Tops

Tops are constructed of wood and veneer materials or HPL. Veneer tops feature decorative inlaid cherry veneers bordered by a walnut banding. A UV topcoat on veneer tops protects against discoloration from sunlight. HPL tops are straight grained.

Construction

Construction is wood, wood veneers, and wood materials featuring solid wood bases, shaped mouldings and pilasters in an English Cherry finish.

Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts.

Drawers

Drawers are constructed of plywood. Interiors are stained and sealed and showcase dovetail construction. Full extension, metal, ball bearing suspensions ensure stability. Box drawers have a 75lb load bearing rating; file drawers are rated for 150lbs. Drawers feature plated brass finished pulls.

File Drawers

Filing hardware is included for front-to-back or side-to-side letter or side-to-side legal hanging files.

Adjustable Levelers

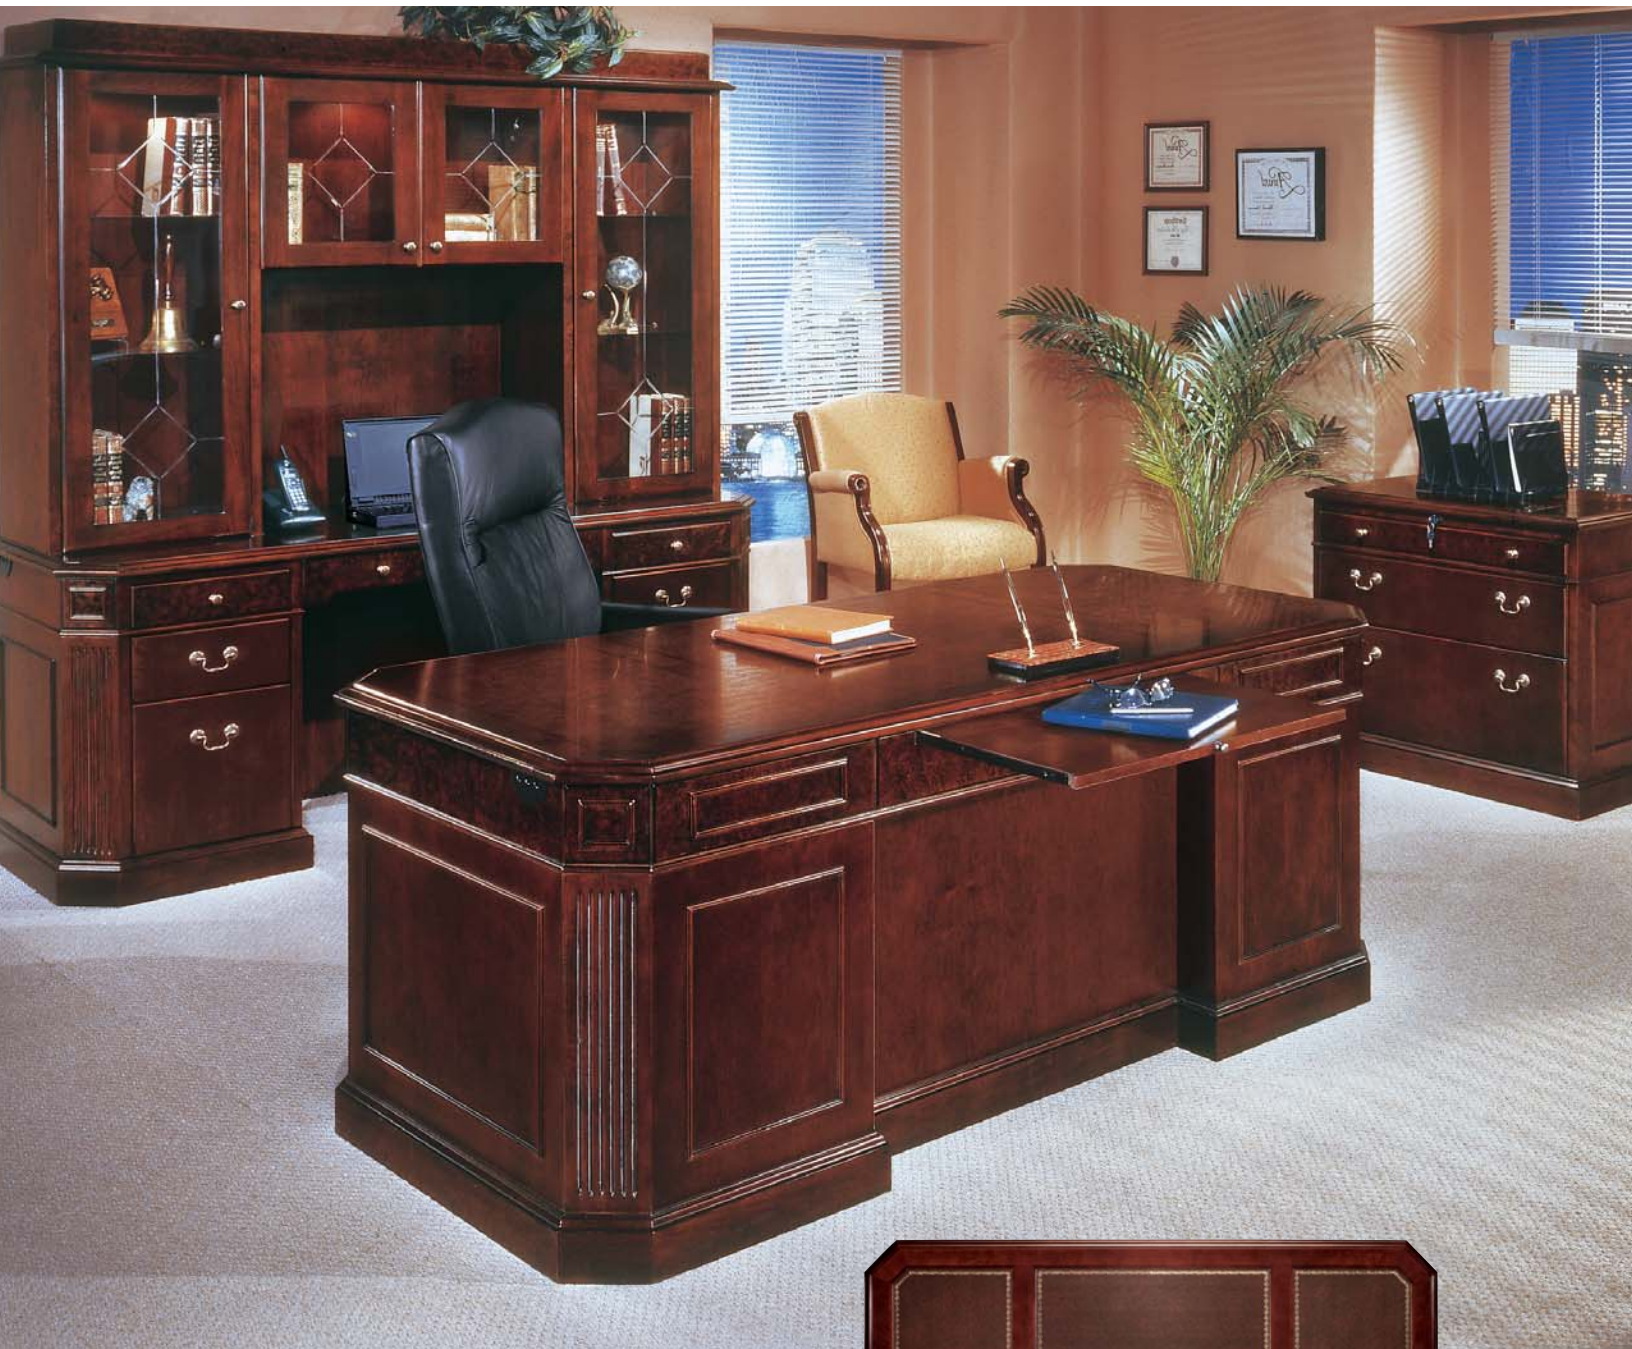

All desks, file cabinets, and credenzas have adjustable levelers to compensate for uneven floors.

PIMLICO 7020

Laminate - With a sleek and stylized design appeal, Pimlico combines a warm Mocha finish with satin aluminum finished bases and framed frosted or white glass modesty and door panels. Tops are separated from chassis with a satin aluminum finished reveal creating a 'floating' effect.

* Chairs pictured are no longer available.
See pages 48-49 for available seating.

Tops

