PRODUCT SPECIFICATION GUIDE 2012

three h

Ordering Procedure

Successful Ordering

Most quotes are completed by the next working day.
Three H Furniture is only available through authorized dealers. Complete information should be sent via fax or electronic mail. To ensure your quote is processed quickly, please make sure you send us a clear, accurate sketch of the arrangement you have in mind. Label the overall sizes and include any critical dimensions. Telephone requests for quotes or changes to quotes cannot be accepted. In instances where information needs to be explained or clarified, phone conversations will be documented.

Hints and Tips

The quotation support provided by Three H is one of the key benefits to our dealers.

To ensure a successful "to the inch" fit, the following information is important:

- When measuring the room, allow for baseboards, uneven walls and other obstacles.
- Modesty panel style (can be specified separately for each desk).
- Wire grommet locations.
- Keyboard tray style and location.
- Bullnose trim location.
- Pedestal style and location.
- Hutch style.
- Anything else that might make the job information clear.
- The "Dealer Sketchpad" is available upon request.
- The "Layout Checklist" may be used to assist in reviewing if all relevant information has been included.

Three H Special Benefits

Just ask about Three H benefits:

- "To the inch" desk and hutch lengths,
- mixing and matching laminate colors, switching grain direction on desktops, modesty panels or cabinet doors and drawer fronts to enhance or personalize the grouping,
- specifying reveal or bullnose colors where it makes a difference,
- offsetting modesty panels to accommodate heaters or wall outlets,
- cutouts in desks to get around embarassing structural pillars,
- height adjustments within engineered standards.

...this is the Three H difference.

How to use this pricing guide...

Three H has always placed a lot of emphasis on providing quality customer support. We believe in working closely with our dealers to ensure pricing and drawings are provided quickly and accurately – usually within 24 hours. And although we recommend sending your sketches to our customer service department for quoting, we realize that some of our dealers prefer to prepare price quotes independently. This pricing guide is intended to make that process easier.

The specification guide is broken down into 8 sections: Desks, Pedestals, Hutches, Reception, Filing/Storage, Mailroom, Conference Tables, and Meeting/Training Tables. You can use the index to find each section, or easily jump from one section to the other, as the page edges are shaded to indicate what section you are in. **The first page of each section shows a product map and index of the individual product offering within the section. These pages will be very important for doing independent specifications.**

Additional information can be found within the Desks, Pedestals, Hutches, and Filing/Storage sections. Preceding the pricing pages, there is information regarding the specifications of the product, such as dimensions, clearances, and standard features. Product codes are explained in this information section. Our product codes are based on a logical sequence and once understood you can create your own "to the inch" solutions.

Each section is broken down in the most logical way possible, while still providing as much information and pricing to the dealer as possible. It is explained below, by section, to give you an idea how to look for a specific item.

Desks – begin at index page for desks – page 1
1. Choose STYLE – straight, executive, standard corner, executive corner, table desks: go to desired page
2. Choose DEPTH – in the upper right hand corner of each page, you'll find the depth of each desk: go to desired page
3. Choose TRIM option – self edge, 3mm PVC edge, radius wood bullnose edge, 3mm prestige wood edge: each pricing table is separated by trim style. In some cases there are options for trim on 1 side, 2 sides or 4 sides, dependent on desk style
4. Choose LENGTH and LEG STYLE – depending on which legs are required, each product code is shown – pricing does not change depending on leg style
5. Choose MODESTY PANEL STYLE – all codes and pricing show half modesty panels. Optional price is also provided for Full, Reception, and Contour modesty panel styles
6. Choose ACCESSORIES - pages 123 to 130

Pedestals – begin at index page for pedestals – page 131
1. Choose STYLE - under desk full height, single width, suspended single width, cpu/vertical cabinets, lateral width, mobile: go to desired page
2. Choose desired ped

Hutches – begin at index page for hutches – page 137
1. Choose STYLE - standard, organizer, towers/extensions, corner hutches, credenza/low profile, bridges
2. Choose DOOR OPTION: open, side door, barn door, aluminum framed glass doors, laminate framed glass doors, flipper doors
3. Choose HEIGHT - 38", 44", 24", 21", 14" if required: go to desired page
4. Choose LENGTH - available in 1" increments, for sizes not shown, use next size up for pricing
5. Choose TACKBOARD OPTION - fabric only, or fabric and accessory rail
6. Choose ACCESSORIES (includes finished tops) - pages 183 - 185

Reception – begin at index page for reception – page 187
1. Choose STYLE - standard, corner, transaction tops, gallery preconfigured stations
2. Choose LENGTH
3. Choose TRIM option - self edge, 3mm PVC, wood bullnose, prestige (3mm prestige trim is available but not shown - priced same as wood bullnose)
4. Choose accessories - page 202

Filing/Storage – begin at index page for filing/storage – page 203
1. Choose HEIGHT - 29", 35", 41", 54", 68", 74", 84"
2. Choose STYLE of cabinet by flipping through the pages for that height (see upper right corner)
3. Choose WIDTH and DEPTH
4. Choose TOP if required and Accessories - pages 283-286

Mailroom– begin at index page for mailroom – page 287
1. Choose desired base cabinets, add tops, add hutches as desired

Conference Tables – begin at index page for conference tables – page 291
1. Choose STYLE of table - racetrack, elliptical, boat shaped, octagonal, rectangular
2. Choose LENGTH of table required - across the top of page are the lengths, showing the number of sections the table will be made in
3. Following down the page, choose desired table THICKNESS - 1", 1 5/8", 2", 2 5/8"
4. Continuing to follow down the page, choose a BASE from the recommended options to match table size.
5. Choose any conference room accessories - visual presentation boards, magazine racks, lecturns

Meeting/Training Tables - begin at index page for meeting/training tables – page 303
1. Choose STYLE - square, round, rectangular
2. Choose SIZE of table
3. Choose desired THICKNESS and/or TRIM OPTION
4. Choose BASE style - page 305

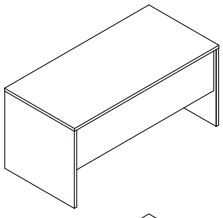
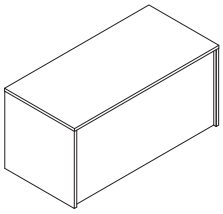
Desks - Information

Construction of work surfaces
All laminate material finished both sides. 26 mm (1") panel legs, 16 mm (5/8") modesty panels, 26 mm (1") tops. Standard height: 29 1/2" (floor to top of desk), glides fully retracted. Adjustable floor glides offer 1 1/4" of height adjustability.

