WARRANTY

OFS seating products are guaranteed to be free from defects in design, material and workmanship, given normal use and proper care, for 12 years of single-shift service with the exceptions noted below. OFS will repair or replace, at our discretion without charge to the original purchaser, any product or part thereof which fails as the result of such a defect during the warranty period. OFS assumes no responsibility for repairs to products that result from user modifications, attachments to a product, misuse, abuse, alteration or negligent use. Except as stated above, OFS makes no expressed or implied warranties as to any product, and, in particular, makes no warranty of merchantability or of fitness for any particular purpose. OFS shall not be liable for consequential or incidental damages arising from any product defect.

- All components not listed below **12 years**
- Casters/pneumatic lifts. **2 years**
- Foam padding. **2 years**

This warranty does not cover:

- Damage caused by a transportation company.
- Natural variations in color, grain or texture of wood and other covering materials over which OFS has no control.
- Fabric color matching, fabric puddling, fastness of colors or wearing qualities of any material.
- Freight or other shipping charges on returned product or parts, labor and service.

PRICES

All prices herein are list prices including delivery to one destination, effective with the date printed on the cover, and supersede all other published price lists. US List Prices are domestic prices only for shipment within the Continental United States. Prices are subject to change without notice, unless quoted in writing. Possession of the price list does not constitute authority to sell or offer for sale OFS products.

ACKNOWLEDGMENTS

Orders are acknowledged upon receipt of credit approval. Your acknowledgment is a detailed description of items, prices, shipping information and shipping date. Please read your acknowledgment closely and notify OFS immediately of any discrepancies. OFS is not responsible for errors on orders placed by phone without written confirmation.

AVAILABILITY

OFS is committed to the fastest possible shipment of all products. All other items are available within our normal manufacturing schedule. For information on stock availability, call our customer service hotline 800-521-5381.

Note: Planned shipping dates may be delayed due to fires, strikes, natural disasters or other causes beyond our control.

QUANTITY ORDERS

Contact your OFS Customer Service Representative to verify inventory and production schedules to ensure requested shipment date prior to placing large quantity orders.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. point of shipment, freight prepaid and allowed, excluding fuel surcharges. Shipments outside of the Continental United States are freight prepaid and allowed to port of exit. OFS reserves the right to select the most appropriate carrier and routing on all shipments; however, we will try to accommodate requests for your preferred carrier. OFS reserves the right to implement a fuel surcharge. Orders of less than \$1500 net will be assessed a handling charge of \$100 net per order. Any charges arising from failure to receive a shipment, rerouting while in transit or carrier storage charges are not included in prices shown. Orders requiring special services are subject to an additional charge.

These services include:

- Reconsignment from original destination to new destination. **\$35 plus \$3.00 per mile net**
- Refused/Returned Freight
 - Freight refused at destination and returned to OFS. **Double Freight**
 - Freight refused at time of delivery; returned to OFS to deliver at a later date **Triple Freight**
- Detention Fees (after 2 hours of waiting) **\$85 net per hour**
- Weekend delivery available Friday after 3:00 p.m. through Sunday night or Holiday **\$600 net per truck**
- Customer Pickup
 - Customer Request for 3rd party to pick up freight at OFS terminal. **\$125 net**
- Change of Tags/Address/Phone #'s on Shipments **\$35 net**

SPECIAL ORDERS

The OFS line of office furniture is among the most complete in the industry. However, should a particular need arise requiring size modification or customization, contact your Customer Service Representative for a price quotation. Because of the uniqueness of the product, special orders are not subject to cancellation.

CANCELLATION AND ORDER CHANGES

All orders accepted by OFS are considered firm and binding and are not subject to cancellation.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond fourteen (14) calendar days after the order is ready for shipment at your request, a .067% per day (2% per month) storage charge will be assessed. The effective date will be fourteen (14) calendar days after the order is ready for shipment, as long as this date is after the acknowledged ship date. Further, the prices applied to the order will be those prices in effect at time of shipment.

