SECTION 901 – ADVERTISEMENT (Continued)

Mississippi public contracts only on the same basis as the nonresident bidder's state, city, county, parish, province, nation or political subdivision awards contracts to Mississippi contractors bidding under similar circumstances. In order to ensure that Mississippi's so-called Golden Rule is followed, state law requires a non-resident bidder to attach to his bid a copy of his resident state's current law pertaining to such state's treatment of non-resident contractors. Resident contractors actually domiciled in Mississippi, be they corporate, individuals or partnerships, are to be granted preference over nonresidents in awarding of contracts in the same manner and to the same extent as provided by the laws of the state, city, county, parish, province, nation, or political subdivision of domicile of the nonresident.

The ability to obtain any insurance required by the contract documents which does not require proof of coverage to be contained in the submitted bid (such as bid bonds), must be demonstrated in the bid by the means specified in the contract documents. Proof of actual insurance coverage must be submitted within five (5) business days from the bid acceptance.

In compliance with the laws of the State of Mississippi, in choosing materials for the project, the successful bidder shall be required to give preference to materials grown, produced, prepared, made or manufactured within the State of Mississippi. The foregoing notwithstanding, no preference shall be given to materials grown, produced, prepared, made or manufactured in the State of Mississippi when other materials of like quality produced outside the State of Mississippi may be purchased or secured at less cost, or any other materials of better quality produced outside the State of Mississippi can be secured at a reasonable cost. The Contractor shall not use any materials on the project that are grown, produced, prepared, made or manufactured outside of the United States. If such materials are not available, then those which are grown, produced, prepared, made or manufactured outside the United States may be used.

BIDS SHALL BE DELIVERED TO THE MAYOR'S OFFICE, SECOND FLOOR, CITY HALL BUILDING, 140 LAMEUSE STREET, BILOXI, MISSISSIPPI, 39530.

Box 429, Biloxi, Mississippi 39533. In addition, the envelope shall list the Company Name and Address, and all applicable state and local license numbers.