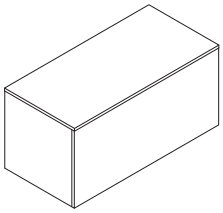
Modesty panels
Three H offers different solutions for laminate modesty panels.



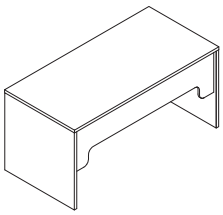
H style
The **half modesty** panel is the standard option. It gives a 12" clearance from the floor. Panel is slightly inset (1 1/4") from panel leg edge.



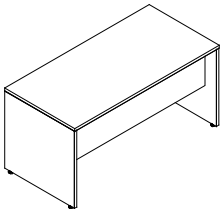
F style
The **full modesty** panel goes to the floor. Panel is slightly inset (1 1/4") from panel leg edge.



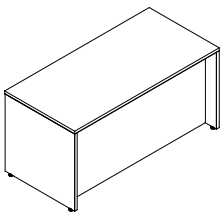
R style
The **reception style** panel is flush with the top and overlaps the panel legs for a totally seamless appearance. Generally selected for the front desk of a reception station, or other desks in exposed areas.



C style
The **contour modesty** panel increases clearance from the floor to 18". Generally selected for credenza or desk against a wall, to allow an easy access to electric outlets.



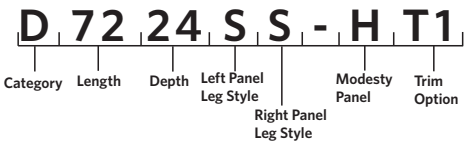
OH
The **offset half** modesty panel gives 12" of clearance from the floor. Panel is inset 4 3/4" from panel leg edge.



OF
The **offset full** modesty panel goes to the floor. Panel is inset 4 3/4" from panel leg edge.

Product Code Description
Our product codes are based on a logical sequence and once understood you can create your own "to the inch" solutions.

Straight Desks

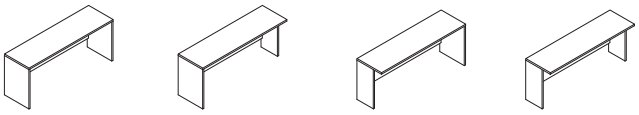


D7224SS-HT1
The prefix **D** designates this to be a Desk.

D**72**24SS-HT1
72 is the "Length" of the desk. This can be changed in 1" increments from 16" to 84".

D72**24**SS-HT1
24 is the "Depth" of the desk. Depths available are 21", 24", 30" and 36".

D7224**SS**-HT1
SS is the Panel leg designation. Full depth panel legs (**S type**) can be replaced by recessed panel legs (**R type**) to increase leg room where two desks meet. See example below. Note that the specification is done from sitting point of view left side first then right side.



D 7221 **SS**-HT1 D 7221 **SR**-HT1 D 7221 **RS**-HT1 D7221**RR**-HT1

D7224SS-**H**T1
H is the modesty panel style. The **half height modesty** panel can be changed for any of the styles as shown in the left column by replacing the **H** code with **F**, **R**, **C**, **OH** or **OF**.

D7224SS-H**T1**
T1 designates the **trim option**, wood bullnose trim in this instance.

See next page for more on trim designations.

Desks - Information

Trim options are specified by placing one of the following suffixes at the end of the product code.

No suffix designates **1mm PVC self edge**. Example: D7221SS-H

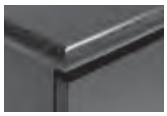
T1 designates solid wood **Bullnose Trim** on 1 side. Example: D7221SS-H**T1**
T2 designates solid wood **Bullnose Trim** on 2 sides. Example: D7221SS-H**T2**
T4 designates solid wood **Bullnose Trim** on 4 sides. Example: D7221SS-H**T4**

TP1 designates solid wood **Prestige Trim** on 1 side. Example: D7221SS-H**TP1**
TP2 designates solid wood **Prestige Trim** on 2 sides. Example: D7221SS-H**TP2**
TP4 designates solid wood **Prestige Trim** on 4 sides. Example: D7221SS-H**TP4**

3M1 designates 3mm **PVC Trim** on 1 side. Example: D7221SS-H**3M1**
3M2 designates 3mm **PVC Trim** on 2 sides. Example: D7221SS-H**3M2**
3M4 designates 3mm **PVC Trim** on 4 sides. Example: D7221SS-H**3M4**

Self edge (1 mm PVC), 1" wide material.
Matches all Three H finishes.

3 mm PVC trim
1" wide material.
Matches all Three H finishes.



Solid wood bullnose trim, 1" wide material, and 3mm Prestige trim (flat wood), 1" wide material.
Matches all wood finishes and solid colors.

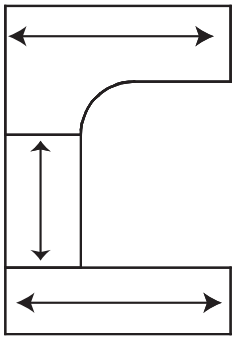
Wood bullnose is applied by hand, hand-stained and finished from solid oak, ash, beech or birch.

User side only
T1, TP1 or 3M1

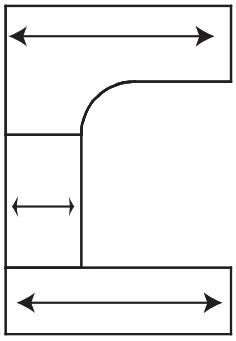
User and visitor sides
T2, TP2 or 3M2

Four sides
T4, TP4 or 3M4

Grain Match
The grain direction can be rotated 90° on many surfaces up to 60" long. This must be requested at the quote or order stage.



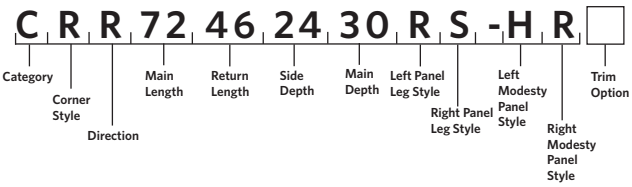
Standard Grain direction

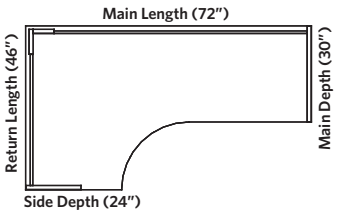


Optional Cross Grain*.

*Upcharge may apply.

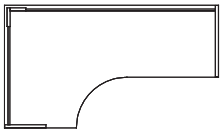
Corner Desks



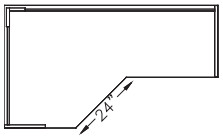


CRR72412424RS-HH
The prefix **C** designates this to be a **Corner Desk**.

