# THE CHILDCRAFT® STORY.

Crafted for young learners. Crafted for a lifetime.

With origins dating back to Amish craftsmen in Lancaster County, Pennsylvania, Childcraft® still maintains the same renowned quality and pride in workmanship. From simple beginnings to hundreds of choices, it isn't the number of products that sets Childcraft apart from other brands. It's the uncompromising attention to detail, long-lasting durability and developmentally-appropriate designs that make educators choose Childcraft for their classrooms year after year.

## Top Ten Reasons to choose Childcraft® and Childcraft® Korner for Kids® furnishings.

5/8" thick, 11-ply all-birch plywood construction with smooth, rounded edges

1

Award-winning, 3-coat, UV-cured, acrylic finish holds up to repeated cleanings and resists marks from pens, paints, crayons, solvents, cleaners and bleach

3

2

Wood grain back panels are dadoed in place for added strength, and recessed for better appearance

4

Safety-tested, self-closing, pinch-proof hinges protect small fingers

5

No exposed fasteners on the side panels of most cabinets

# 6

Cabinets use reinforced dado and rabbet joinery. No other method of assembly offers better, or longer-lasting durability

# 7

Cubby units include removable shelves for easier cleaning and additional versatility

# 9

Reinforced toekicks conceal casters and offer added safety protection for small fingers and toes

Only the highest grades of solid maple are used for table legs and aprons

# 8

# 10

Heavy-duty plate casters feature non-marring, hard PVC wheels for long-lasting, trouble-free use

California Air Resources Board (CARB) and Greenguard Gold Certified. Safety tested to CPSIA standards using ASTM F963

## Toddler Model Classroom

Toddlers are active learners with very special needs. They love to assert their independence and make decisions within a safe, well-supervised space. Room to explore actively and spaces to quietly regroup with a story or favorite toy are all part of a successful toddler learning environment. Our blueprint for a Toddler model classroom includes both furnishings and materials to delight little learners and ease routines for their caregivers. Designing safe and interesting learning spaces for toddlers sets the stage for life-long learning.

Childcraft can help you create exciting, engaging learning spaces, from the highest-quality furniture to our complete selection of age-appropriate learning materials. Our Projects by Design® service is a comprehensive, turnkey solution to help you equip new and renovated learning spaces. Since 1993, Projects by Design has designed and managed more than 6,000 turnkey school building projects – both nationally and internationally.

Contact our experts for assistance with designing your space, selecting the right furnishings and providing full service support throughout the multi-step process – at no extra cost to your district.

Roll-N-Ride

Two Roller Sections  
Make a Bridge...

...or a Teeter-Totter!

## an Abilitations CREATION

### Roll-N-Ride™

As Versatile As It Is Fun!

Roll-N-Ride is a durable, safe and fun addition to your sensory motor space. Children can work on bilateral coordination while pulling themselves up the ramp. Tummy sliding, great for extension patterns, is safe due to the unique level exit of the slide. The foam rollers provide a rhythmic bumpy sensation that engages and calms children. Ideal for students with attentional issues, behavioral difficulties and autistic spectrum disorders. This versatile equipment can be configured as a bridge or a teeter-totter. Quality birch construction. Simple assembly required, hardware and instructions included.

**Roll-N-Ride** includes two Roller Sections and one Step Unit. Measures 122"L x 25 1/2"W x 50"H.

**Roll-N-Ride Jr.** - Designed for younger children and crawlers, as well as those emergent walkers. The rollers can easily be removed from the steps to make a mini-bridge or rocker. Includes one Roller Section and one Ramp. Measures 96"L x 25 1/2"W x 27"H.

**Roll-N-Ride Roller Section** - Combine two Roll-N-Ride Roller Sections to create a bridge or a teeter-totter. Each section measures 47 5/8"L x 24"W x 9 1/2"H.

### Scooterboard Ramp

For Scooters & More!

Everyone loves our Ramp because of its smart design! Assembles without tools in less than 3 minutes! The glide DOWN is extra-smooth as scooter joins the floor. The unique T-shape on the safety edges allows a child to build upper body, grip and core strength as they pull themselves UP the ramp. Therapists love attaching a rope and increasing bilateral coordination as the child moves back UP the ramp. Sensory seekers like to use cornstarch on the smooth wood and skip the scooter boards all together! Classic tool...even better! Overall Dimensions: 87 1/8"L x 21 1/2"W x 14 1/2"H. Ramp is 52 1/4"L and is a 13° angle. Base is 35 3/4"L.

### Stairs and Bridge

A Developmental Must-Have!

How have you made it without Stairs in your room? Place the set of stairs back to back for the classic ascending and descending assessments. This developmental set is even more versatile with this engaging, wide, walking Bridge. Give kids confidence as they cross over the "river". Some children enjoy riding scooter boards under the bridge. Thoughtful construction means the stairs have hidden wheels that make it simple for setting up obstacle courses or moving the equipment across the room. Quality birch construction. Each step is 6" H and 8" deep. Stairs and Bridge are 18"H and 17 1/4"W. The Bridge is 38"L. When unit is assembled it is 92"L.

