## Terms and Conditions

### PRICES

All Prices are F.O.B. destination (Continental U.S.). We reserve the right to change prices without prior notice.

### ORDERING

Purchase Orders should be sent to Friant & Associates, LLC at [orders@friant.com](mailto:orders@friant.com), or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA or Project Matrix, please send the worksheet (SP4) with your Purchase Order.

### TERMS

Net 30 days from date of invoice. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee. 50% deposit is required with every order, unless prior arrangements have been made.

### ORDERS

Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for its accuracy, and to notify Friant within 48 hours from the date of the acknowledgment of any discrepancies.

### LEAD TIME

Lead times are subject to availability.

### SHIPPING

Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

### CLAIMS

We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

### RETURNS

No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

### PARTIAL SHIPMENTS

We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

### ORDER CHANGE — CANCELLATIONS

Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. Such requests are to be made in writing to our office.

### SHIPMENT AND PREPAID FREIGHT

Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

### DELIVERY

We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

### STORAGE

If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

## **CONSTRUCTION — SPECIFICATIONS**

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

## **FABRIC APPLICATION**

Standard fabric application for tiles is horizontal application. Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications.

## **CUSTOMER'S OWN MATERIAL**

Yardage requirement is based on 66" wide plain covering material, and must be increased if less than 66" wide. Special instructions for handling material (pattern, directional fabric, right side of reversible fabric, etc.) must be submitted in writing before fabric is delivered. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering, which in our opinion, is unsuitable for our upholstery purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of covering unsuitable for our upholstery methods.

We will not be responsible for errors caused by buyers not supplying us with sample cuttings attached to their order giving full identification of covering material, (name of supplier, covering name, number and color) for identification purposes and advising us of model number and quantity to which each cover is to be applied.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

## **RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY**

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

High wear parts, such as wood veneer, fabrics, and other covering material/finishes, foam, glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Friant & Associates does not warrant the matching of colors, grain or texture, except to within commercially acceptable standards.

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e. product not leveled, not secured properly, etc.).

Except as noted above, Friant & Associates makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and replacement is the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic, or incidental damages arising from any product defect.

#### ABOUT THE FRAMES

Each frame can be filled with a combination of tiles of different sizes, materials, and finishes on either side of the frame. "A" frames have a 5" high base with base covers, while "B" frames have 5" legs.

#### APPLICATION

The application on one side of a frame does not need to match the other side of the frame, with the exception of Open Tiles and Window Tiles.

Non-Powered Frames A

DESCRIPTION

Each frame holds individual tiles on either side and comes with top cap, base covers, and adjustable glides.

NOTES

- When connecting two frames of different heights, order the Finished End Change of Height separately.
- To add power above the worksurface, order Beltline Power Retro separately.

## Powered Frames | with Duplex Cutouts

### DESCRIPTION

Each frame holds individual tiles on either side and comes with top cap, base covers, and adjustable glides.

Power Retro is used to access power at the base level. It distributes up to four 20-amp circuits, and provides duplex locations on both sides of the frame. Power Retro and Frame-to-Frame Festoon are included.

### NOTES

- When connecting two frames of different heights, order the Finished End Change of Height separately.
- Power Retro and Frame-to-Frame Festoon are included.
- To add power above the worksurface, order Beltline Power Retro separately.
- 24"W Power Frames have base cover with one duplex location per side.
- 30", 36", 42", and 48"W Power Frames have base cover with two duplex locations per side.
- Cutouts are 2-31/32" by 1-7/8"
- Data port plates can snap into unoccupied duplex location.
- Data jacks should be the top feed, 90° type and not the back feed 180° type.

## Powered Frames | with Duplex and Data Cutout

### DESCRIPTION

Each frame holds individual tiles on either side and comes with top cap, base covers, and adjustable glides.

Power Retro is used to access power at the base level. It distributes up to four 20-amp circuits, and provides duplex locations on both sides of the frame. Power Retro is included.

### NOTES

- When connecting two frames of different heights, order the Finished End Change of Height separately.
- Power Retro is included.
- To add power above the worksurface, order Beltline Power Retro separately.
- 24"W Power Frames have base covers with one duplex location per side, and one data plate cutout on the right side.
- 30", 36", 42", and 48"W Power Frames have base covers with two duplex locations per side, and one data plate cutout in center.
- Data jacks should be the top feed, 90° type and not the back feed 180° type.
- Cutouts are 2-31/32" by 1-7/8"

Stacking Frames

DESCRIPTION

This Stacking Frame attaches to the top of a Standard Frame, and holds individual tiles on both sides.

NOTES

- This frame also attaches to an adjacent frame, or connector of same height.
- No more than one stacking frame can be added to a base frame, to a maximum height of 85".
- Attachment hardware is included
- Standard components can hang from the stacking frame, if the frame is next to a post or another frame.
- Use standard connectors that equal the combined height.
- Top Cap can be removed from existing frame, and re-used on Stacking Frame
- Order Finished End separately.
- When using Stacking Frame next to a higher frame or connector, order Change of Height Trim Package.

# Rectangular Worksurface

## DESCRIPTION

Worksurface has a laminate top and a PVC edge. 54" to 84" worksurfaces have a center support. Includes cantilever brackets, attachment hardware and grommet(s).

## NOTES

- Worksurfaces 24"-48"W include 1 grommet in center rear, and worksurfaces 54"-84"W include 2 grommets 18" from each end.