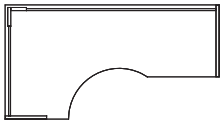
CRR72412424RS-HH
R is the **Corner Style**. The **radius** corner can be changed for any of the styles as shown below and on the adjacent page by replacing the **R** code with **D**, **W** or **M**.



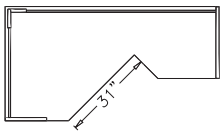
R style
The **Radius** corner is a 17" radius. If the main depth is 24" then the return length will be 41". If the main depth is 30"(30" nominal, 29" actual) then the return length is 46".



D style
The **Straight** style has a 45° angled straight cut that is 24" in length. If the main depth is 24" then the return length will be 41". If the main depth is 30"(30" nominal, 29" actual) then the return length is 46".



W style
The **Wave** style has a 17" radius curve offset 3" into the corner. If the main depth is 24" then the return length will be 38". If the main depth is 30"(30" nominal, 29" actual) then the return length is 43". Wave style corner desks are used in conjunction with our **Wave** style straight desks found on page 62.



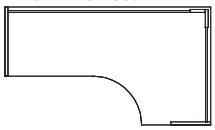
M style
The **Mouse** style has a 45° angled straight cut that is offset into the corner and is 31" in length. If the main depth is 24" then the return length will be 38". If the main depth is 30"(30" nominal, 29" actual) then the return length is 43". Mouse style corner desks are used in conjunction with our **Side Cut** style straight desks found on page 48.

Desks - Information

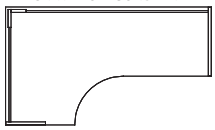
CR**R**72462430RS-HR

The **R** designates the direction of the desk. The **R** can be replaced with an **L** to designate a Left orientation. Note that the specification is done from sitting point of view.

CRL72462430SR-RH



CRR72462430RS-HR



CRR**72**462430RS-HR

The **72** is the **Main Length** of the desk. The length is available in 1" increments up to 84".

CRR72**46**2430RS-HR

The **46** is the **Return Length** of the desk. This length can vary from 38" to 48" depending on the style of corner selected.

CRR7246**24**30RS-HR

The **24** is the **Side Depth**. This can be 16", 21", 24" or 30" depending on the style of corner selected.

CRR724624**30**RS-HR

The **30** is the **Main Depth**. This can be 21", 24" or 30" depending on the style of corner selected.

CRR72462430**R**S-HR

R is the **left panel leg designation. R type** panel legs are used to increase leg room where two desks meet. See example. Note that the specification is done from sitting point of view left side first then right side.

CRR72462430R**S**-HR

S is the **right panel leg designation**. Full depth panel legs (**S type**) can be replaced by recessed panel legs (**R type**) to increase leg room where two desks meet. See example. Note that the specification is done from sitting point of view left side first then right side.

CRR72462430RS-**H**R

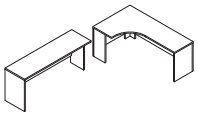
H is the **left modesty panel style.** The **half height modesty** panel can be changed for the styles as shown on page 2 by replacing the **H** code with **F**, **R** or **C**. Note that the specification is done from sitting point of view left side first then right side. See example.

CRR72462430RS-H**R**

H is the **right modesty panel style**. The **half height modesty** panel can be changed for the styles as shown on page 2 by replacing the **H** code with **F**, **R** or **C**. Note that the specification is done from sitting point of view left side first then right side. See example.

No trim designation means this desk has self edge.

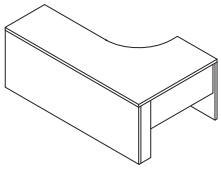
Leg examples



D7221**SR**-H
with CRR72412124**RS**-H

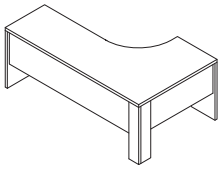
Standard leg on left of return, recessed leg to meet corner desk. Recessed left leg on corner desk, with standard leg on right.

Modesty panel examples



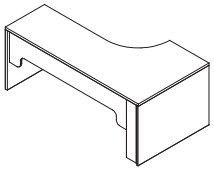
CRR72412424RS-**HR**

Code reads from working side. Half modesty panel left, reception modesty right. Reception modesty panels should be used when the modesty is in an exposed application - as it hides the corner leg support.



CRR72412424RS-**HH**

Half modesty panel left, half modesty right.



CRR72412424RS-**RC**

Reception modesty left, contour modesty right. Corner leg support not visible with reception modesty panel. Contour modesty panels have 18" clearance for wall outlets.

Desks - Straight

Stand-alone - Returns and Bridges

21" Deep

Length available in 1" increments.*
Choice of modesty panel.

Product codes in table indicate half (H) modesty panels on both the left and right sides; change one or both H codes to specify an alternate modesty panel option of either F, R or C.

***Customizing desk length**

To specify custom length, change the first two digits of part code to reflect desired length and use next size up for pricing.
Example: 63" length desk CDL63463030RR-RH3M2 $870.

Choice of modesty panel

Change the H code (Half modesty panel) for F (Full), R (Reception) or C (Contoured). **See Page 2 at the beginning of this section for full detailed descriptions.**

Bridges - Straight - Wave

30/24" Deep

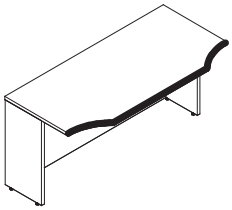
Straight desk (29"h). 30" main depth, 24" side depths.
Wave on left and right sides. Choice of modesty panel.
Length available in 1" increments.*

Bullnose (T1) and Prestige (TP1)

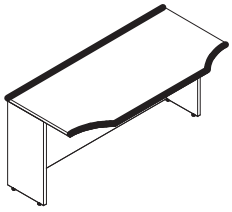


Change the suffix T1 with TP1 to order 3mm solid wood trim.

Length x Depth	Bridge (Recessed left and right legs)	Modesty Panel Options Half (H)	F,R or C
60" x 30/24"	D6030W24W24-HT1	$671	$726
66" x 30/24"	D6630W24W24-HT1	$697	$757
72" x 30/24"	D7230W24W24-HT1	$725	$788
78" x 30/24"	D7830W24W24-HT1	$750	$816
84" x 30/24"	D8430W24W24-HT1	$778	$849

Bridge, 30" deep with 24" side depths. Bullnose (T1) or Prestige (TP1) on working side; self edge (1mm PVC) edge on remaining 3 sides of top. Product codes in table indicate half (H) modesty panels; change H code to specify alternate modesty panel option of either F, R or C.

