Trados Metal

Seating

Guest · Stacking · Lounge · Healthcare

The Trados Metal guest seating collection features a triarc arm design enhanced by a smooth silver finish frame. This elegant yet sturdy chair can be further enhanced by the addition of optional wood arm caps in thirteen finishes or in an anti-microbial urethane arm cap.

The steel cross brace and heavy gauge steel frame construction provide a 350 lb. capacity in the guest and patient chairs, the settee and bench. Bariatric seating also includes steel cross braces in the back and offers a standard weight capacity of 500 lb. with 750 lb. and 1,000 lb. options.

Other finishes available with a minimum 50 seat order. Contact your HPFI representative for details and available finishes.
