In an effort to be more efficient in government spending and to save taxpayer dollars, this year's contract does not provide for any options other than the ones listed on the Standard Equipment Form. Any vehicles purchased that deviate from this list will be in violation of State Contract bid requirements. If you need any equipment other than what is listed on this form, you will need to follow normal purchasing procedures.

*Although Daytime Running Lights are free, you still must select that option if you want them.