EXTENDED PRODUCTION AND SHIP DATES

Orders placed with OFS with extended lead times as requested by you will be subject to price in effect at time of shipment.

DAMAGED MERCHANDISE AND FREIGHT CLAIMS

1. Inspect all cartons for damage and carton quantity. All shipments are delivered to the transportation company in good condition; OFS's liability ceases at this time. Do not refuse merchandise damaged in transit. Instead, enter a claim with the transportation company.
2. Record damages and/or shortages on the bill of lading and freight bill. Do not accept the shipment until all shortages are noted on both the bill of lading and the freight bill. Sign only for the items you receive. If you give the delivering carrier a clear receipt for a shipment, the carrier is relieved of further responsibility.
3. If concealed damage is found: Notify the delivering carrier at once and request an inspection. For shipments via Styline Logistics, notify your OFS Customer Service Representative. This must be done within fifteen (15) calendar days of delivery. Without this inspection the transportation company will not entertain a claim for loss or damage. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted the carrier, noting the time and date, and that the carrier failed to comply with your request. All shipping cartons and inner packing must be retained for carrier inspection. Do not move the damaged merchandise from the receiving location. It must also be retained for the inspection.

RETURN OF MERCHANDISE

OFS will not accept returned merchandise without a signed Return Authorization (RA) issued by our Customer Service Department. All returned merchandise must be properly packaged and cartoned to prevent further damage. Carton must be clearly marked with identifying RA number so that proper credit can be issued. We will consider issuing RAs for the following reasons:

- Manufacturing defect (must be inspected by a OFS Sales Representative)
- OFS order processing error
- Shipping error
- Duplicate shipments
- Mismarked cartons

All merchandise must be returned within thirty (30) days of the date of the RA to receive credit. Freight damage, signs of usage, missing parts, etc. will be adjusted on the amount of credit to be issued.

REPAIR CHARGES

Reimbursement from OFS for repairs must have prior approval.

FINISH

The patented Euroluxe™ finish is a chemically re-engineered Urethane clear coat that preserves the beautiful depth and clarity of OFS Brands' finishes, but allows for much greater performance with chemical and scratch resistance, as well as the complete elimination of dangerous formaldehyde emissions. The

Euroluxe™ finish system achieves indoor air quality standards set by LEED and BIFMA furniture emission standards and allows all products to achieve SCS Global Services' Indoor Advantage Gold Certification. SilverBan™ technology is an antimicrobial utilizing silver ions infused into the Euroluxe™ wood finish for antimicrobial protection on all exposed wood surfaces. SilverBan™ inhibits the growth of mold, mildew, fungus and bacteria on wood surfaces, as well as odors caused by bacterial growth, by 99.99%.

CUSTOM FINISH COLOR

Custom finish matching is available for special requirements. OFS must be provided with a suitable 8" x 10" or larger finish sample. However, custom finishes can be developed to meet specific needs. There will be a \$300 net upcharge per order for new custom finishes (waived on projects of \$100,000 net price or more). Custom finish upcharge for repeat or additional orders will be \$150 per order, even when the upcharge was waived on the original project. Custom finish matches are valid for 12 months from sample date. After this time period, custom finishes must be rematched and reapproved for use.

FINISH DISCLAIMER

Wood is a natural product and minor variations in wood color, grain and texture may be visible even though the pieces are finished at the same time. Also, light finishes when exposed to ultraviolet rays may darken and change color. These are not defects in finish, and merchandise cannot be replaced because of these natural variations.

BIFMA AND ANSI TESTING

OFS is a member of the Business and Institutional Furniture Manufacturer's Association. Tests developed by BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, OFS products within this price list generally meet or exceed applicable BIFMA and ANSI standards.

MODIFICATION PRICING

Modifications must be clearly designated on customer's purchase order by placing the letters MOD and modification # in front of the model number and noting the modification needed.

