No change or modification shall be applicable unless set forth in writing and signed by Company. Neither this order nor any interest therein shall be assigned by Customer except with the prior written consent of Company.

**2. PRICING:** LIAT, LLC assumes no responsibility for the quantities or the interpretation of competitive product. \*LIAT product is shipped knocked down. Assembly in the field is required.

**5. CARE AND MAINTENANCE:** To maintain your LIAT product for years of use, please follow these care and maintenance guidelines:

**Wood Care and Maintenance:** Use a damp, lint free cotton cloth for general dusting. Work with the grain of the wood.

**Laminate Tops:** Laminates may be cleaned using a damp cloth and mild soap.

**Marmoleum Tops:** Marmoleum can be maintained by dry or wet maintenance systems. For detailed product specifications or maintenance information, contact Forbo Industries Support Services at 1-800-842-7839 or visit their website [www.forbo-industries.com](http://www.forbo-industries.com).

**Metal Finishes:** Mix a solution of liquid soap and warm water. Saturate a clean cloth with this mixture. Wipe down metal then dry completely.

**Acrylic Products:** Use only products specifically recommended for cleaning acrylic, or a mild solution of dish detergent and warm water. Do **NOT** use any cleaner containing ammonia to clean your acrylic products. Do **NOT** use a dry cloth or your hand to clean the acrylic - this will rub the dirt and dust into the acrylic and can scratch the surface.

**Fabric Care:** The ability to be cleaned will vary based on the type of fabric. For best results, a professional service is recommended. Dirt and crumbs may be gently brushed or vacuumed off. Spill should be wiped up immediately with a cloth. If upholstery has been protected with Scotchgard or Zepel, the coating should be re-applied yearly. Vinyl textiles can be cleaned with warm soapy water and then wiped down with a warm damp cloth.

**6. CLAIMS.** All shipments are delivered to the carrier in good condition and Company's liability ceases after acceptance by carrier. If shipment arrives short or damaged, the Customer must file a claim immediately with the carrier. In the event of concealed damage, notify carrier and request an immediate inspection. Keep all cartons and packing material. Failure to file claim within 15 days after receipt of Goods constitutes acceptance and a waiver of any such claims

**7. DISCLAIMER OF WARRANTIES:** The express warranties below are the Company's sole warranties of its Goods, there are no understandings, agreements, representations, or warranties, express or implied (including any regarding the merchantability or fitness for a particular purpose), not specified herein, respecting the Goods. Except for those obligations of the Company identified in these Terms and Conditions, all risks related to the quality and performance of the Goods and responsibility for repair or service costs rests solely on the Customer. Company reserves the right to limit the applicable warranty to the Goods depending upon the division or catalogue through which said Goods were sold. Some states do not allow limitations on implied warranties, limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to all Customers. This warranty gives the Customer specific legal rights, and each Customer may also have other rights which vary from state to state.

**8. EXPRESS WARRANTIES:** The express warranties of the Company are as follows:

**14. LIMITATION OF LIABILITY:** The Company shall not under any circumstances be liable to the Customer, owner of the Goods or any third party for special, indirect, incidental, or consequential damages, including, without limitation, loss of profits or revenues, loss or damage to other property or equipment, cost of capital or of purchased or replacement goods, or expense, delay or inconvenience caused by or arising from the purchase, sale, use, repair or inability to use the Goods or by any performance or non-performance under, or breach of, these Terms and Conditions. The Company's sole liability for any defective Goods shall be its repair or its replacement pursuant to the Express Warranties set forth above, or if amended, as applicable at the time of manufacture or repair of the Goods. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to all Customers. Any action resulting from any breach on the part of Company as to the Goods or services delivered hereunder must be commenced within one year after the cause of action has occurred.

**15. RETURNS AND ALLOWANCES:** Reasonable touch-up and deluxing is the dealer's responsibility. The Company will not make allowances for trip or delivery charges, but will only make allowance for actual work performed to correct manufacturing defects. It is the responsibility of the field sales representatives to inspect any defective merchandise and make suggestions and recommendations as to the proper disposition. Field personnel cannot obligate or bind the Company by definite agreement, without final authorization by a Company officer. Company will not accept automatic charge backs which do not have prior authorization. All defects must be called to the Company's attention upon arrival at the Customer's "Ship To" destination. To initiate any type of claim or request for parts, it is imperative to have the model number or fabric number, which may be located on the tag attached to the frame of the unit. Authorization for return to the Company for any reason must be issued by the Company via a Return Goods Authorization. Any authorized returns not due to damage or defect will be assessed a 30% restocking charge and all return freight charges must be prepaid. Company will not issue credit allowances for any repairs without Company's prior consent.
