## T-Leg Flip-Top and Fixed Tables

### Open to Change

Available in rectangular and shaped tops that are designed to be used together to create a variety of traditional and collaborative layouts utilizing the same tops. Power up with optional field installed grommets and power data centers for quick and convenient access to power.

### Durable Tops

Balanced construction featuring high pressure laminate surfaces and a backer sheet for durability. Available with Flat or Permatuff edge options

### Safe & Secure

All flip-top nesting tables are equipped with two easily accessible lock handles to secure the top.

### Smooth Operation

All flip-top nesting tables are equipped with dampened articulation for smooth and safe operation

### Durable Construction

All legs assemblies feature durable cast or extruded aluminum powder coated components.

### Freedom to Move

All flip-top nesting tables are standard with casters so the tables are easy to reconfigure or store out of the way. Fixed leg tables are available with glides or casters.

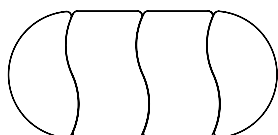

### Wide Range of Sizes & Shapes

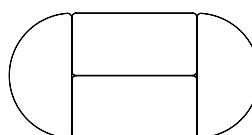

Tables are available with a variety of top shapes (Rectangular, Half-Round, Expanse, Nebula) sizes and base options (Fixed T-Leg, Flip-Top Nesting T-Leg)

### Conference Table Configurations

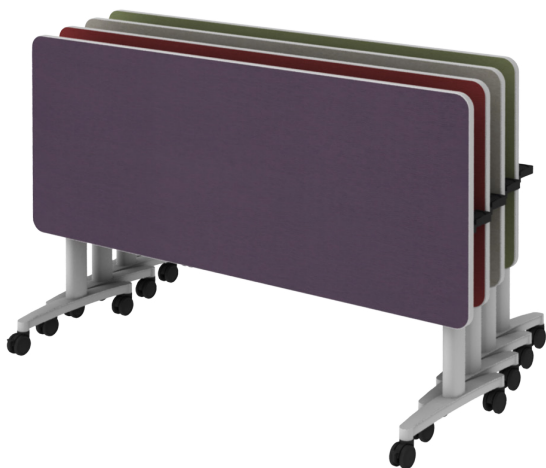

Combine multiple t-leg shape tables to create endless configurations to customize your workbook, conference area or classroom.

Expanse + Nebula

Half-Round + Rectangular

## T-Leg Tables

flip-top and fixed

### Discover T-Leg Tables

An over achiever, the Discover T-Leg tables support a wide variety of tasks and applications. From the basic fixed leg to the flexible and space-efficient flip top nesting table, these tables will work hard in the classroom or in the front administrative office. You can be assured of Artcobell quality and performance that has reliably supported over three generations of classrooms.

### Flexibility

T-Leg tables provide you with the ability to combine shapes to create fun and efficient learning spaces. When equipped with casters, you also have the flexibility to easily move the tables throughout the space and configure layouts to meet a wide range of activities and teaching styles.

### Space Efficient Storage

The flip-top base allows tables to be easily nested together for convenient and space-efficient storage.

### Smooth & Secure Operation

The flip-top nesting base is designed for safety and ease of use. The dampened articulation ensures that the tops always flip easily and will not open or close forcefully. The hinge mechanism prevents damage to the table and keeps those using it safe. Twin locking handles also add security and peace of mind.

### Personalize to Your Learning Space

A wide range of accessories are available to accommodate a variety of classroom applications and teaching styles.

### Warranty

All Discover T-Leg Tables are covered by Artcobell's industry leading limited LIFETIME warranty so you can be assured of the highest level of quality and service.

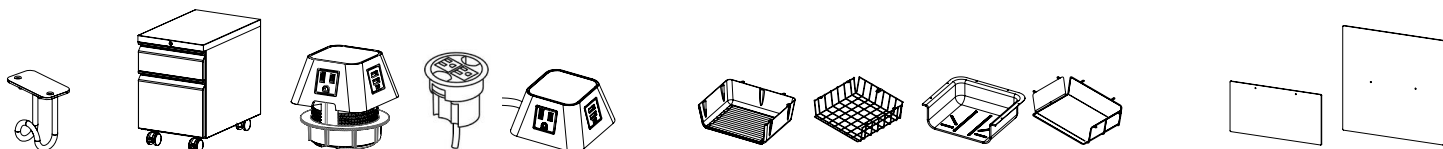

### Flexible Learning Environments

Artcobell offers a variety of innovative products such as FLOT, MOV, BLOC and STP that can be used with the Discover T-Leg Tables to create innovative, flexible and fun learning spaces.

### Compliance

- > ANSI/BIFMA X5.5-2014 Desk/Table Standard
- > Complies with Consumer Products Safety Improvement Act (CPSIA) of 2008