Example: MOD#11-58141-MLC-WM-4 Hue Dandelion & 2 Origin Indigo with 2 fabrics

FIRE RETARDANT PRODUCTS

FIRE RETARDANT PRODUCTS

California Technical Bulletin 117-2013: All OFS upholstered seating products and the resilient filling materials used in the upholstered seating products meet or exceed the requirements of the State of California, Department of Consumer Affairs, Technical Bulletin 117-2013. Compliance with these requirements is indicated by the label attached to the seat bottom.

Flame Retardant Chemicals: All standard OFS upholstered seating products are offered with components, as identified in TB117-2013, that are free of flame retardant chemicals. All OFS upholstered seating products will indicate Flame Retardant chemical composition in accordance to the labeling requirements of California Senate Bill 1019.

California Technical Bulletin 133: Cal TB 133 is a flammability test for seating products used in public spaces. The testing procedure for Cal TB 133 requires the burning of an entire product since the test is a composite test and not a component test. OFS has pretested and certified many different chair styles and upholsteries. If Cal TB 133 certification is required, a burn test may need to be completed with a specific model and upholstery combination. Contact Customer Service for Cal TB 133 approval, pricing and lead times.

OFS can not be held liable if purchase order does not indicate a requirement for Cal TB 133 compliance.

Boston Fire Code: Please contact OFS Customer Service if compliance is required.

COM AND COL

COM/COL ORDERING INSTRUCTIONS

All COM and COL materials must be submitted to OFS Brands for preliminary approval prior to shipment of fabric or leather. OFS Brands approval signifies only that such materials can be applied to the products for which they are intended. Such approval does not constitute any responsibility nor any warranty on the part of OFS Brands as to the appearance, behavior or durability of the COM or COL.

1. Send 4" x 4" swatch for approval to: OFS Brands, Attn: Customer Service, 1204 East 6th St., Huntingburg, IN 47542
2. Send a swatch along with the order to: OFS Brands, Attn: Customer Service, 1204 East 6th St., Huntingburg, IN 47542. This sample is used to verify that the correct fabric is received. It is not used for application approval.
3. Specify the COM or COL supplier's company name, pattern, color and number.
4. The COM or COL supplier must include the dealer name and purchase order number on all packing lists.
5. Include application instructions for striped, plaid, patterned or unusually designed fabrics (i.e. direction of stripes) and which face to use on reversible fabrics.
6. Ship COM or COL material to: OFS Brands Plant 3, Attn: COM Department, 105 West 10th Street, Huntingburg, IN 47542

COM and COL orders will be scheduled for production only upon receipt of production yardage. In the absence of a representative sample sent with the purchase order or application instructions, OFS Brands will apply the fabric in what it determines to be the best manner and cannot be held responsible after upholstery. **Excess COM/COL materials will be discarded at the discretion of OFS Brands unless otherwise instructed by the customer at the time the order is placed.**

COM YARDAGE REQUIREMENTS (RAILROADED FABRICS)

For clarification and convenience, OFS Brands has listed yardage requirements for non-directional COM and COL for each frame throughout the price list. Yardage requirements are based on 54" wide plain fabric. Extra fabric is needed to match any pattern with matching repeats. Use the chart below as a guide for additional COM yardage needed where repeats are involved.

Repeat	Percent of Extra Fabric Needed
1"-4"	Additional 10%
5"-9"	Additional 20%
10"-14"	Additional 25%
15"-19"	Additional 30%

Repeats larger than 19", fabrics less than 54" wide or fabrics requiring matching (stripes, plaids, prints, large patterns) will require additional yardage based on the fabric used and the item ordered. COM must be a single cut piece. Multiple pieces will require more yardage. A swatch showing one full repeat must be sent for yardage requirement instructions for these special circumstances.

COM APPLICATION

All COM fabrics are cut according to the fabric pattern at the discretion of OFS Brands unless otherwise directed by the customer.

COM FIRE RETARDANT PRODUCTS

OFS Brands assumes no responsibility for the fire retardancy of any COM/COL. Customers are solely responsible for making sure that their COM/COL complies with all applicable codes and regulations.