Bullnose (T2) and Prestige (TP2)



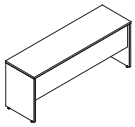
Change the suffix T1 with TP1 to order 3mm solid wood trim.

60" x 30/24"	D6030W24W24-HT2	$743	$798
66" x 30/24"	D6630W24W24-HT2	$777	$837
72" x 30/24"	D7230W24W24-HT2	$811	$874
78" x 30/24"	D7830W24W24-HT2	$845	$911
84" x 30/24"	D8430W24W24-HT2	$880	$951

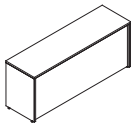
Bridge, 30" deep with 24" side depths. Bullnose (T2) or Prestige (TP2) on working and visitor sides; self edge (1mm PVC) edge on remaining 2 sides of top. Product codes in table indicate half (H) modesty panels; change H code to specify alternate modesty panel option of either F, R or C.

***Customizing desk length**
To specify custom length, change the first two digits of part code to reflect desired length and use next size up for pricing.
Example: 63" length right return desk D6330W24W24-HT1 $583.

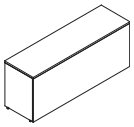
Choice of modesty panel
Change the H code (Half modesty panel) for F (Full), R (Reception), C (Contoured), OH (Offset Half) or OF (Offset Full). **See Page 2 at the beginning of this section for full detailed descriptions.**



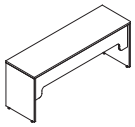
H
Half modesty



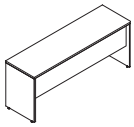
F
Full modesty



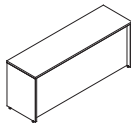
R
Reception modesty



C
Contoured modesty



OH
Offset Half modesty



OF
Offset Full modesty

Common desk add-ons...

	WMV-800-AL	Wire management, Vertical, 800mm (31") high, silver plastic. With steel base.	$109
	CPU1053AAA	CPU storage cabinet, 10" wide, full height, open, 1 x 5/8" shelf, half back for cable access. Internal dimensions are 8.66"w x 17.32" deep. For use under any depth desk.	$204
	CPU1053DAA	CPU storage cabinet, 10" wide, full height, 1 door, 1 x 5/8" shelf, half back for cable access. Internal dimensions are 8.66"w x 17.32" deep. For use under any depth desk.	$286
	LGP-600-NI-UPCHG	**Upcharge** to change Black 6" post leg to one with a Nickel finish, complete with mounting hardware.	$80

Desk - Accessories

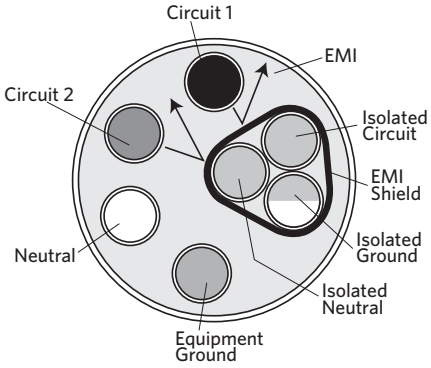
	Code	Description	Price
	MCPU01	Mobile CPU cart on casters. 9.5" wide x 18" deep, with velcro fastening strips	$65
	RPD-1525-MP-F02	Recessed power data module, "Miniport", with two receptacles, 6' cord, Silver Mica finish, c/w adapters to accommodate couplers and jacks. Couplers and jacks sold separately. (BE01525-MP-S-F02-72)	$178
	RPD-1525-MP-F04	Recessed power data module, "Miniport", with two receptacles, 6' cord, Matte Black finish, c/w adapters to accommodate couplers and jacks. Couplers and jacks sold separately. (BE01525-MP-S-F04-72)	$178
	RPD-1525-S-F02	Recessed power data module with two receptacles, 6' cord, Silver Mica finish, c/w adapters to accommodate couplers and jacks. Couplers and jacks sold separately.	$292
	RPD-1525-S-F03	Recessed power data module with two receptacles, 6' cord, Charcoal Mica finish,c/w adapters to accommodate couplers and jacks. Couplers and jacks sold separately.	$292
	RPD-1525-S-F04	Recessed power data module with two receptacles, 6' cord, Matt Black finish,c/w adapters to accommodate couplers and jacks. Couplers and jacks sold separately.	$292
	RPD-INTERACT-SC	Recessed Power / Data Module single circuit with 14/3 six foot 15A 125V moulded cord set with "daisy chain" capability.	$383
	RPD-1819-32A-EFA	Edge mount power data module, with two receptacles, 6' cord, Anodized aluminum finish, c/w adapters to accommodate couplers and jacks. Couplers and jacks sold separately.	$300
	RPD-BE01311C	Retractable Power / Data Module	$254
	RPD-RJ11	Recessed power data module, RJ11 category 3 voice coupler. To be used with RPD-305002-1-6, RPD-1525-S-F0x & RPD-1819-32A-EFA.	$38
	RPD-RJ45	Recessed power data module, RJ45 category 5E (enhanced) data jack with coupler. To be used with RPD-305002-1-6 & RPD-1525-S-F0x	$57
	RPD-RJ11-RJ45-CAT5E	Data and Communication Plug, for use with the RPD-INTERACT-SC, or the RPD-BE01311C. RJ11 voice coupler is category 3 and the RJ45 data coupler is category 5 (enhanced).	$95
	RPD-RJ11-RJ45-CAT5E-VGA	Data, Communication and 15 pin VGA Monitor Plug, for use with the RPD-INTERACT-SC, or the RPD-BE01311C. RJ11 voice coupler is category 3 and the RJ45 data coupler is category 5 (enhanced).	$145
	RPD-RJ45-CAT6	Recessed power data module, RJ45 category 6 data jack (hard wired). To be used with RPD-305002-1-6 and RPD-1525-S.	$63
	RPD-RJ45-RJ45	Double Data Plug, for use with the RPD-INTERACT-SC, the RPD-BE01311C or the PD73 J Channel Assembly. The RJ45 data jacks are category 6 (hard wired).	$102

Desk - Accessories

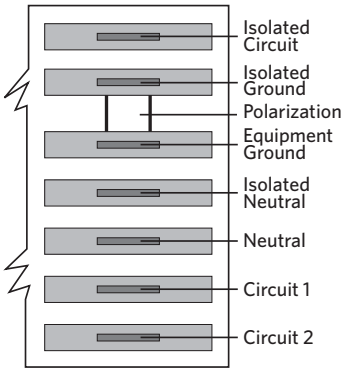
	TL-16770-SG	LED tasklight, stand alone with base. Silver grey finish.	$356
	TL-16780-T-SG	LED tasklight, accessory rail mount with bracket. Silver grey finish.	$399

Desk - Accessories - PD73 Power Delivery System

Our pre-wired, seven wire, three circuit electrical system accomodates the need for a totally separate circuit to serve sensitive electronic equipment. The power block has three simplex receptacles. Modules are mechanically interchangeable to permit the use of any combination of standard equipment, such as calculators, tasklights, RPC retractable or recessed power modules, and the addition of optional voice/data jacks.



