Overview - Configured Casegoods

Simple to specify and easy to install, Slate Configured offering combines technology integration with collaborative and organization solutions while creating a modern aesthetic.

1 Desks

A variety of Desk styles. Address storage and meeting solutions, or height adjustment. See below for details.

2 Credenzas or Returns

Available in two drawer styles – flush or overlay (shown). Pair Credenzas with Bridges to create U-shape back workwalls.

3 Highback Organizer

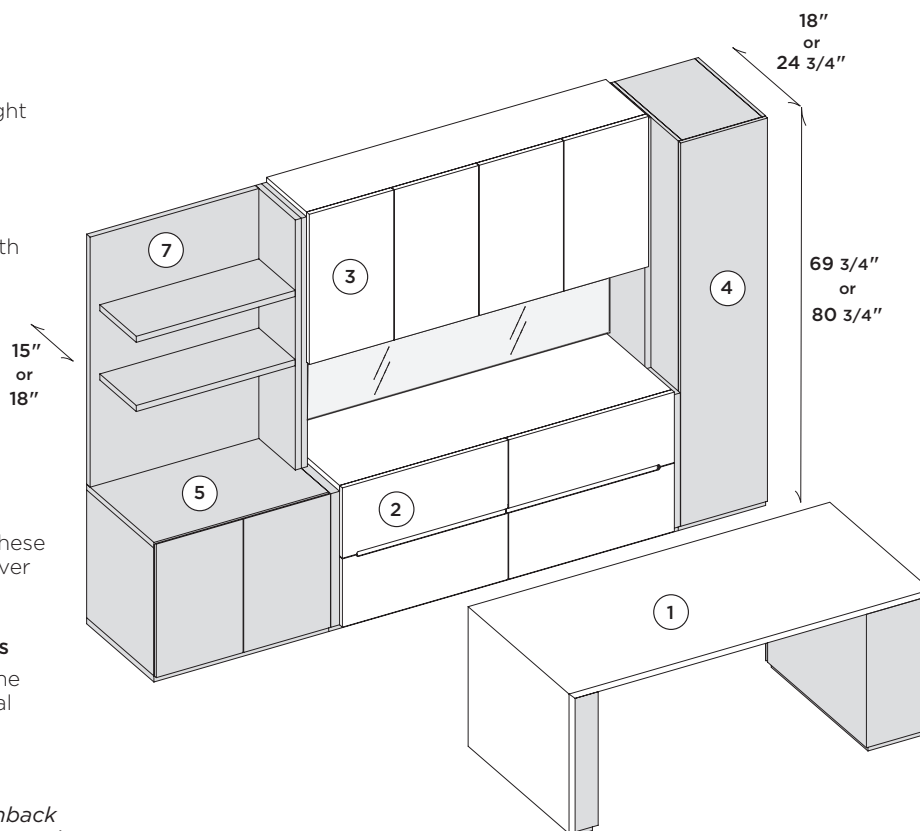

Offered in two heights and two door styles – overlay (shown) and flush. See below for details, and recessed task light option.

4 Tall Storage Cabinets

Available in two heights and depths, these units offer wardrobe, shelving and server interior options.

5 Modular Pedestals and Workwall Tops

Place next to Configured product at the end of a workwall to provide additional storage solutions.