COL (CUSTOMER'S OWN LEATHER)

COL requirements are based on an average hide size of 50-55 square feet. Please consult the sales office for requirements on sizes different from this. All square footage requirements are based on usable footage. The shape of the hide and the usable footage may make it necessary for us to request more leather after your COL is received. Please note that leather is a natural product and variation in texture is a pleasing quality belonging exclusively to high grade, full top grain leathers. Due to the variation in thickness of leather, OFS Brands recommends sending a 4" x 4" swatch for approval. OFS Brands approval signifies only that such materials can be applied to the products for which they are intended. Such approval does not constitute any responsibility nor any warranty on the part of OFS Brands as to the appearance, behavior or durability of the COL. **Note: Calf hide requirements will vary based on the chair model selected. Please contact the sales office for pattern adaptability confirmation and square footage requirements prior to placing an order.**

PRODUCT CARE GUIDE

WOOD CARE

Careful craftsmanship combined with our Euroluxe finish makes your new OFS wood furniture incredibly durable, and with proper care your furniture will provide beauty and convenience for years.

All OFS products undergo rigid color-match procedures to ensure the best in color consistency.

- Dust frequently using a soft, damp, clean cloth, wiping with the grain.
- Remove liquid spills immediately, using a blotting rather than wiping motion.
- To clean, use a glass cleaner formulated with ammonia. Apply a small amount to a soft dry cloth and wipe in the direction of the grain. Dry with a soft cloth. Do not use furniture polish containing oil or silicone.
- Avoid prolonged exposure to direct sunlight, high humidity, extreme heat or cold and moisture.

LAMINATE CARE

- Avoid prolonged exposure to direct sunlight, high humidity, extreme heat or cold and moisture.
- Dust frequently with a soft, damp, clean cloth or mild detergent solution. Avoid using chemical or abrasive cleaning compounds.
- To avoid build up of cleaning agents, rinse the laminate surface with warm water and wipe with a clean damp cloth.

SEATING CARE

- Dust exposed wood parts frequently using a soft, damp, clean cloth, wiping with the grain.
- To clean wood, use a glass cleaner formulated with ammonia. Apply a small amount to a soft dry cloth and wipe in the direction of the grain. Dry with a soft cloth. Do not use furniture polish containing oil or silicone.
- To clean leather and vinyl upholstery, use a warm, damp cloth to restore a bright finish. For stubborn stains, use a moisturizing soap. Remove lather with a damp cloth, but do not rinse. Buff with a dry cloth.
- For fabric upholstery, use a damp cloth to wipe up spills. For tougher stains, contact your local OFS dealer for cleaning instructions.
- Avoid prolonged exposure to direct sunlight, high humidity, extreme heat or cold and moisture.
- The components of your OFS chair, such as controls, casters and understructure, require "common sense" care and cleaning as necessary.
- Activate chair mechanisms periodically to ensure proper function of moving parts.

ENVIRONMENTAL ATTRIBUTES

The patented **Euroluxe™ with SilverBan™ finish** is a chemically re-engineered Urethane clear coat that preserves the depth and clarity of OFS Brands finishes and achieves SCS Global Services' Indoor Advantage Gold Certification. SilverBan™ technology utilizes silver ions infused into the Euroluxe™ wood finish for anti-microbial protection on all exposed wood surfaces.

All OFS Brands products have achieved **SCS Indoor Advantage Gold Certification** from SCS Global Services. Indoor Advantage Gold certification is SCS Global Services' highest level of indoor air quality performance for furniture. The certification assures that furniture products support a healthy indoor environment by meeting strict chemical emission limits for volatile organic compounds (VOCs). To be certified, products must be tested by independent labs for compliance with the ANSI/BIFMA X7.1, and either ANSI/BIFMA e.3 or CDPH/EHLB Standard Method V1-1 for VOC emissions of concerns.

level® is the multi-attribute, sustainability standard and third-party certification program for the furniture industry. It has been created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. Taking into account a company's social actions, energy usage, material selection and human and ecosystem health impacts, level addresses how a product is sustainable from multiple perspectives. With level, customers can make informed choices about commercial furniture that exceed single attribute ecocertifications. The level brand identifies that a product has been vetted by an independent third party certifier and its numeric marking 1, 2, or 3 indicates what threshold of certification it has achieved. Manufacturers—big and small—now have a methodology to present the environmental characteristics in a clear, easily understood manner with a vernacular that gives end users the ability to make an “apples to apples” comparison.

