ReGENCY
SEATING

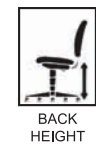

chairFUNCTIONS

360 degree swivel
Chair is able to rotate 360 degrees in either direction.

seat height
Chair's seat can raise and lower allowing the user's feet to remain flat on the floor.

back height
Chair back can be positioned in a range of heights that adds support to the users back.

back flex
Chair back reclines as the seat remains in a fixed position.

seat depth
Slide mechanism allows the user to adjust the distance between the seat and the back.

center tilt
Central pivot point allows the user to recline seat and back of chair at a fixed angle.

2:1 synchro tilt
Back reclines at a 2 to 1 ratio with the seat for a more comfortable angle.

knee tilt
Pivot point near the front of the chair allows the user to recline with feet remaining flat on the floor.

independent tilt
Control the seat back angle, forward tilt and infinite tilt positioning independently.

forward tilt
Adjust seat angle forward and rearward to improve posture for keyboard tasks.

tilt tension
Allows user to adjust the amount of force that it takes to adjust the seat back angle.

tilt lock
Locks the chair's back angle and inhibits it from being repositioned.

infinite tilt lock
Allows the user to adjust and lock the chairs tilt in an "infinite" amount of angles.

arm rotation
Rotate the arm position to accommodate the angle of your forearm in keyboard tasks.

arm height
Raise and lower to support users forearms and reduce neck and shoulder stress.

arm width
Increase and decrease the gap between arm rests to accommodate arm separation.

- Regency chair functions are denoted by these symbols on each product.
- Back Height, Arm Height and Overall Dimensions are measured from the floor when the chair is in its lowest position.

TAA compliant* metals are approved for federal offices and U.S. government buildings.

Products with reinforced framing and larger seat dimensions.

Customize your very own office furniture with a choice from over 50 unique patterns.

These products prevent odor causing microbial growth based on powerful elemental ions known for their antimicrobial properties.

DISCLAIMER: Antimicrobial protection is limited to the treated article and does not protect a user against disease causing bacteria. Always clean products thoroughly after each use.