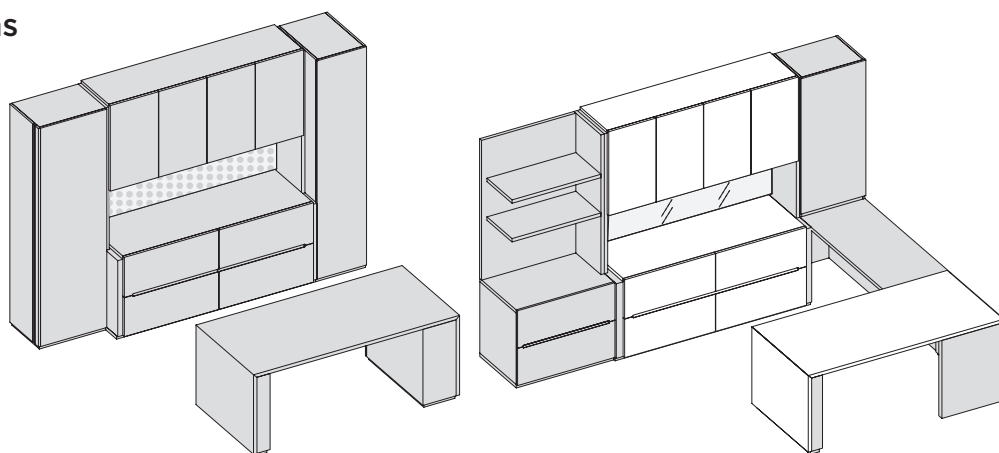

Design Tip: When Credenzas and Highback Organizers with the Overlay Detail are used together, always match the finishes on these units – all veneer or veneer w/ painted overlay.

Design & Finish Options

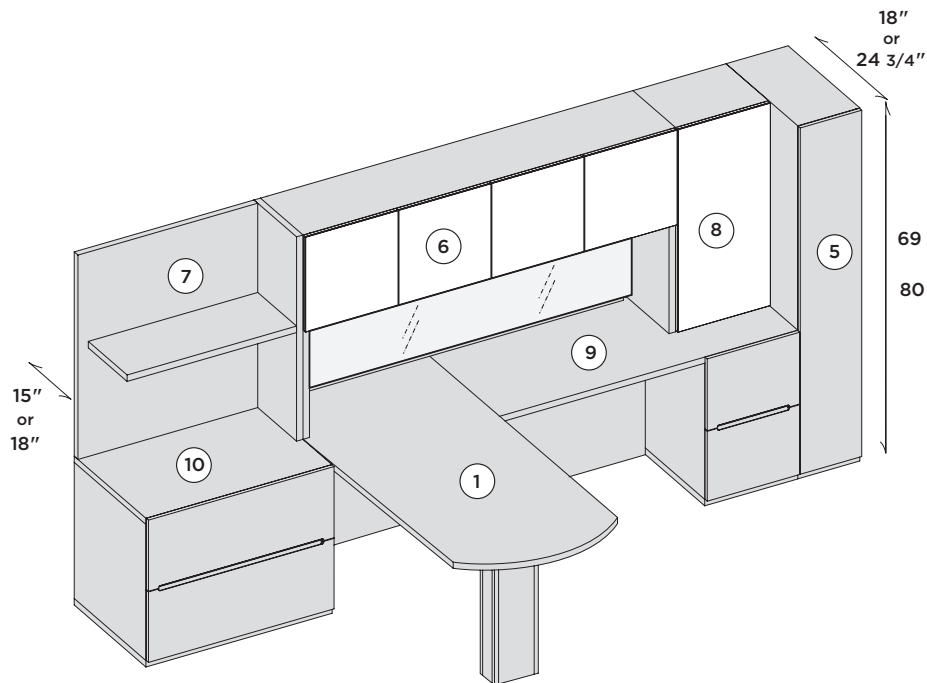

-  Veneer
-  Paint
-  Glass
-  Textile

Design Tip: To enhance Overlay Detail, pair with Tall Storage of equal chassis depth (18\") or Wall-mounted Shelf Enders or Ender Panels, and specify a contrasting paint finish.

Freestanding desk, back workwall

U-shape, back workwall

**6 Highback Organizer**

Offered in two heights and two door styles – overlay and flush (shown). Finish options available for doors and back panels.

7 Open Shelf Organizer, Ender

Connects to Highback Organizers, at the end of a workwall and stacks atop standard height (29.25") units to create a floating shelf appearance.

8 Tower Storage

Sit atop standard height units, and next to Highback Organizers.

9 Returns

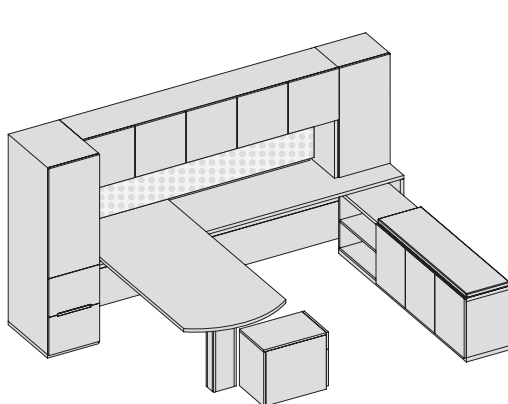

Returns with pedestals or files are available in the flush drawer style only. Returns and Return Shells feature a kneespace access panel, and can be used to create L-shape and U-shape side workwalls.

