Vision: Imagine Your Space™

Flexible facilities are a must in today's educational environments. Maco Vision modular casework allows you to overcome the antiquated, inflexible use of built-in millwork. By doing so, you enable your educators to create dynamic learning environments free from stagnant layouts.

The ability to meet changing classroom configurations and allow for renovations, expansions and fluctuations in your district's needs is paramount. Our products provide innovative storage solutions that can be repositioned and reconfigured as needed.

Your decision to invest in Vision modular casework today will have long-term pay-offs to your district for years to come. You'll see immediate return on your investment because our systems don't require costly installations and future change outs are easy with our ***built-in concealed casters***.

Reduce future costs. Simply by moving and reusing cabinets one time you can reduce furniture costs by 50%. Do it twice, and you'll save even more on reinstallation expenses and repairs to walls and floors as compared to traditional built-in millwork.

Value Delivered. Maco Vision modular casework features heavy-duty construction, premium grade materials and innovative designs to provide high quality, high value storage solutions. To prove that, we stand behind our mobile products with an industry-leading 15 year warranty!

Breathe Free. Maco products are MAS Certified.

VISION:

Make the most of classroom wall space with the Maco Vision modular casework system. Each unit offers highly functional storage and display areas as well as sliding marker board panels that eliminate the need for extra wall space. Offering the ultimate in flexibility, Vision modules can be disassembled, moved and reassembled easily to meet changing classroom needs or accommodate cleaning or repair work. Expand systems with additional modules as needed.

The four modules shown here meet the most common classroom needs. Looking for something special? Maco can customize modules for your school district. Just give us a call!

Vision offers:

- Complete, moveable solutions that replace built-in casework
- Modules are fully assembled at the factory, and are joined together on site
- Easy disassembly and re-assembly gives you maximum Flexibility
- Maximizes room layout by combining usable 18" storage behind sliding marker panels
- Full 10-Year Warranty