SCS Global Services [**SCS**] has been providing global leadership in third-party quality, environmental and sustainability verification, certification, auditing, testing, and standards development for three decades. Its programs span a cross-section of industries, recognizing achievements in green building, product manufacturing, food and agriculture, forestry, power generation retail, and more. SCS is accredited to provide services under a wide range of nationally and internationally recognized certification programs. Consistent with its mission, SCS is a chartered benefit corporation and Certified B Corp™, reflecting its commitment to socially and environmentally responsible business practices.

The FSC® standards [**Forest Stewardship Council®**] represent the world's strongest system for guiding forest management toward sustainable outcomes. us.fsc.org FSC certified products are manufactured with material that comes from managed forests that are traceable from the time the logs are cut to the time the final project is installed and are recorded by way of a COC or chain of custody claim on all invoices. The demand for certified forest products has grown significantly in recent years. OFS Brands' goal to act as a responsible steward of the environment encouraged us to pursue our FSC Chain of Custody [COC] certification which would provide our customers (Dealer, A&D Community and End-users) the added reassurance they've done their part to be earth friendly in their product purchase and enable them to substantiate the LEED [**Leadership in Energy and Environmental Design**] Materials & Resources Credits for certified wood, in which the intent is to encourage environmentally responsible forest management. FSC certification is optional on many, but not all, OFS Brands' product lines. Please contact OFS Brands Customer Service for information in regards to which of our product lines are available as FSC certified, and what the necessary procedures are for ordering FSC certified products from OFS Brands.

OFS Brands' company-owned transportation company, Styline Logistics, is **SmartWay**-certified. SmartWay is one of U.S. Environmental Protection Agency's [**EPA**] clean air programs that uses voluntary, rather than regulatory methods, to achieve air quality benefits. SmartWay's focus is in the transportation sector, and encompasses products and services associated with fuel-consuming engines.

The "**Premium Indiana Forest Products**" brand tells everyone that there is an abundant, sustainable supply of the finest Indiana hardwoods to meet consumer demand. It also tells them that Indiana's forests are well-managed, legally-harvested and environmentally responsible. The logo is reflective of the wood itself. Indiana hardwoods display a depth that defies imagination.

When ordering options, a complete description of the option and its upcharge must be detailed on the order form.

Anzio is available as a lounge chair or as tablet arm seating.

Seat and back cushions are priced separately from the base, with price of each component based on graded fabric selection. The price of the cushions must be added to the base price of the chair to determine the total price of the chair.

This model can be ordered in the following configurations using the option specifications and upcharges as indicated:

- Lounge Chair with Wood Feet
- Lounge Chair with Front Casters/Rear Wood Feet
- Lounge Chair with Swivel Base
- Tablet Arm Chair with Wood Feet and Black Tablet Arm with Black Underseat Storage Shelf
- Tablet Arm Chair with Wood Feet and Wood Veneer Tablet Arm with Wood Veneer Underseat Storage Shelf
- Tablet Arm Chair with Front Casters/Rear Wood Feet and Black Tablet Arm with Black Underseat Storage Shelf
- Tablet Arm Chair with Front Casters/Rear Wood Feet and Wood Veneer Tablet Arm with Wood Veneer Underseat Storage Shelf
- Tablet Arm Chair with Swivel Base and Black Tablet Arm with Black Underseat Storage Shelf
- Tablet Arm Chair with Swivel Base and Wood Veneer Tablet Arm with Wood Veneer Underseat Storage Shelf

When front casters are specified, a coordinating pull will be installed in the chair back for easy mobility. **Note:** Casters are shipped with a pin locking the casters in the forward position. Casters must remain pinned in the forward position when seating is in use to avoid tipping.

Voice and data power module can be specified as an option on any tablet arm configuration and will be placed on the same side as the tablet.
