COM PROGRAM (CUSTOMER'S OWN MATERIAL)

COM APPROVAL

All COM fabric must be approved for use by Sitwell. It is recommended that a full yard of sample fabric be submitted for testing and approval prior to processing an order. Many fabrics are already pre-approved and do not require sampling. Please check with customer service for direction.

YARDAGE REQUIREMENTS

For plain, non-directional, solid color or non-patterned fabrics, please follow the yardage requirements printed in this price book for each chair. Some repeat or patterned fabrics may require additional yardage. Please contact customer service for information.

PRODUCTION SCHEDULING AND SHIPPING

COM fabrics will be scheduled immediately into production upon receipt of the fabric at our plant location. Most orders will ship within 5 days from that point.

SUBMITTING COM FABRICS

For identification purposes it is important to reference the dealers name and purchase order number on all fabric rolls. Fabrics that require special application or direction must be clearly explained by completion and submission of the form on the following page. It is very important to follow all instructions listed regarding submission of COM fabric.

PLEASE NOTE

COM fabric will be inspected at our plant for quality issues, however, Sitwell will not be held responsible for defects, color or dye lot variations or material flaws regarding COM fabric. Excess yardage will not be returned unless otherwise requested. A written request must be received within 60 days of order shipment for return of extra yardage. Shipping charges are applicable.

CUSTOM FABRIC REQUESTS

In certain situations, Sitwell may be able to purchase and grade into our pricing program a fabric on your behalf. Please contact customer service with your request.

For COM fabrics with a directional or Pattern matching required add \$65 List. Standard up-charge for contrasting material you must use the higher grade material. If combining materials in the same grade, add \$60 List.