10 Lateral Files

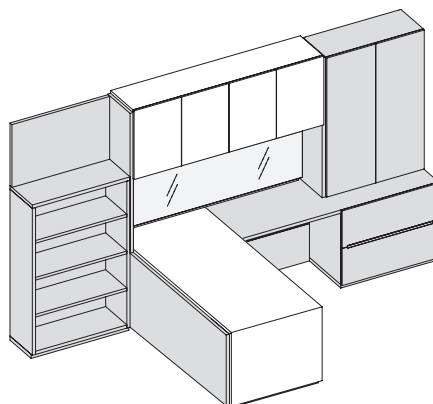

Can be added at end of workwall to increase filing capacity.

Design Tip: Always match Credenza or Return drawer style with highback organizer door style – flush or overlay.

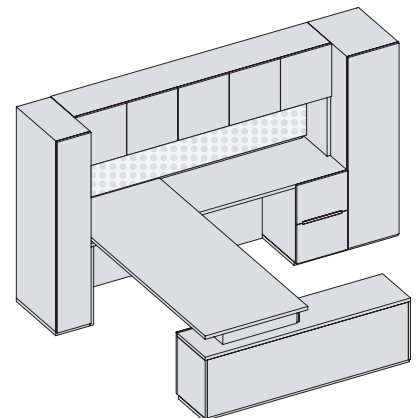

Design Tip: Overlay style Highback Organizer, pairs well with Overlay desks in an L-shape side workwall.

U-shape, side workwall

L-shape, side workwall

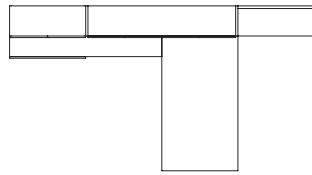

U-shape, side workwall

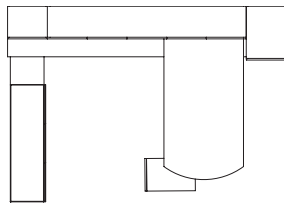

Planning - Configured Casegoods

Slate Casegoods features desks, credenzas, highback organizers, and tall storage designed to address a variety of work styles and spaces. Designing and specifying a Slate workstation can be easy when you follow the information provided below.

