet market demand for high-quality, American made products...

- Rustproof all aluminum chassis
- American engineered; American made
- National and Global Service
- Efficient, light, yet durable electric vehicle for longer driving distances
- Custom designed utility vehicles available
- Federal Tax Credits available; state tax credits may also apply

Add a SunRay™ Solar Top for additional benefits such as:

- Up to 5-10 miles extra driving distance per day
- Zero carbon footprint when operating on solar
- Energy savings; Battery life extension
- 10 year solar warranty; 25 year available
