- chairs, benches and lounge seating
- · tables and wall units

#### **Conditions of Sale & Warranty**

#### **Prices**

The amounts listed in this document are suggested retail prices and may be changed without notice. Applicable taxes are not included. If you have an open and active account with Logiflex, merchandise will be invoiced at the prices prevailing at the time of shipment. A deposit may be requested if the opening of your account has not been completed or if your account has become inactive.

#### **Terms of Payment**

Net 30 days F.O.B. Sherbrooke, Quebec. The invoice will be assigned the shipping date and is payable 30 days from that date. Logiflex remains the owner of the merchandise until the invoice is paid in full.

#### **Customized Products (Special Items)**

Price requests for customized products or special items can be submitted via the "Online Services" section of our website, at www.logiflex.ca. Our quotation department will study your request and send you a quotation and a technical drawing for approval as soon as possible. Modifications to quotations or technical drawings can be requested the same way. The approved quotation(s) and technical drawing(s) can then be attached to your purchase order.

#### **Orders**

An official purchase order must be issued for all purchases. Your purchase order must contain the following information: your company letterhead, your reference number, the delivery address (with contact name and phone number), the complete product codes, furniture color(s), quantities, descriptions, retail prices and net prices, project registration number (if applicable) and your approved quotation and technical drawing (for special items). Please note that a quotation cannot serve as a purchase order.

#### Returns

All returns must first be approved by Logiflex. If the return is accepted, a Logiflex customer service representative will send you an official return authorization form in order to facilitate procedures between you, the carrier, and the Logiflex merchandise reception clerk. Additional costs for shipping or other expenses may be applied following any merchandise returns.

#### **Modifications and/or Cancellations**

You have 48 hours from the time we acknowledge receipt of your order to make any requests for corrections or modifications. You may cancel your order during this same 48-hour period. If you would like to modify or cancel your order after this 48-hour verification period, please check with a Logiflex customer service representative. Orders cannot be changed or cancelled if production has already begun or if Logiflex has already received the raw materials.

#### Liability

Logiflex's liability ends once the carrier has delivered all items in good condition. A delivery receipt signed by the customer acknowledges that the shipment is complete and has been received in good condition.

#### **Claims**

Logiflex recommends inspecting the shipment before signing the carrier's delivery receipt. You must notify Logiflex of any incomplete shipments or damaged furniture as soon as possible. Requests to replace damaged products can be made via the "Online Services" section of our website, at www.Logiflex.ca. Our after-sales service department will examine your request and help you correct the situation.

#### Changes

Logiflex reserves the right to make changes to the materials, accessories, components, specifications, design and to discontinue collections and/or models at any time and without prior notice.

#### **Conditions of Sale & Warranty**

#### Storage and/or Shipping Fees

If you would like to delay the delivery of an order already in production at Logiflex, weekly storage fees may be charged. The suggested retail prices in this list may include delivery; however, some conditions may apply. If your order is a minimum of \$10,000 net, the order can be shipped directly to your customer. In this case, a 53-foot unloading dock must be available at the time of delivery. This information must first be validated with your Logiflex customer service representative. Direct shipping is subject to additional fees. Any delay experienced by Logiflex carriers during delivery may also result in additional charges.

#### **Limited Lifetime Warranty**

Logiflex warrants its products to the original purchaser for as long as the original purchaser owns the products. Logiflex guarantees that Reception products bought new from an authorized Logiflex distributor are free from defects in materials and workmanship for the lifetime of their use. This warranty applies to Reception products. Only if properly used, repair or replacement of any defect covered by the warranty will be at the discretion of Logiflex. Transportation and labor are not covered by this warranty. By accepting the product to its delivery, the buyer accepts its conditions. The warranty period shall be reduced proportionately if the products are used over a period exceeding the equivalent of a shift 40 hours/week. All replacement parts will be shipped to the original shipping address.