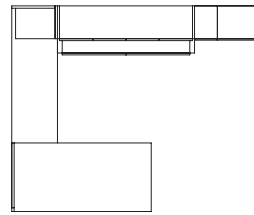

Configurations

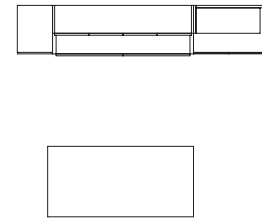

L-shape, side workwall

U-shape, side workwall

U-shape, back workwall

Freestanding desk, back workwall

Workwall Heights

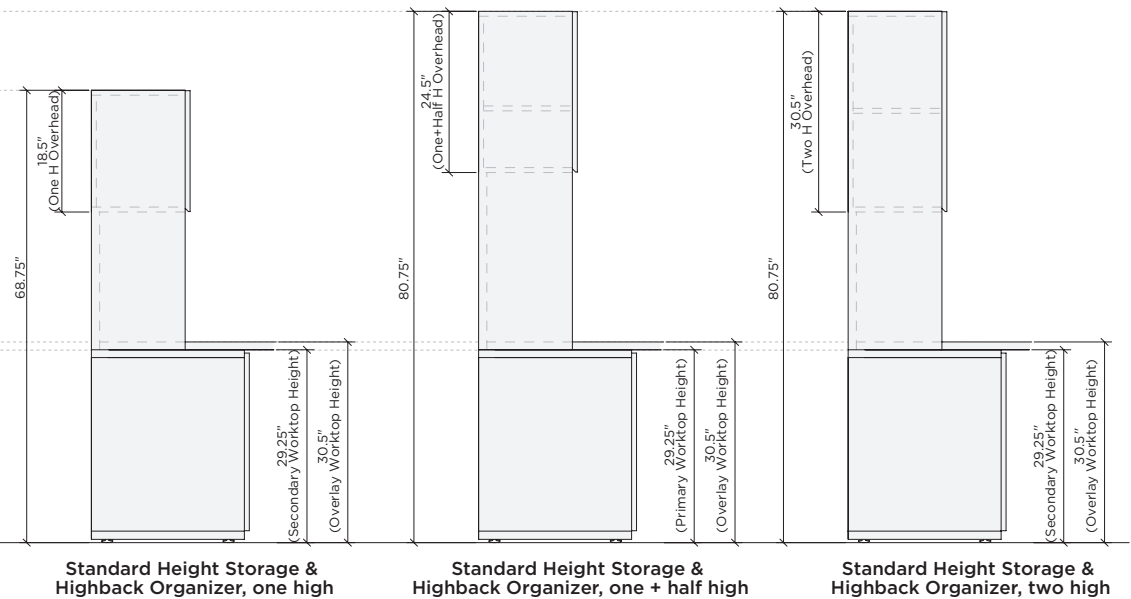

80 3/4" High

68 3/4" High

Overlay Height (30 1/2")

Worksurface Height (29 1/4")

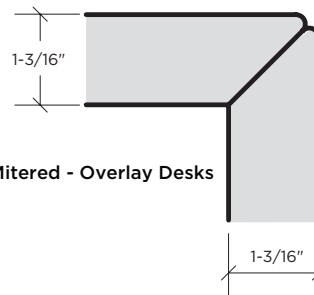

Floor

Edge Detail

Square - Workwall Tops & Desks

Mitered - Overlay Desks

Desks

Double Pedestal & Table

Pair freestanding Desks with Back Workwalls to address a variety of workstyles and in-office conferencing.

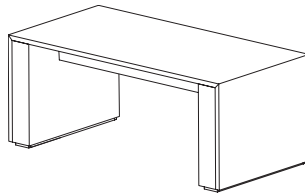

Table Desk

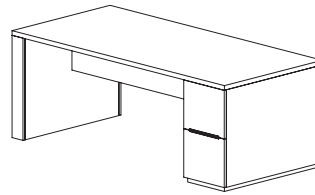

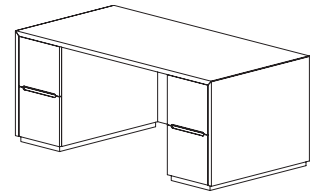

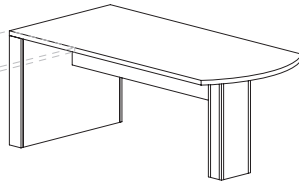

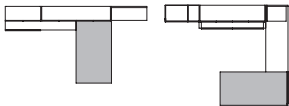

Table Desk w/ Pedestal

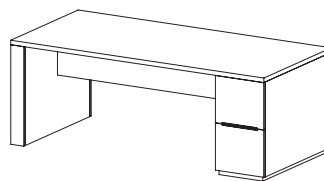

Double Pedestal

Single Pedestal & Peninsula

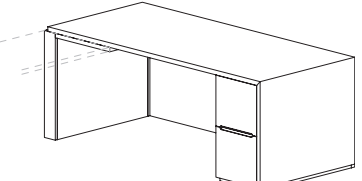

Combine with Bridge to create a U-shape back workwall or combine with Returns to create an L-shape or U-shape side workwall. Peninsula Desks provide a flush worksurface height. Single Pedestal Desk features the overlay height detail.

Peninsula w/ Post

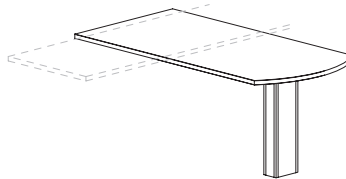

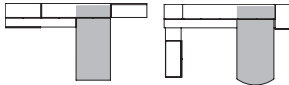

Peninsula w/ Pedestal

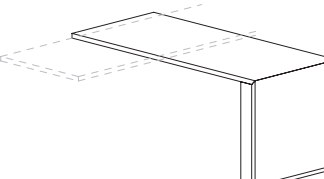

Single Pedestal

Run-Off

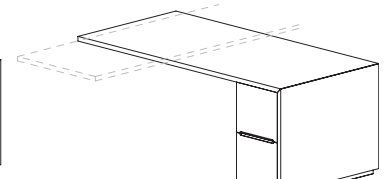

Place Run-off Desks atop Return Shells to create L-shape and U-shape side workwalls with the overlay height detail.