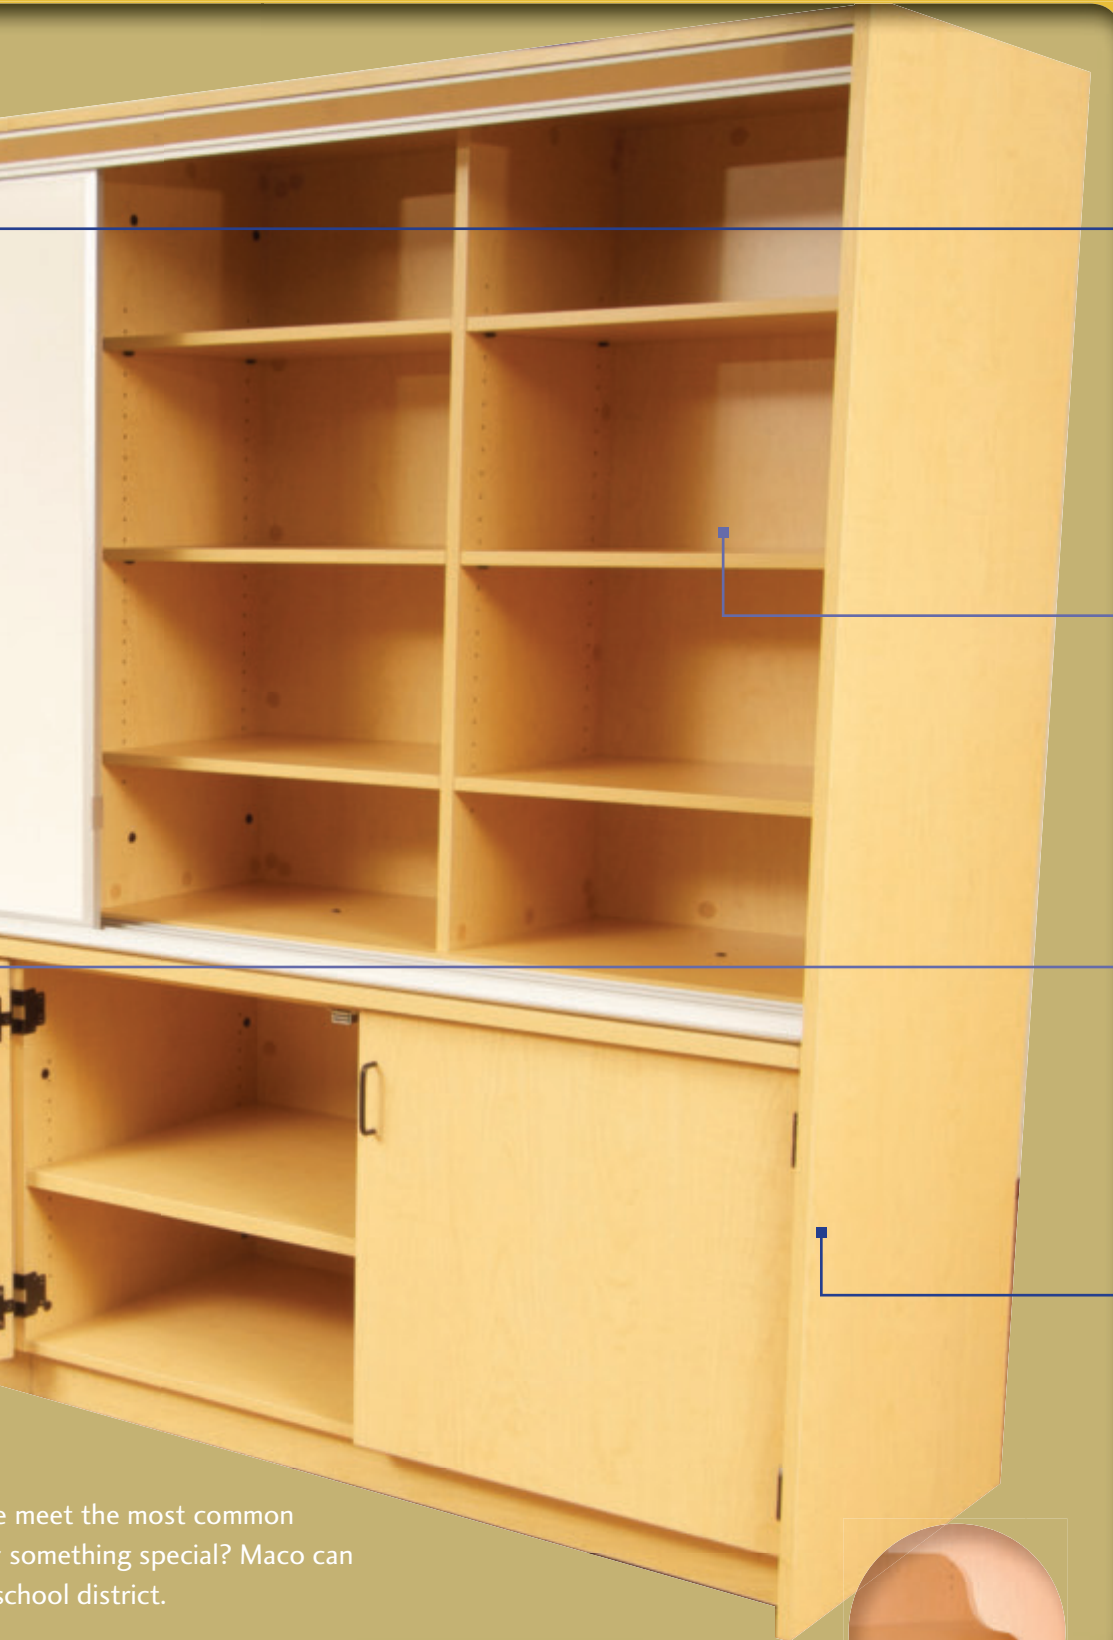

Specifications:

- Standard configuration: 8'w x 78"h x 26"d
 - Custom configurations available
- Each unit incorporates 2 base cabinets, 2 hutches and 2 sliding marker boards
 - Multiple base cabinet configurations
 - All models include 2 hutches, each with 4 adjustable shelves
 - All models come with 2 marker boards on separate tracks
- All-laminate construction
 - Panels are 3/4" all laminate construction with PVC edges
 - Shelves are adjustable, 1" all laminate construction with PVC edges
- Heavy duty 3" ball bearing casters
- Hardwood, dovetailed drawers with ball-bearing glides
- Locks on doors and drawers are optional

SCIENCE CASEWORK

READY LAB SCIENCE CASEWORK

At Maco manufacturing we know the science behind science casework and lab designs for layout solutions in today's learning environments.