Tops are 1.25 inches thick with TFL surfaces. The edges have a slight recessed angle for design appeal. Edges are PVC and are colored to match the surfaces. Tops are separated from the chasis with a satin aluminum reveal that enhances the design and appeal of the product. Substrate is wood and wood material.

Construction

Chasis is wood and wood products with a Thermally Fused Laminate surface and aluminum framed frosted glass modesty panels.

It features Camlock construction with screws and cleats for reinforcement and stability. Bases are made with satin aluminum.

Drawers

Drawers feature 4 sided melamine on MDF construction with pinned and glued joints. All drawers have metal roller bearing heavy duty suspensions. Box drawers have a 75lb load rating; file drawers have a 150lb rating. File drawers are equipped with metal rods for letter or legal sized hanging folders with front-to-back or side-to-side filing capabilities. Satin nickel drawer pulls compliment the other exposed metal of the items in the series.

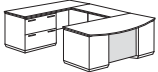

Adjustable Levelers

All desks, file cabinets, credenzas, and secretarial units have adjustable levelers.

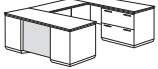

Specifications subject to change without notice.

WALDEN 7859

Veneer - A handsome Cocoa Cherry finish showcases details that are generous yet not overstated. Picture frame and base moldings create visual interest as do intricate veneer details and reverse diamond match veneer panels.