Peninsula w/ Post

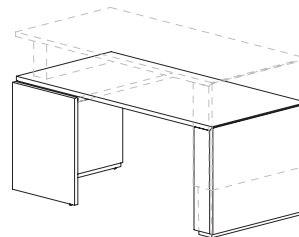

Overlay w/ Panel

Overlay w/ Pedestal

Height Adjustable

Combine the Work Table Desk with Bridge to create a U-shape back workwall or combine with Return to create an L-shape side workwall. Pair Table Desk with Back workwalls.

Pedestal Options

Integrated Side Pull

Desk pedestals feature an integrated side pull and offer a standard box/box/file with a tech drawer option.

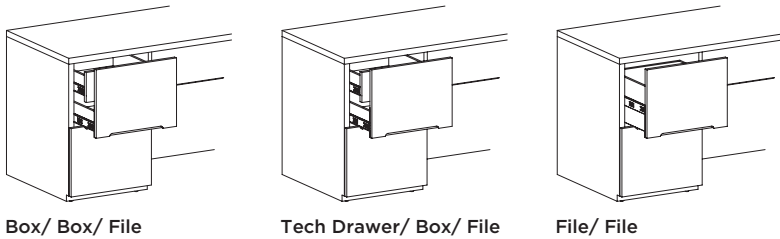

Box/ Box/ File

Tech Drawer/ Box/ File

Integrated Center Pull

Desks, Returns and Credenzas offer a file/file or a box/box/file with a tech drawer option.

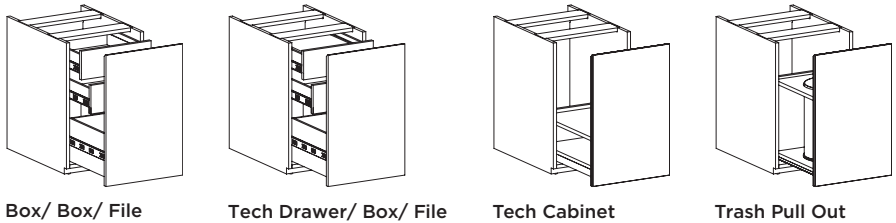

Box/ Box/ File

Tech Drawer/ Box/ File

File/ File

Integrated Top Pull

Modular Cabinets with Workwall Tops can be used at the end of a Configured workwall. Cabinets feature an integrated top pull and can be specified in the functional options shown.

Box/ Box/ File

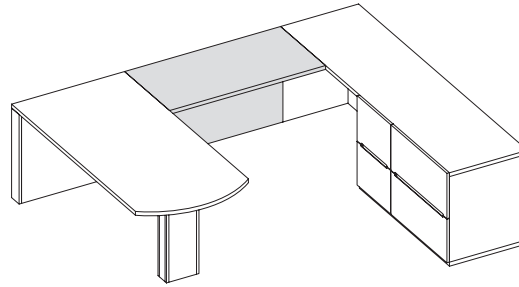

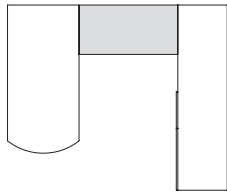

Tech Drawer/ Box/ File

Tech Cabinet

Trash Pull Out

Bridges

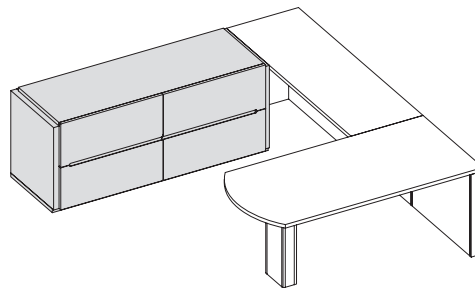

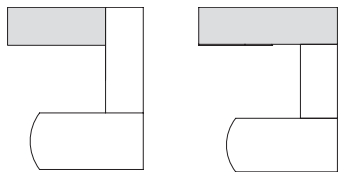

Bridges connect Desks to Credenzas, and are used in U-shape back workwall layouts. Available in two styles: top only or top and back panel.