This warranty does not apply to defects or damages resulting from:

- Normal wear and tear occurring with the use of the product;
- Negligence, misuse, abuse or accident;
- Substitution, modification or use of components or materials that have not been authorized by Logiflex;
- Delivery by a freight carrier or handling/installation by a contractor other than Logiflex;
- Natural properties of materials;
- Exposure to sunlight or environments with extreme temperature/humidity conditions;
- Damage caused by a carrier in transit, or delivery/installation contractors.

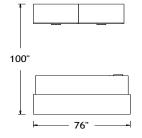

#### This warranty does not include:

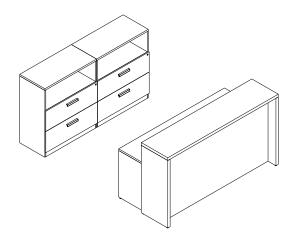

- Parts and materials supplied by the customer (COM);
- Special finishes applied to Logiflex products;
- The matching of colors, grains or textures of wood due to its natural properties;
- Products used for rental purposes;
- Non-standard Logiflex products;
- Logiflex product not installed or used in accordance with the Logiflex installation guidelines;
- Bulbs and ballasts.

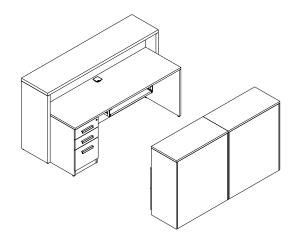

#### Restrictions:

- Electrical components are guaranteed for 1 year from the date of delivery;
- Seat mechanisms, drawer slides and locks are guaranteed for 5 years from the date of delivery.

# **Manufacturing Standard**

1. Top	
I -	Reception Counter tops and legs are 1-5/8" thick laminate and work desk tops and legs are 1" thick laminate.
2. Handle	
	Handles are included with all storage furniture. The standard handle is H052CHR.
3. Grommet	
	Grommet is included with all work desks. The standard grommet is CAPF.
4. Lock	
	Locks are included with all storage furniture, except for the ones with aluminium doors. The lock included come in a satin nickel finish.
5. Wood Grain	
	The wood grain runs vertically all storage furniture fronts and is horizontal for all reception counter fronts.
6. Leveler	
	All furniture items sit on black plastic levelers.
7. Colors & Finis	hes
	Colors have to be specify for all furniture items ordered. Consult the «How to Order» section of the product page
	for further details about the procedure. Consult the Logiflex Color Chart for the colors and finishes offered. The

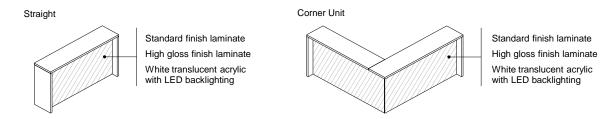

edge will match with the color and finish specified.

#### **How to Build your M-Brace Reception Station?**

With these simple and illustrated steps, design a Reception Station following your needs and your image!

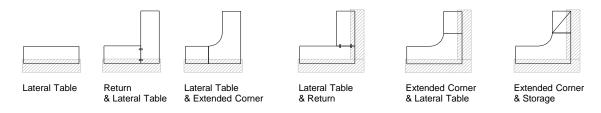

#### Reception Counter (p.14 to 17)

Choose the form and the front finish of your reception counter.

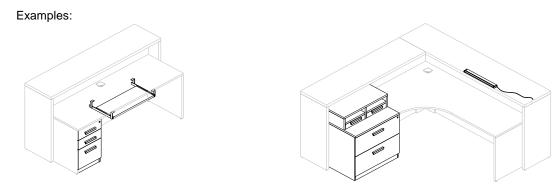

# **2** Work Desk (p.18 to 21)

Choose your work desks and the dimensions.

## 3. Storage & Accessories (p.22 to 30)

Choose the storage and accessories that meet your needs in order to complete your M-Brace Reception Station.

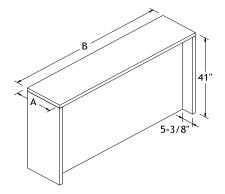

Don't forget to consult the product page of each item for further details about the options, prices and product specification.

