20-20
VISUAL
IMPRESSION

Have you ever wanted to see how OFM furniture and accessories will fit in your office while sitting at your desk? Now you can, with the click of a button.

Don't Give Up.
Don't Ever
Give Up!

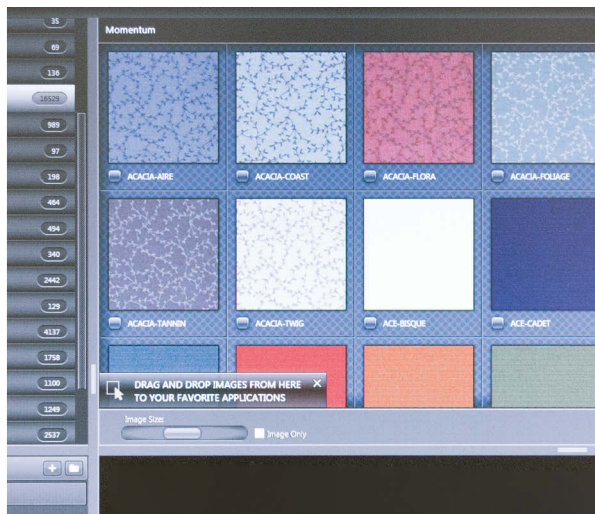

do it yourself or OFM can do it for you

Find the products you want and do it yourself or let OFM do the work for you. Either way, we want to make it easy for you to get OFM furniture in your space.

OFM is the only manufacturer with its entire product line in-stock and available through 20-20 Technologies office design software.

Users can browse our entire product library and arrange their space with specific chairs, tables, workstations, and more. After laying out a space, the user can then create comprehensive reports, including bill of materials, customer quotes and vendor purchase orders.