When ordering a worksurface spanning a panel and a 3-Way or Spacer Connector, or two panels with a 3-Way or Spacer Connector in between the panels, you will need to:

- add 2 9/16" to the length of the worksurface
- add "-3W" to the part number
- add \$80 to the list price

example:

Two 30"W Frames with one 3-Way Connector equals to 62 9/16". In this case, order FIRWS.2460L-3W (\$278 + \$80 = \$358)

## 90° Extended Curved Corner | Worksurface

### DESCRIPTION

Worksurface hangs from a frame or Wall Strips. It has a laminate top and a PVC edge. 54" to 84" worksurfaces have center support.

### NOTES

- Includes two grommets, cantilever brackets, one corner bracket, and attachment hardware.
- Specify L for left extended, and R for right extended.
- Worksurfaces have one grommet 4" from the corner of the worksurface and one grommet 18" from the extended end of the worksurface.

When ordering a worksurface spanning a panel and a 3-Way or Spacer Connector, or two panels with a 3-Way or Spacer Connector in between the panels, you will need to:

- add 2 9/16" to the length of the worksurface
- add "-3W" to the part number
- add \$80 to the list price

Example:

Two 30" Frames with one 3-Way Connector equals to 62 9/16". In this case, order FIECCWS.24366024L-3W (\$442 + \$80 = \$522)

## Terms and Conditions

### PRICES

All Prices are F.O.B. destination. We reserve the right to change prices without prior notice.

### TERMS

Net 30 days from date of invoice with established terms. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee.

### ORDERS

Orders are only accepted by issuance of P.O., and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy, and to notify Friant within 48 hours from the acknowledgment date of any discrepancies. Please send all purchase orders to [orders@friant.com](mailto:orders@friant.com) or fax to (510) 535-6895. If you have any questions, please contact Customer Service at (510) 535-5113.

### ORDER CHANGE — CANCELLATIONS

Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. Such requests are to be made in writing to our office and may be subject to a fee.

### LEAD TIMES

Lead times are subject to availability.

### RETURNS

No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect. All packages are labeled with contents, and it is the customer's responsibility to check box labels against the packing list for accuracy before opening. If correctly labeled and undamaged product is removed from its original packaging, Friant will not accept its return.

### CLAIMS

We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. Claims for damage or shortages should be filed by the consignee with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. All claims against Friant for defects, errors or shortages must be made by Buyer in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance. All claims must be pre-approved and with a P.O. issued to Friant before reimbursement and/or reinstallation will be granted.

### SHIPPING

Friant generally palletizes, boxes and/or shrink wraps its products. If Buyer requests additional packaging or special shipping, extra charges will apply. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

### PARTIAL SHIPMENTS

We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments as merchandise is ready. Invoices covering these partial shipments are to be paid as they become due.

### SHIPPING AND PREPAID FREIGHT

Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit. Please see our web site for estimated freight times.

### DELIVERY

We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

### CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

## Terms and Conditions

### COMPLIANCE WITH LAW

Purchaser is solely responsible for compliance with all applicable Federal, State and Local laws, ordinances, regulations, rules and standards relating to the installation, maintenance, use and operation of products.

### RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the product is owned by the initial purchaser. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

High wear parts, such as fabrics, other covering material/finishes, foam, drawer slides, hinges, locks, etc. are warranted for One (1) Year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc.

### WARRANTY EXCEPTIONS

- Natural variations in wood grain, figure or the presence of character marks
- Matching of colors, grains, textures
- Changes in surface finishes due to aging or exposure to light
- Damage, marking or staining of surfaces due to contact with rubber or similar compounds
- Damage from sharp objects or imprinting from writing instruments, computer equipment or prolonged exposure to fluids or sun
- Checking or delaminating due to changes in temperature or improper care or storage
- Damage caused by misuse or improper care

Friant & Associates does not guarantee the matching of colors, grain or texture, except to within commercially acceptable standards.

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e., product not leveled, not secured properly, etc.).

Except as noted above, Friant & Associates makes no express or implied warranties as to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and/or replacement are the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic or incidental damages arising from any product defect.

### Care and Maintenance

Friant & Associates' finish provides excellent stain and mar resistance. Care should be exercised when cleaning. The following precautions will help keep the product looking new:

- Dust all surfaces on a regular basis with a soft damp cloth. Do not use spray polishes – especially those containing silicone.
- Lift all objects from the surface when moving – never drag objects across the surface.
- Metal objects should be kept from contacting the surface.

## Helpful Tips

### combining with Interra

If your configuration is a mix of Interra and Dash, you will likely need to order connecting parts. See page 131 to order the panel mount kit, credenza bracket, or corner bracket.

### bridge tabletop with credenza

When a bridge tabletop is used on a credenza, the clear user space is not the full width of the tabletop.

Figure A

When used with an 18" deep credenza, the clear user space is 12" less than the width of the bridge tabletop. When used with a 24" deep credenza, the clear user space is 18" less than the width of the bridge tabletop.

**Example:** When ordering a 48" wide bridge tabletop for use with an 18" deep credenza, the clear user space is 36" wide.

### tabletop measurements

To determine your tabletop width in this configuration, take the measurement from the end of the panel to the middle of your shared overhead and subtract 6".

Figure B1

#### 3-D View

**Example:** When the measurement from the end of the panel to the middle of the shared overhead storage is 72" wide, order a 66" wide tabletop. The two tabletops have a 12" space between them.

In that space is the post attaching the shared overhead to the shared credenza.
