STEEL

Uptown, downtown, or even outdoors. Yep, we've got the ticket. No matter where you put them or how hard you work them, our steel chairs are tough to beat.

DIY: DESIGN IT YOURSELF
The Mojo, Leigh, and Gracie Collections are all part of our *Design It Yourself* category. Just send us a sketch of your design, and we can incorporate almost any shape, inlay, cutout, upholstery treatment, or graphic into the chair back. Or, make it easy on yourself and check out our incredible range of back options online.

FELIX
Available in wood or laminate shell.

MAMA MELISSA
This extended seat sizing option is available in any variation shown in the Melissa Anne Collection.

NESTING
Nesting is available in the Emma, Felix, Gracie, Jill, Leigh, Liz, Melissa Anne, and Mojo Collections. See website for details.

WOOD

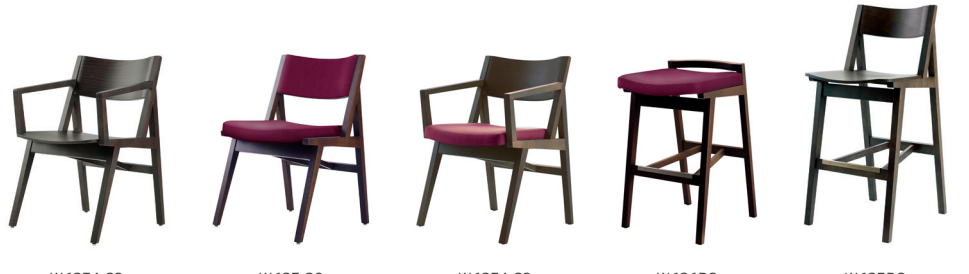

It's no wonder everybody loves wood. Just look what you can do with it. Angles, curves, and natural grain highlighting every piece. Ooh, show me more.

MAMA MELISSA
This extended seat sizing option is available in any variation shown in the Melissa Collection.

MELISSA
All foot protector bars come standard in stainless steel, but we can substitute brass if you prefer.

NESTING
Nesting is available for certain styles in the Mama Melissa and Melissa Collections, as well as the Lena chair. See website for details.