# Reception Counter | M-Brace Straight

Manufacturing Standard: 1-5/8" thick laminate top and legs, 5-3/8" recessed laminate front (exterior) and 6" recessed modesty panel (interior).

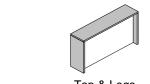

#### MS-M

Inbox

# Inbox | Manufacturing Standard

#### 1. Top

T

All tops are 1" laminate.

#### 2. Front and Wood Grain

All fronts and front panels are 5/8" laminate and available in standard or high gloss finish. The wood grain runs horizontally.

#### 3. Grommet

Grommets are included with all Inbox reception counters. The standard grommet is CAPF. Consult the "Accessories" section for more details on the grommet.

#### 4. Leveler

All Inbox reception counters sit on black plastic levelers.

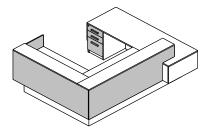

#### 5. Colors

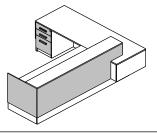

Colors have to be specified for all furniture items ordered. Consult the "How to Order" section of the product page for further details about the procedure. Consult the Logiflex Color Chart for the colors and finishes offered. Unless indicated otherwise in the order, the PVC edge will match with the color and finish specified.

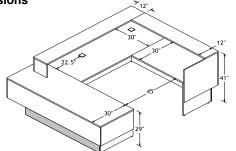

#### 6. Finish

A high gloss color can be specified for fronts and the front panels of Inbox reception counters. The high gloss finish will be applied to fronts and panels as illustrated below.

#### 7. Dimensions

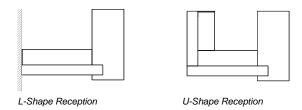

Transaction shelf: 12" wide Work desk: 30" deep Workspace: 45" wide

#### Inbox | How to Build your Reception Station

With these simple steps, design a reception station following your needs and your image!

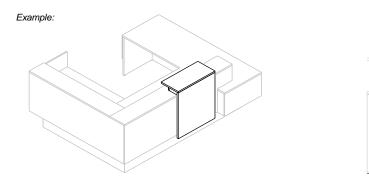

## 1 \_ What form would you like your station to have? (p. C-4 to C-5)

Choose the form (either L-shape or U-shape) and dimensions of your reception counter.

#### 2. Accent your reception station! (p. C-6)

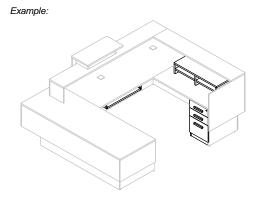

The transaction shelf personalizes your reception station while also hiding your computer screen.

# 3. Would you like storage with that? (Section J)

Choose the storage and accessories that meet your needs in order to complete your Inbox reception station.

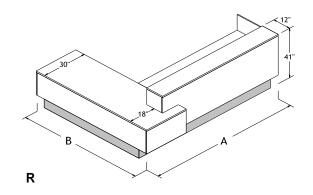

33" |

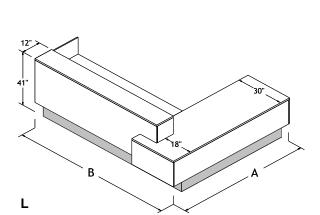

Don't forget to consult the product page of each item for further details about the manufacturing standard, codes, options and prices.

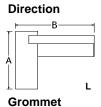

Manufacturing Standard: 1" tops, metallic high pressure laminate kick plate, 2 CAPF grommets on the main work surface.

# Manhattan

## Manhattan | Manufacturing Standard

#### 1. Top

All tops are 1-5/8" thick.

### 2. Fronts and Front Panels

Fronts and front panels are 1" laminate with the exception of rounded corners, which are high pressure laminate.

#### 3. Grommet

Grommets are included with all desks. The standard grommet is CAPF, in a satin nickel finish.

#### 4. Shelf Bracket

Shelf brackets are 2.5" in diameter and have a satin nickel finish.

#### 5. Wood Grain

The wood grain runs vertically on fronts and front panels.

### 6. Leveler

All furniture items sit on black plastic levelers.