Our project team can assist you with the following:

- Design assistance including layout drawings and measurements
- Coordination assistance with your plumber/electrician/HVAC providers
- Casework and equipment including fume hoods, tops & sinks, and lab-grade fixtures

MATERIALS/CONSTRUCTION

Plywood: Furniture Grade Red oak, hardwood core

Lumber: Red Oak, grade FAS or better.

Lab Grade Casework Finish: Chemical Resistant, factory applied UV finish (100% solids) with no VOC's expelled to the atmosphere on both the exterior and interior surfaces.

Cabinet: All oak hardwood plywood construction using 32mm doweling system. 1" top rails.

Drawers: All hardwood plywood construction, dove tailed all 4 corners.

Shelves: 1" plywood, edge banded with 3mm red oak edging

Open Frame Tables: Solid oak legs and frame rails, steel plate supports at each leg.

Hardware:

Pulls: 96mm wire pulls.

Locks: Laboratory grade cylinder cam locks.

Hinges: 5 Knuckle Institutional hinges.

Drawer Slides:

Epoxy powder coated, cold rolled steel, heavy duty, side mounted, 150 lb load capacity.

Equipped with heavy-duty, ball bearing nylon rollers for smooth effortless operation. Slides have automatic positive stop to prevent drawer's accidental removal, but allows for quick removal without tools.

Fixtures:

Service Fixtures: Laboratory Grade, Polished chrome plated brass, water and gas fixtures.

Electrical Fixtures: GFI, 3 wire grounded, 20A, 125V AC.

Work surfaces and sinks:

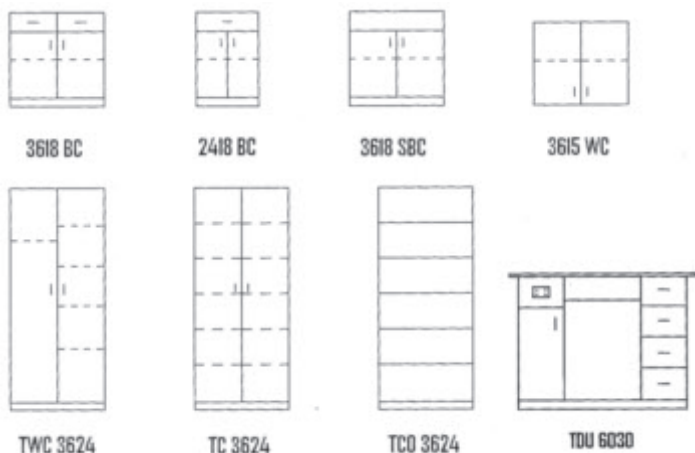

Laboratory Tops: Chemical resistant molded modified epoxy resin 1" thick black with 4" applied back and side splashes.

Sinks: Chemical resistant molded modified epoxy resin, drop in style, black, with outlet.

Science Lab Equipment Including:

- Fume Hoods
- Barrier Free Eye Wash / Emergency Shower Combination
- Germicidal Goggle Cabinets
- Fire Blanket with cabinet
- First Aid Kit
- Peg Boards

IN-STOCK CABINETS

SCIENCE TABLES

Heavy duty lab grade tables are available with laminate or Epoxy resin tops.

Please specify desired top material when requesting price quotes.

The Maco Manufacturing Indeco Sales Story

INDECO Sales, Inc. / MACO MFG., is a family owned and operated business. We have been serving the education market since 1969. We own and operate two corporations, one being a sales company, the other a manufacturing plant.

Our motto is "A satisfied customer is our best salesman" and we would like to earn your business.

We offer the finest quality products at the lowest price in the educational market.

Our service is second to none, we service what we sell and we sell service. If you purchase our products, we guarantee you will be satisfied.

We have our own fleet of trucks and when possible, deliver all of our products on our trucks.

The corporate headquarters is located in Belton, Texas on 16 acres of land with 300,000 square feet of manufacturing and warehouse facility.

CUSTOM CAPABILITIES

Whether you need a special size, design or edge detail, Maco can modify its products to fit your special needs and applications.

Maco Products can be ordered in other wood species, custom stains, steel colors and other laminates not part of our standard offering.