Electri-Pak 7 Cable



Cross Section of Power Module

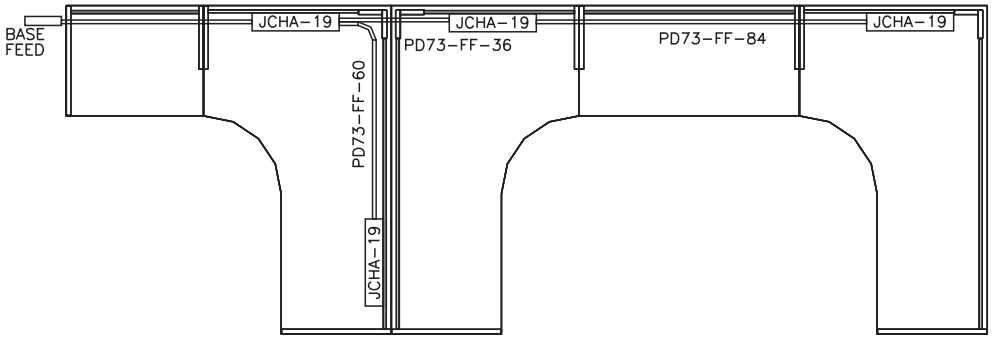
ELECTRI-PAK 7 SPECIFICATIONS

A metallic shield surrounds the isolated circuit conductors, providing a barrier against Electro-Magnetic Interference (EMI) that may be radiated from other activated convenience circuits. The isolated circuit has its own neutral and ground wires. In the PD73 system, the two convenience circuits share a neutral and a ground.

CROSS SECTION OF POWER MODULE

In the power module and the power take-off connections, the location of the individual conductors also helps eliminate interference. By placing the isolated circuit on the top and the convenience circuits on the bottom, the distance between reduces the effects of harmful EMI emissions.

The PD73 Power Delivery System can be configured to suit individual needs, using any of the PD73 components over the next few pages. Please see below an example of how the PD73 Power Delivery System can be used.



PD73 Power Delivery System Example

Desk - Accessories - PD73 Power Delivery System

	Code	Description	Price
	PD73-JCHA-19	19" J Channel Assembly c/w 2 standard circuits and 1 isolated ground circuit with EMI shielding. 15 AMP receptacles.	$239
	PD73-73QD	Quick Connect Power Feed Square Junction Box and Plate. Use 15 AMP breakers.	$119
	PD73-7SB1-72	Base Junction Power Feed 72" with box cover. Branch circuit protection shall be 15 AMP in Canada.	$187
	PD73-7SB2-156	Power Feed whip, 156". Branch circuit protection shall be 15 AMP in Canada.	$224
	PD73-7FF24	Metal Flex Connecting Cable 24" Female both ends.	$97
	PD73-7FF36	Metal Flex Connecting Cable 36" Female both ends.	$105
	PD73-7FF48	Metal Flex Connecting Cable 48" Female both ends.	$119
	PD73-7FF60	Metal Flex Connecting Cable 60" Female both ends.	$132
	PD73-7FF72	Metal Flex Connecting Cable 72" Female both ends.	$145
	PD73-7FF84	Metal Flex Connecting Cable 84" Female both ends.	$160
	PD73-7FF96	Metal Flex Connecting Cable 96" Female both ends.	$174
	PD73-7FM24	Metal Flex Connecting Cable 24" Female and male end.	$97
	PD73-7FM36	Metal Flex Connecting Cable 36" Female and Male end.	$105
	PD73-7FM48	Metal Flex Connecting Cable 48" Female and Male end.	$119
	PD73-7FM60	Metal Flex Connecting Cable 60" Female and Male end.	$132
	PD73-7FM72	Metal Flex Connecting Cable 72" Female and Male end.	$145
	PD73-7FM84	Metal Flex Connecting Cable 84" Female and Male end.	$160
	PD73-7FM96	Metal Flex Connecting Cable 96" Female and Male end.	$174
	RPD-RJ11-RJ45	Data and Communication Plug, for use with the RPD-INTERACT-SC, the RPD-BE01311C.or the PD73 J Channel Assembly. RJ11 voice jack is category 3 (hard wired) and the RJ45 data jack is category 6 (hard wired).	$102
	PD73-7SA	Single sided blank Power Module. Uses 15 AMP receptacles.	$50
	PD73-7SB-BL	Simplex Blank Receptacle	$6
	PD73-7SS1-BL150	Simplex Receptacle, single sided, circuit 1. Black 15 AMP receptacle.	$14
	PD73-7SS2-BL150	Simplex Receptacle, single sided, circuit 2. Black 15 AMP receptacle.	$14
	PD73-7SSIG-OR150	Simplex Receptacle, single sided, independent ground. Orange 15 AMP receptacle.	$16
	PD73-7SR	Simplex Removal Tool	$6
	WM2-24	Double Wire management metal trough. 24" length. Epoxy black matte powder coat finish.	$66

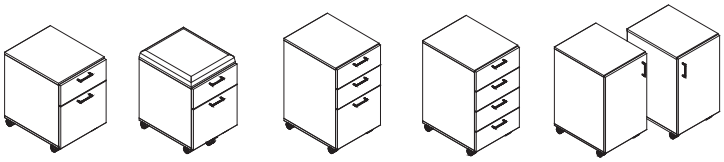
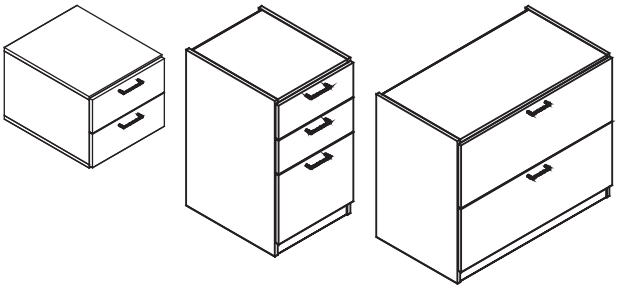
Under Desk - Laterals 135



Mobile Pedestals 136

Pedestals - Information

Pedestal construction



Slightly different in construction than the GSB line, these units offer a good value.
They are intended for use under a desk or a work surface 21" deep and up and are not suitable for stand alone applications. Some units with file drawers are also available in legal width or extended depth for desks 30" or 36" deep.