## CLASSROOM SELECT

### Classroom Select™ LockEdge Activity Table

Cafeterias, libraries, and meeting rooms all require tables in different sizes, colors, shapes, and heights. Classroom Select provides high quality activity tables to meet your needs, backed by a limited lifetime warranty because we use only the highest quality, tested and approved components. Tops are constructed of a 1 1/4" MDF core with high pressure laminate surface, balanced with a phenolic resin backer sheet. The top is finished with a black LockEdge and black upper frame. Chrome leg inserts create tables that are height adjustable on 1" centers from 22" to 30" or 15" to 24". **Quickship available in Gray Nebula, Bannister Oak, Royal Blue and Montana Walnut in 22" to 30" or 15" to 24" adjustable leg heights.**

## HOW TO CALCULATE YOUR FREIGHT CHARGES

### Items shipped within the contiguous 48 United States

#### Parcel (item numbers with 7 or 9 prefixes)

- Free shipping and handling on orders \$49 or more. Free shipping calculation is based on the subtotals of item numbers with 7 or 9 prefixes, before any additional discounts are applied.
- For subtotals less than \$49, the shipping & handling charge is \$9.95.

#### Truck/Freight (item numbers with 6 or 8 prefixes)

- Shipping and handling charges are 15% of the subtotals of the item numbers with 6 or 8 prefixes, after any discounts are applied, with a \$99 minimum charge. If the subtotal is greater than \$1,000, please call 1-877-350-0645 for a freight quote.
- Inside delivery request (Beyond the delivery door or to a special location in the building) – Add \$45 per order.
- Lift gate delivery request (Special handling equipment required to move order from truck) – Add \$69 per order.

### Items shipped to Alaska and Hawaii

Important changes to our Alaska and Hawaii shipping policy are now in effect. Please visit [SchoolSpecialty.com/er-shipping-policy](http://SchoolSpecialty.com/er-shipping-policy) for detailed information.

### Items shipped internationally and to US Territories

- Call Customer Care for quote: 1-419-589-1425
- Delivery times and methods vary based on location and order.

#### APO/FPO/DPO

- Shipping and handling rates follow contiguous 48 shipping policies.
- Orders are shipped using U.S. Postal Service via Standard Post.
- Individual items that exceed shipping size restrictions for the U.S. Postal Service will require an alternate physical shipping address and may be subject to additional fees.
- Contact International Customer Care at 1-419-589-1425 for further information.

### Additional notes on item legends

Some items are noted with alpha codes and have the following shipping & handling requirements:

#### Item Number Legend:

### Additional information regarding shipping, handling, and surcharges

We reserve the right to determine the method used to fulfill your order and special orders may incur additional shipping and handling fees. Special orders include, but are not limited to, "inside delivery," "lift gate," and "hazardous material delivery." If you have any questions on shipping & handling charges, please contact Customer Care: 1-800-631-5652. We reserve the right to impose a fuel surcharge as conditions warrant. Delivery fees are subject to change without notice. Standard delivery terms shall be F.O.B. origin. Ownership and title shall pass to Buyer when products are delivered to Carrier unless otherwise agreed to in writing.

### Easy terms for new accounts

Send a full credit application (download on [SchoolSpecialty.com/contact-us](http://SchoolSpecialty.com/contact-us), or call us direct) and a check to expedite your first order. For individual orders, we accept Visa, MasterCard, American Express, Discover, or checks (no cash, please).

**Sales tax** – Please include sales tax for all sales using credit cards or personal checks.

**Payment terms** – All items shipped and billed are due for payment within 30 days of our invoice date.

### Current price and product information

Although we intend to maintain prices during the life of this catalog, we reserve the right to revise prices, limit quantities and correct printing/pricing errors at our sole discretion. If a product is displayed or described inaccurately, we will attempt to notify you before processing your order. Please see our website [SchoolSpecialty.com](http://SchoolSpecialty.com) for the most current pricing available.

### Important tips for receiving your order

- Count your cartons and sign only for those received. If you experience a shortage, note it on your packing slip and call our Customer Care Advocates.
- Immediately inspect for external and internal/concealed damage. If you notice damage, keep merchandise and shipping cartons and notify Customer Care within 10 days. (After 10 days, carriers no longer accept claims.)
- Locate your packing list.
- Open "mixed" cartons, being careful to prevent discarding smaller items along with packing material.
- Record any errors on the packing list and call Customer Care at 1-800-631-5652 with discrepancies.

### Return policy

Childcraft® and Childcraft® Korner for Kids® products feature an environmentally-safe, UV-cured, acrylic finish that is so durable, it's impervious to damage by water, cleaning solutions, alcohol and bleach. Similar to gymnasium floors, this finish is smooth to the touch, is scratch-resistant and will never crack or yellow. Our solvent-free, finishing process reduces air emissions by over 90 percent, contributing to a safer environment for children.

Childcraft®, Childcraft® Korner for Kids, Classroom Select™ and Royal Seating™ furnishings meet stringent criteria for air quality and low chemical emissions.