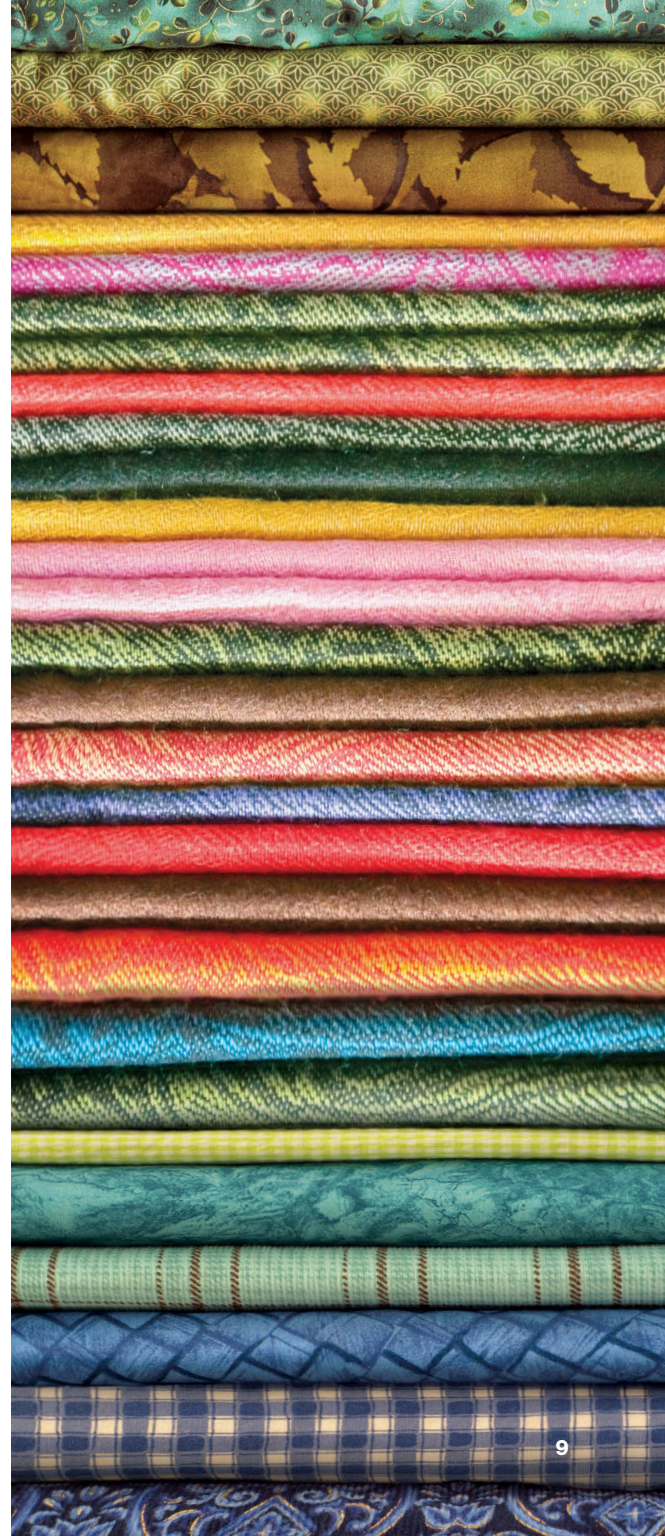

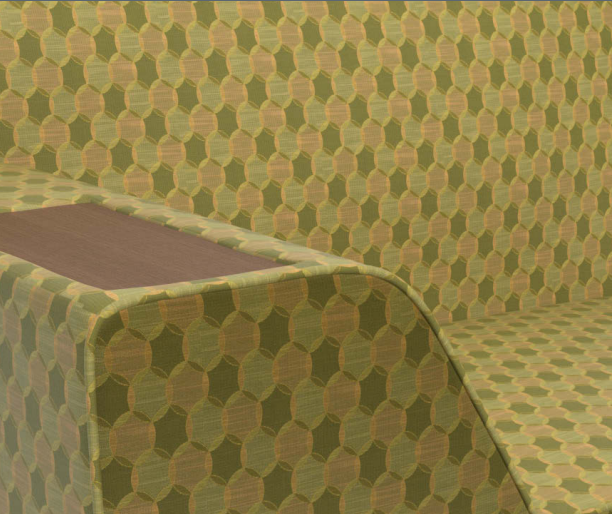

Discover how OFM can help you with your space planning needs at www.OFMinc.com/ofm-room-design.asp

ofm **GRADE-IN & COM PROGRAM**

While we understand the value of being able to ship our products the same day they are ordered, we also realize that our in-stock finishes are not always the proper fit for some projects. Allowing designers, specifiers and ends users to collaborate and choose the upholstery to

be applied to our products is sometimes more important than getting them fast. Choosing Grade-In or COM fabrics is an important process that allows for the creation of unique color combinations that put the finishing touches on projects.

OFM has revised its Grade-In & COM program to improve the ordering process and provide more options at better pricing. We now have patterns graded from 5 major upholstery companies for an even wider selection. Please refer to our Product Specification Book pages 12-23 for a full list of the upholsteries offered, their grades and the list price of the models offered in those grades.

OFM relies on D&B for credit worthiness of new and established accounts for open credit terms. Terms are net 30 from date of invoice. If open account is not established, credit card or check will be accepted in advance.

Returns Policy:

Returns are accepted at our North Carolina warehouse ONLY. All returns must be shipped prepaid and be made within 30 days of purchase. Collect shipments will be refused and returned. To return a product, a Return Authorization form can be download from our company website, www.ofminc.com/forms.asp or you can call 800-520-7471 and request a Return Authorization Form from your customer service representative. The Return Authorization form can be sent to your customer service representative or you can email the form to returns@ofminc.com. You will also be issued a Return Authorization number. This number will ALWAYS have the prefix "RA". Merchandise returned without the RA number will be refused by OFM. Return Authorization numbers are only valid for 30 days. OFM reserves the right to inspect all returns and determine applicable restocking and/or reboxing fees. A missing item or damaged product fee may be assessed if a returned product is missing the original box, packaging materials, contents, accessories, assembly instructions or is not in "like new" condition. **A minimum fee of 25% will apply for re-stocking only.** All warranty parts are available for replacement at NO charge and are shipped via ground service. If upgraded service is required, the customer will be billed the difference in freight. Our freight carriers, including UPS/Fed Ex, reserve the right to institute fuel surcharges on some or all shipments, without prior notice.

To the extent allowed by law, OFM makes no other warranty, either expressed or implied. OFM will not be liable for any consequential or incidental damages.