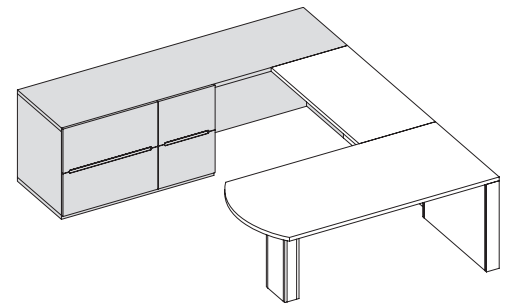

U-shape

Credenzas

Available in two drawer styles – flush (shown) or overlay. Credenzas with kneespace offered with access panel or finished back. Pair flush Credenzas with Bridges or Overlay Credenzas with Returns to create U-shape workwalls.

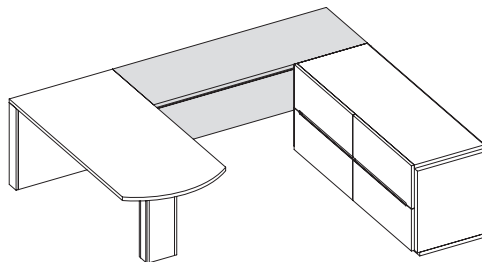

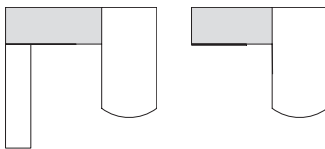

Overlay Credenza w/ Return

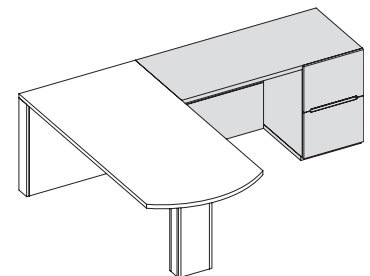

Credenza w/ Bridge

Returns

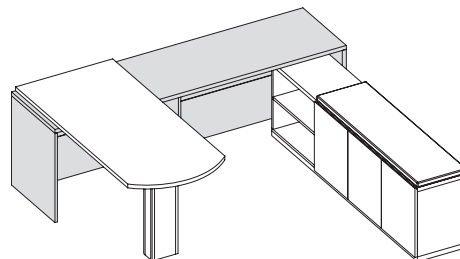

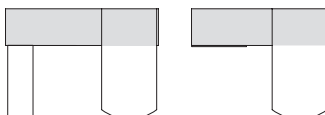

Returns and Return Shells feature a kneespace access panel or finished back and are used to create L-shape and U-shape side workwalls. Returns with pedestals or files are available in the flush drawer style only.