Design note
The "kick plate" construction of these pedestals is not exactly the same as the GSB Series. This may be a design concern when juxtaposing units of the two series.

Specifications
Pedestals are constructed of 16 mm (5/8") laminate sides and top.
Standard pedestal backs are 4 mm (5/32").
Doors and drawers overlay (i.e. overlap) the sides and top.
Laminate drawer fronts finished both sides. Standard grain direction is horizontal.
Laminate doors finished both sides. Standard grain direction is vertical.
Two drawer lateral file pedestals include an interlock system that prevents two drawers from opening simultaneously.

Cabinet and pedestal locks
Pedestals are required to be placed under a desk.
Gang-lock on all pedestal drawers.
Door locks can be ordered separately.
Lock on single door: D1LOK $56
Lock on double door: D2LOK $81
Single drawer lock: LOCK $57
Locks can be keyed alike or different.
Master key available for all lock cores: KEY-MASTER-HAF $23

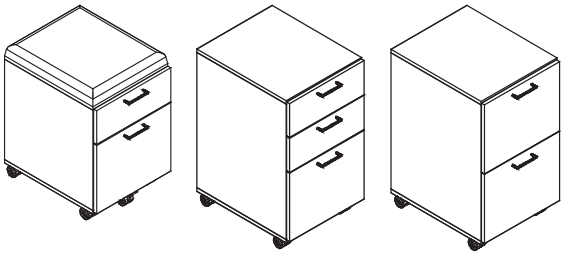
Drawer slides on 6¼" high box drawers
Full extension drawer slides. Locks in pullout position. Lever disconnect. Load bearing 75 lbs.

Drawer slides on pedestal file drawers
Full extension drawer slides. Steel ball bearing for silent action. Progressive movement for parallel action. Load bearing 100 lbs.

Drawer slides on lateral file drawers
Full extension drawer slides. Steel ball bearing for silent action. Progressive movement for parallel action. Rail mount disconnect. Load bearing 150 lbs.

Floor glides
Pedestals: Adjustable heavy duty glides with zinc cub and nylon inserts. Adjustable by ¾". 200 lb capacity per glide.

Mobile pedestals



Finished top and 16 mm (5/8") laminate backs are standard on mobile pedestals.
2" twin wheel casters. Additional center caster on bottom drawer to prevent tipping.

Drawer slides on 6¼" high box drawers
¾ extension slides. Locks in pullout position. Lever disconnect. Load bearing 75 lbs.

Options
Vertical grain match on drawers (-GM). Add $11.00 per drawer.

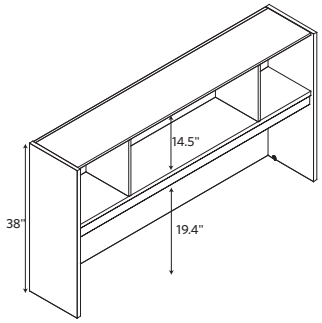
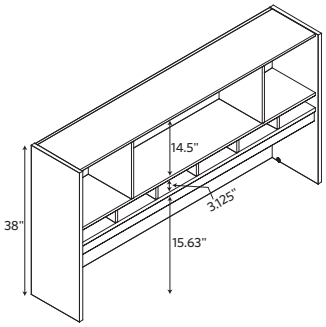
Hutches - Information

38" high hutches

A 26mm (1") main shelf (with valance) and 16mm (5/8") top are inlayed between the side uprights.



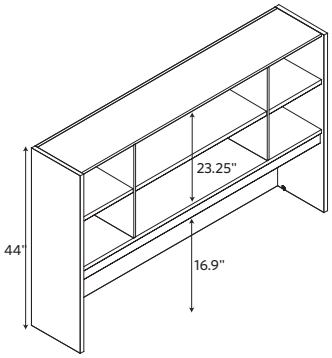
Standard Hutch (-12 divide)
Example Shown - SH723814FF**-12**
Clearance from the desk top to valance is 19.4".
Clearance between main shelf and top is 14.5".



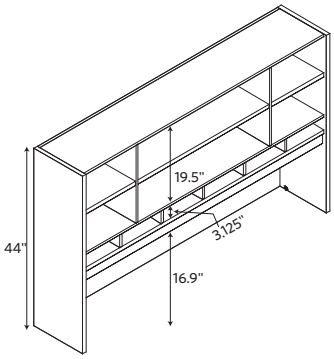
Standard Hutch with Organizer option (-12 divide)
Example Shown - SHO723814FF**-12**
Clearance from the desk top to valance is 15.6".
Clearance between main shelf and top is 14.5".
Organizer space is 3.125".
Optional organizer drawers are available on OPEN STYLE hutch only (38" high hutch with barn doors will not allow for drawer movement).

44" high hutches

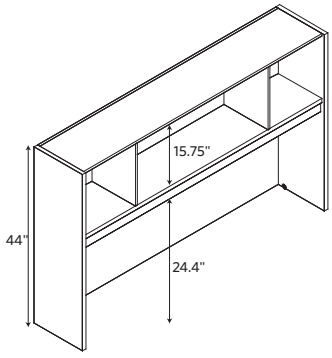
A 16mm (5/8") bottom shelf (with valance) and 16mm (5/8") top are inlayed between the side uprights. Includes one row of 26mm (1") adjustable shelves.



Standard Hutch (-19 divide)
Example Shown - SH724414FF**-19**
Clearance from the desk top to valance is 16.9".
Clearance between main shelf and top is 23.25".



Standard Hutch with Organizer option (-16 divide)
Example Shown SHO724414FF**-16**
Clearance from the desk top to valance is 16.9".
Clearance between main shelf and top is 19.5".
Organizer space is 3.125".
Optional organizer drawers are available.

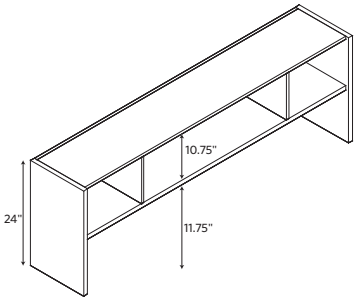


44" hutch with Extended desk clearance (-13 divide)
Example Shown - SH724414FF**-13**
Clearance from the desk top to valance is 24.4".
Clearance between main shelf and top is 15.75".

