## Customer's Own Material ■

Specifications Form

March 2015

All fabrics, including COM, COL, KOM and in grades will be applied at the factory's discretion. If a pattern or stripe is to be applied in a certain direction, the customer MUST specify this in writing on the P.O. and attach a sample of the fabric with it running in the application direction to the P.O. Specifying fabric direction may increase the amount of COM or KOM yardage required. Check with KI Customer Service to see if an increase in yardage is necessary BEFORE specifying, ordering and sending COM and COL to the factory or having KOM quoted.

ALL C.O.M AND C.O.L SHIPMENTS  
MUST BE PREPAID TO: KI  
217 Feld Avenue  
High Point, NC 27263

COM and COL must be identified as follows:

1. Name and address
2. Your purchase order number
3. Our style number to which fabric is to be applied
4. Supplier name and fabric name, number, and color

COLLECT SHIPMENTS WILL BE REFUSED.

SHIPMENT SCHEDULE WILL BE GIVEN WHEN ALL FABRIC IS RECEIVED FOR ENTIRE ORDER

YARDAGE REQUIREMENTS LISTED IN PRICE LIST ARE BASED ON PLAIN GOODS 54" WIDE. Fabrics less than 54" wide, or those requiring matching (stripes, plaids, prints, large patterns) will require additional yardage based on the fabric used and the item ordered. FABRIC WITH NAP: IF USING MOHAIR, VELVET OR ANY FABRIC WITH A "NAP", INCREASE YARDAGE REQUIRE BY 11%. CONSULT MATRIX BELOW FOR ADDITIONAL YARDAGE NEEDED.

C.O.M. INCREASE MATRIX (The yardage matrix is also applicable to any reservations of KI Ingrade, Pallas, or KOM upholsteries).

This table is a general guide.

FABRIC WIDTH	PLAIN FABRIC	UNDER 7" REPEAT	8"-13" REPEAT	14"-21" REPEAT	22"-27" REPEAT	28"-33" REPEAT	34"-40" REPEAT	41"-48" REPEAT
54"	0	20%	25%	30%	40%	50%	60%	70%
51"-53"	15%	25%	30%	35%	45%	60%	70%	80%
48"-50"	20%	30%	35%	40%	50%	65%	75%	85%
45"-47"	30%	45%	50%	55%	60%	80%	90%	100%
36"-44"	50%	65%	70%	75%	80%	100%	110%	120%

FABRIC WITH DOUBLE REPEAT: IF USING A FABRIC WITH A DOUBLE REPEAT, PLEASE FOLLOW THIS FORMULA: TAKE THE TOTAL AMOUNT OF THE LARGER AND HALF OF THE SMALLER REPEAT; ADD TOGETHER TO FIND THE CORRECT OVERALL REPEAT. EXAMPLE: 10" VERTICAL WITH 14" HORIZONTAL WOULD BE  $14+5=19$ .

IF FABRIC COMES IN ON MULTIPLE ROLLS, ONE ADDITIONAL YARD PER ROLL NEEDS TO BE ADDED TO THE YARDAGE REQUIREMENT.

SPECIAL NOTE: WE CAN ASSUME NO RESPONSIBILITY FOR THE DURABILITY OR TAILORING QUALITY OF CUSTOMER FURNISHED COVERINGS (C.O.M.) OR KOM. KOM: is fabric that KI will purchase for you at jobber's price (net) plus a nominal charge for handling, shipping, and managing.

### UPHOLSTERY INFORMATION

#### C.O.M. Fabric

For C.O.M. fabric sent to KI-High Point on multiple rolls, add an additional yard of fabric per roll to the yardage requirements. Multiple rolls have shorter pieces of fabric on them and do not allow nesting and stacking of the fabric to achieve the best yield as is done with one large roll. This results in yardage shortages and requests for additional fabric from the client, which can delay an order. For each roll that is sent, one yard needs to be added to one of the rolls, not separately.

#### Fabric Disclaimer

Fabric will be applied as swatched by the fabric manufacturer. Fabric that is required to be applied differently than is swatched will need a Special Cost Request written specifying the direction the fabric is to be applied. The posted standard lead time will apply to the Special Cost Request.

### FINISH INFORMATION

#### SPECIAL FINISH MATCHES

KI can match special finish requests at an upcharge of \$70 List per item, up to 12 or a maximum charge of \$840 List per order per color. Special finish requests must be sent to your KI customer service representative.

Upon receipt from KI, the finishing department will prepare a "strike-off" which will be sent to the customer for approval.

The approval form accompanying the strike-off should be faxed to your KI customer service representative. Upon receipt of the signed approval form, KI will proceed with the order. Disapproved samples may be sent back to KI directly with an explanation of disapproval. A Special Finish Number (SFN) will be assigned to this finish sample for future reference or reorders

### UPHOLSTERY INFORMATION

#### C.O.M. Fabric

For C.O.M. fabric sent to KI-High Point on multiple rolls, add an additional yard of fabric per roll to the yardage requirements. Multiple rolls have shorter pieces of fabric on them and do not allow nesting and stacking of the fabric to achieve the best yield as is done with one large roll. This results in yardage shortages and requests for additional fabric from the client, which can delay an order. For each roll that is sent, one yard needs to be added to one of the rolls, not separately.

#### Fabric Disclaimer

Fabric will be applied as swatched by the fabric manufacturer. Fabric that is required to be applied differently than is swatched will need a Special Cost Request written specifying the direction the fabric is to be applied. The posted standard lead time will apply to the Special Cost Request.

### FINISH INFORMATION

#### SPECIAL FINISH MATCHES

KI can match special finish requests at an upcharge of \$70 List per item, up to 12 or a maximum charge of \$840 List per order per color. Special finish requests must be sent to your KI customer service representative.

Upon receipt from KI, the finishing department will prepare a "strike-off" which will be sent to the customer for approval.

The approval form accompanying the strike-off should be faxed to your KI customer service representative. Upon receipt of the signed approval form, KI will proceed with the order. Disapproved samples may be sent back to KI directly with an explanation of disapproval. A Special Finish Number (SFN) will be assigned to this finish sample for future reference or reorders.

## UPHOLSTERY INFORMATION

### C.O.M. Fabric

For C.O.M. fabric sent to KI-High Point on multiple rolls, add an additional yard of fabric per roll to the yardage requirements. Multiple rolls have shorter pieces of fabric on them and do not allow nesting and stacking of the fabric to achieve the best yield as is done with one large roll. This results in yardage shortages and requests for additional fabric from the client, which can delay an order. For each roll that is sent, one yard needs to be added to one of the rolls, not separately.

### Fabric Disclaimer

Fabric will be applied as swatched by the fabric manufacturer. Fabric that is required to be applied differently than is swatched will need a Special Cost Request written specifying the direction the fabric is to be applied. The posted standard lead time will apply to the Special Cost Request.

## FINISH INFORMATION

### SPECIAL FINISH MATCHES

KI can match special finish requests at an upcharge of \$70 List per item, up to 12 or a maximum charge of \$840 List per order per color. Special finish requests must be sent to your KI customer service representative.

Upon receipt from KI, the finishing department will prepare a "strike-off" which will be sent to the customer for approval.

The approval form accompanying the strike-off should be faxed to your KI customer service representative. Upon receipt of the signed approval form, KI will proceed with the order. Disapproved samples may be sent back to KI directly with an explanation of disapproval. A Special Finish Number (SFN) will be assigned to this finish sample for future reference or reorders.