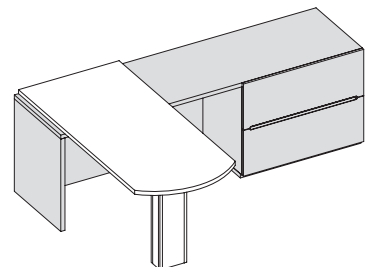

Return

Return w/ Pedestal

Return Shell

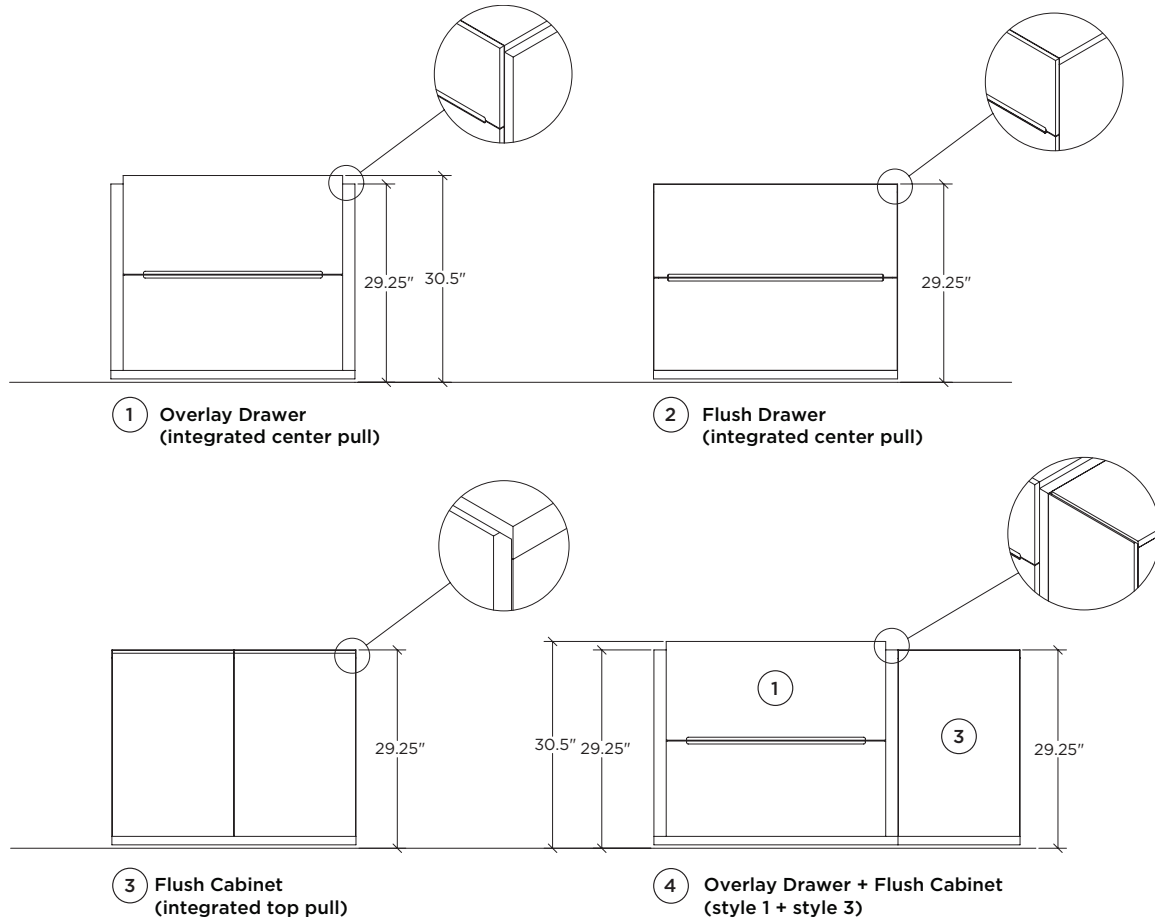

Return Shell w/ Pedestal

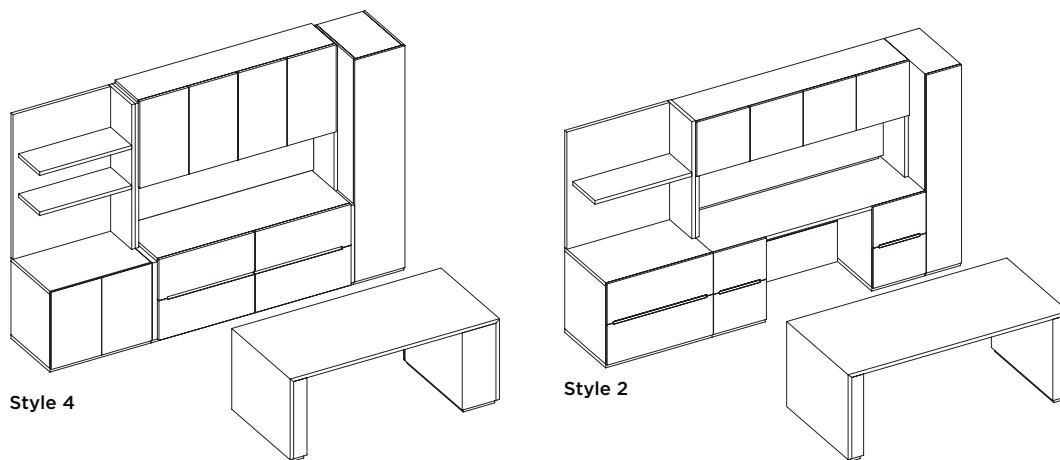

Drawer Styles & Pull Options

The Drawer Styles illustrated below are separate styles, and should not be used together in the same workstation with the exception of Drawer Style 4 which combines styles 1 and 3 to enhance the overlay aesthetic.

See Typical Workstations for design examples.