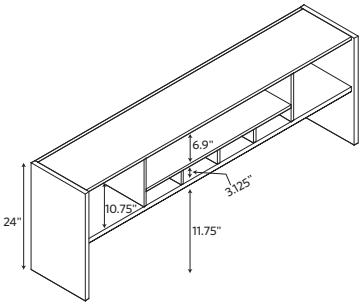
Hutches - Information

24" high hutches

A 26 mm (1") main shelf and 16 mm (5/8") top are inlayed between side uprights.



Standard Hutch
Example Shown - SH722414FF
Clearance from the desk top to bottom shelf is 11.75".
Clearance between bottom shelf and top is 10.75".



Hutch with organizer option
Example Shown - SHO722414FF
Clearance from the desk top to bottom shelf is 11.75".
Clearance between bottom shelf and top is 10.75".
Clearance above organizer spaces is 6.9".
Organizer space is 3.125".

Options

Custom lengths:

For special layouts, the hutch length can be specified in 1" increments up to 84".

Optional tops and trim:

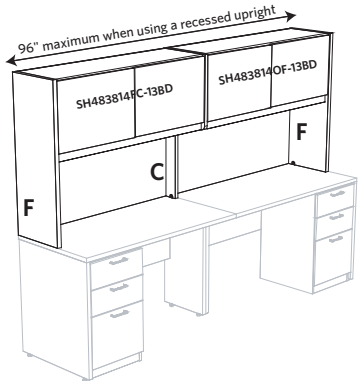
26mm (1") finishing tops can be installed over storage hutch, covering hutch uprights, back, and optional doors for a seamless surface.
Finishing tops are recommended for units 68" high and lower. (A 38" high hutch mounted on a standard height desk would be 68" high.)
For side by side units, a common top may be ordered.
Standard trim is self edge, 4 sides - **optional trims** shown below:

- **T1** - wood bullnose trim on front edge, self edge remaining sides.
- **TP1** - 3mm wood trim, prestige style on front edge, self edge remaining sides.
- **3M1** - 3mm PVC on front edge, self edge remaining sides.

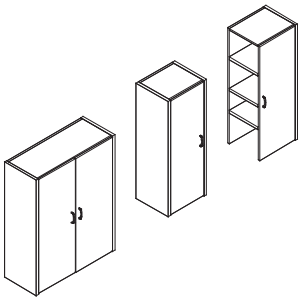
Locks are available for hutch doors (exception: aluminum framed glass doors are not lockable).
D1LOK - Lock on single door, c/w 2 keys - $56
D2LOK - Lock on double door, c/w 2 keys (DBLOK-L/DBLOK-R)- $81

Recessed hutch uprights

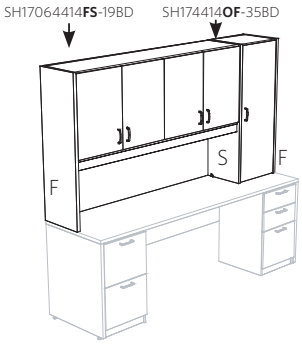
Recessed hutch uprights extend only 4" from the back edge of the desk (14" for standard full upright) A shared recessed upright (C) can be used to extend the overall length of a hutch beyond 84", however **the maximum length of multiple straight hutches cannot exceed 96" if a shared recessed leg (C) is being used.**



Towers and tower extensions



Towers have full legs on both sides. Tower extensions have only one side leg and must be connected on the other side with the leg of an existing hutch.
Note: the main hutch to which an extension is attached must be ordered with a shared leg (S style) on the connecting side.
All these units are available in 17", 24", 30", 35" widths, and 38" or 44" heights. Limited to 14" depth.

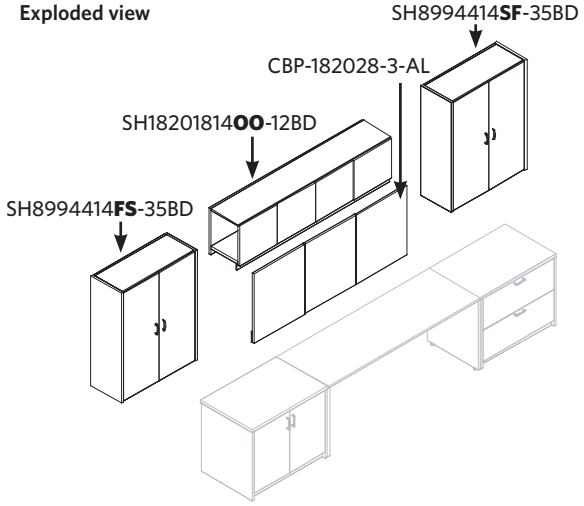


Shown: Full shared upright on the right end of main hutch, with tower extension applied to right side.

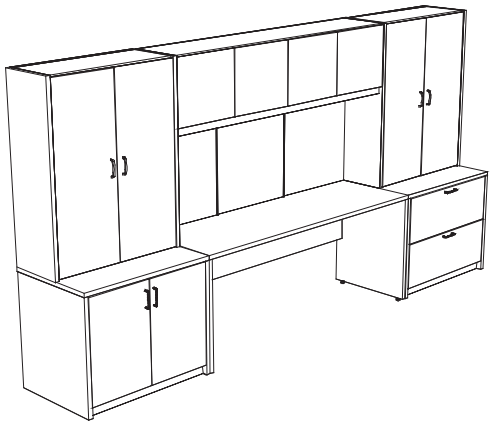
Hutches - Information

Bridge hutches Bridge hutches are suspended between two hutches that have full height shared (S) uprights. They are available in 18" and 27" heights to match the construction style of the 38" and 44" high hutches. The space below a bridge hutch can be left open to create a pass-through area or can be filled with back panels accented with anodized aluminum strips (black or clear).

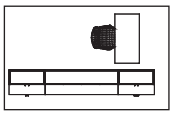
Exploded view

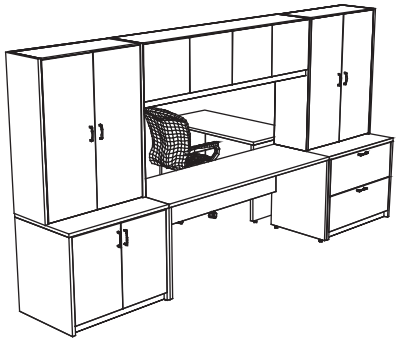


Assembled view



Without Back Panels





Bridge tops Bridge tops are suspended between two hutches that have additional 1" finished tops. They have a front and rear valance and can be left open below or can be used in conjunction with back panels accented with anodized aluminum strips (black or clear).