### 7. Colors

Colors have to be specified for all furniture items ordered. Consult the "How to Order" section of the product page for further details about the procedure. Consult the Logiflex Color Chart for the colors and finishes offered. Unless indicated otherwise in the order, the PVC edge will match with the color and finish specified.

### 8. Pedestal

66" x 66" desk: Pedestals cannot be installed on reception stations that are 66" X 66" because of the curves close to the user space. We suggest mobile pedestals instead.

72" x 72" desk: Pedestals larger than 30" cannot be installed on reception stations that are 72" X 72" because of the curves close to the user space.

See section J for further information about pedestals.

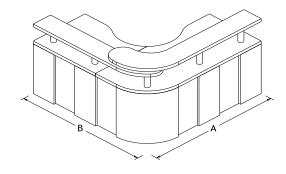

## Manhattan | Reception Desk

Manufacturing Standard: 1-5/8" desk and shelf tops, rounded corner front panel made of high pressure laminate (HPL), satin nickel finish shelf brackets, centred CAPF grommet.

How to Order?

Add the acrylic panel code to the code of the Manhattan desk on which it has to be installed, following the "How to Order" instructions on the desk page.

## 3K | Manufacturing Standard

### 1. Tops

All tops and shelves are 1" thick.

### 2. Front and Front Panels

Fronts and front panels are 5/8" laminate. A strip of brushed aluminum high pressure laminate is applied to the kick plate and between the front panels.

### 3. Grommet

Grommets are included with all desks. The standard grommet is CAPF, in a satin nickel finish.

### 4. Shelf Bracket

Shelf brackets are 1.75" in diameter, 4-3/8" high and have a satin nickel finish.

### 5. Wood Grain

The wood grain runs horizontally on fronts.

### 6. Leveler

All furniture items sit on black plastic levelers.

### 7. Colors

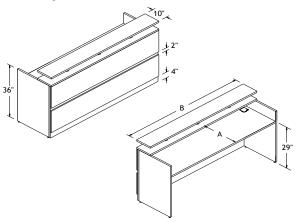

Colors have to be specified for all furniture items ordered. Consult the "How to Order" section of the product page for further details about the procedure. Consult the Logiflex Color Chart for the colors and finishes offered. Unless indicated otherwise in the order, the PVC edge will match with the color and finish specified.

# 3K | Reception Desk

Manufacturing Standard: 1" tops, 2 CAPF grommets, full modesty panel, 2 front panels 5/8" thick, strip of brushed aluminum high pressure laminate on the kick plate and between the front panels.

### Accessories | Trays, Drawers and Holders

#### Ergonomic Keyboard Tray

#### KB360M

#### 467

Black plastic articulating ergonomic keyboard tray; "Lift-N-Lock" spring system (no lever) to adjust height; Handle for easy tilt adjustment from 10° to 15°; Retractable and adjustable mouse tray on left or right; Black gel wrist rest;

360° rotation:

Needs a minimum of 21-1/2" deep clearance under the top.

#### **Keyboard Tray**

#### KBMOD

176

24" to 30" wide;

Specify the width wanted after the code; Specify the color wanted after the code;

Adjustable height from 1-3/4" to 2-3/4";

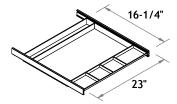

Additional 3-1/2" for slides;

Needs a minimum of 16" deep clearance under the top.

#### Pencil Drawer

#### TCPM

177

Black plastic sliding drawer with steel ball bearings; Needs a minimum of 16-1/4" deep clearance under the top.

### Sliding CPU Holder

#### MCPU93

295

Ratchet style locking storage adjustment;

12" storage;

Adjustable height from 13" to 25";

Adjustable width from 3" to 9";

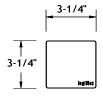

Maximum capacity of 38 kg (85 lbs);

360° rotation;

Needs a minimum of 17" deep clearance under the top.

### Accessories | Hardware

#### Grommet

20

Square metal grommet with engraved Logiflex logo;

Satin nickel finish;

2-1/2" hole in the top.

HAPF
