III. Internal Catalog Pricing Spreadsheet and Product Information

Vendors are required to complete the attached internal catalog spreadsheet in its entirety. The only items that will be included on the Alternative Fuel Conversion Kits Internal Catalog Pricing Spreadsheet are EPA Certified Conversion Kits and Tanks. The specifications listed below must be met for each approved conversion kit and tank.

IV. Length of Price Guarantee

Pricing shall be firm for an 9-month period. Price increases are not allowed during the term of the contract.

VI. Payment Terms and Invoices

MS Code Section 31-7-305(3) allows a state entity to pay invoices within 45 days without penalty.

The State requires the Vendor to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the state agency using the processes and procedures identified by the State. Payments by state agencies shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Vendor's choice. Vendor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

VII. Distribution

The Office of Purchasing, Travel and Fleet Management prefers to have these contracts established with the manufacturer with all authorized dealers/distributors being listed. **Provide a dealers/distributors' list using the attached Excel spreadsheet.** Manufacturers should put a "MV", for Minority Vendor, in the appropriate column on the spreadsheet for authorized dealers/distributors who qualify.

It is the Vendor's responsibility to keep this list updated during the contract period. **Dealers/Distributors must be registered in the State's e-procurement system.** We will not enter into more than one contract for any single brand.

An authorized dealer/sales representative may enter into a contract on behalf of the manufacturer by submitting a letter from the Manufacturer authorizing them to do so. This letter must be on the Manufacturer's official stationary, signed by the Manufacturer's appropriate personnel or his/her designee stating that the authorized dealer/sales representative has permission to enter into a contract with the State of Mississippi on behalf of the Manufacturer. The letter should include the name of the authorized representative, location address, mailing address, telephone number, toll free number (if applicable), fax number and e-mail address.

Minority Vendor Status - **Vendors should indicate if they or any dealers/distributors they listed are considered Minority Vendor in the State of Mississippi e-Procurement System.**

Minority Vendor means a business concern that (1) is at least 51% minority-owned by one or more individuals, or minority business enterprises that are both socially and economically disadvantaged, and (2) have its management and daily business controlled by one or more such individuals as ascribed under the Minority Business Enterprise Act 57-69 and the Small Business Act 15 USCS, Section 637(a). **MINORITY** as used in this provision means a person who is a citizen or lawful permanent resident of the United States and who is: Black Americans - racial groups of Africa; Hispanic Americans - of Mexican, Puerto Rican, Cuban, Central/South America, Spanish or Portuguese culture or origin; Native Americans - origin in any of the original peoples of North America; Asian Pacific Americans - origins of the Far East, Southeast Asia, the Indian subcontinent; or a Woman.

VIII. Purchase Summary

If a Vendor currently has a contract with the State of Mississippi, a purchase summary is required. This purchase summary must be attached with the proposal in the State of Mississippi e-procurement.

Please Note: Because of the expense associated with the maintenance of this type of contract, it has been determined that a lack of sales activity under the agreement may be cause for rejection of a new contract. Contract proposal may be denied for purchase summaries which indicate a purchase volume of less than \$25,000 for two consecutive years. In this instance you may be denied a new contract for a period of two years.

IX. Award of Contract

New contracts will be awarded to all Vendors that submit proposals **electronically in the State of Mississippi e-procurement system** that are in compliance with this format and are proposing competitive prices. Any requested information not submitted **may be cause for the contract proposal to be denied.**

If you currently have a State Contract and your information is not received by the required submission date, the contract will expire and you will be denied a new contract for a period of two years.

X. E-Verify Compliance

If applicable, Vendor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1 et seq of the Mississippi Code Annotated (Supp 2008), and will register and participate in the status verification system for all newly hired employees. The term “employee” as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, “status verification system” means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Vendor agrees to maintain records of such compliance and, upon request of the State, and approval of the Social Security Administration or Department of Homeland Security, where required, to provide a copy of each such verification to the State. Vendor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Vendor understands and agrees that any breach of these warranties may subject Vendor to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Vendor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Vendor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

XI. Addendum Period: Additions/Deletions

Vendors wishing to make additions/deletions to their contract during the contract period should be aware of the following policies of this office:

- A. Additions/deletions will be allowed only once during a contract period. Price increases are not allowed during the addendum period.
- B. Additions/deletions must be submitted during the addendum period which is May 1 through May 15 for additions/deletions to be effective July 1.
- C. When requesting additions/deletions the Vendor shall **attach a letter electronically (email to the person listed on this proposal) requesting the additions/deletions. A list of all items being proposed for addition/deletion should be included.** The Vendor shall submit all required documents as listed in this Proposal Format for any new items. Product literature shall also be submitted with the request.
- D. **When a dealer/distributor is being added to the original dealer's/distributors' list, the new dealer's/distributors' list shall be submitted electronically (email) using the**

attached Excel spreadsheet format. The new dealers/distributors' list shall have a complete name, address, contact person, phone number, fax number and email address. The dealer/distributor must be registered in the e-Procurement System prior to submitting a request to add the dealer/distributor.