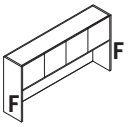
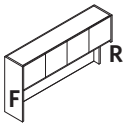
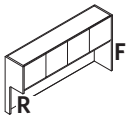
Note 1: Recessed legs available, please change code according to the following sketch:



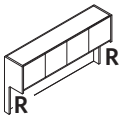
SH723814FF-12BD



SH723814FR-12BD



SH723814RF-12BD



SH723814RR-12BD

Note 2: for shared **full** leg between two hutches, replace F (full) code by S (shared). For **recessed** shared leg between two hutches, replace R (recessed) by C (center or shared).

Note 3: Any regular hutch can be used as an extension: change the FF legs for OF or FO to indicate "no leg" side.

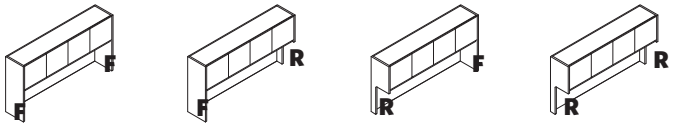
Note 1: Recessed legs available, please change code according to the following sketch:



SH723814FF-12BD SH723814FR-12BD SH723814RF-12BD SH723814RR-12BD

Note 2: for shared **full** leg between two hutches, replace F (full) code by S (shared). For **recessed** shared leg between two hutches, replace R (recessed) by C (center or shared).

Note 3: Any regular hutch can be used as an extension: change the FF legs for OF or FO to indicate "no leg" side.

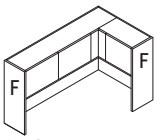
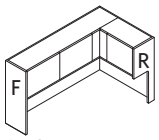
Inside corner radius hutch application: Shown with R (recessed) leg on the left, C (shared recessed) leg on the right. Adjacent hutch has O (no leg) on the left, and F (full) leg on the right.

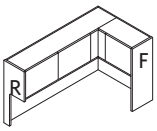
Note 1: Recessed legs available, please change code according to following sketch:



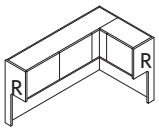
SHCL 6636 3814 FF-12FD



SHCL 6636 3814 FR-12FD



SHCL 6636 3814 RF-12FD



SHCL 6636 3814 RR-12FD

Note 2:
For shared leg between two hutches, replace F (full) code by S (shared).
For recessed shared leg between two hutches, replace R (recessed) code by C (shared).

Note 3:
Any regular hutch can be used as an extension: change the FF legs for OF or FO to indicate the "no leg" side.

See page 183 for hutch accessories.

Hutches - Corner - Open style - 38" high

Right or Left extended storage hutch. Open style, 38" high. Shown with full legs left and right. Legs can be changed to recessed, recessed shared, or shared full at no charge. Sizes available in 1" increments. Use next size up for pricing.

Open corner hutch, 38" high, 19 1/2" clearance

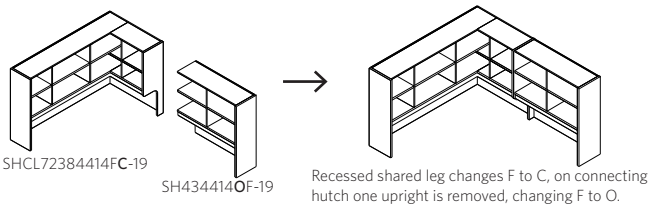
*Pricing tables show side lengths to match our corner desk return lengths. Other side lengths are available in 1" increments up to 48" - request quote for pricing.

Please note:

Hutch legs can be changed to recessed (R), recessed shared (C), or full shared (S). **Corner hutches must have 2 legs.** Connecting hutches can have the upright removed on the connecting side, changing a full upright from F to O .
An example is shown to the right.



SHCL72384414F**C**-19 SH434414**O**F-19

Recessed shared leg changes F to C, on connecting hutch one upright is removed, changing F to O.

Hutches - Corner - Open style - 44" high

Right or Left extended storage hutch. Open style, 44" high. Shown with full legs left and right. Legs can be changed to recessed, recessed shared, or shared full at no charge. Sizes available in 1" increments. Use next size up for pricing.

Open corner hutch, 44" high - 16 3/4" clearance

*Pricing tables show side lengths to match our corner desk return lengths. Other side lengths are available in 1" increments up to 48" - request quote for pricing.

Please note:

Hutch legs can be changed to recessed (R), recessed shared (C), or full shared (S). **Corner hutches must have 2 legs.** Connecting hutches can have the upright removed on the connecting side, changing a full upright from F to O .
An example is shown to the right.

SHCL72384414F**C**-19 SH434414**O**F-19

Recessed shared leg changes F to C, on connecting hutch one upright is removed, changing F to O.

Hutches - Corner - Barn door style - 44" high

Right or Left extended storage hutch. Barn door style, 44" high. Shown with full legs left and right. Legs can be changed to recessed, recessed shared, or shared full at no charge. Sizes available in 1" increments. Use next size up for pricing.

Barn door corner hutch, 44" high - 16 3/4" clearance

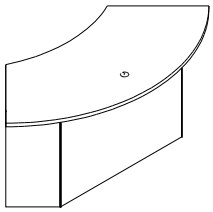
Reception Desks, Counters and Transaction Tops

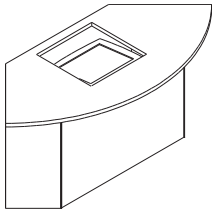
Corner reception desk with extended radius front



This is NOT a freestanding item.

ONE SIZE ONLY. 68" wide and 24" deep, 48" x 48" footprint. Includes 40mm grommets for cable management. Wood bullnose edge on working and visitor sides. This desk must have returns on either side. See pgs 8-10 for returns matching 24" depth or 66-67 for returns waving out to 30" depth.

CDEXR683224RR-RT2 $874

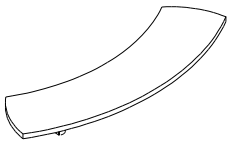


This is NOT a freestanding item.

ONE SIZE ONLY. 68" wide and 24" deep, 48" x 48" footprint. Monitor view option - glass top insert. Includes flat screen monitor arm. Wood bullnose edge on working and visitor sides. This desk must have returns on either side. See pgs 8-10 for returns matching 24" depth.

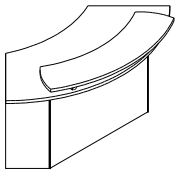
CDEXR683224RR-VUE-RT2 $1578

4" high crescent shaped transaction top



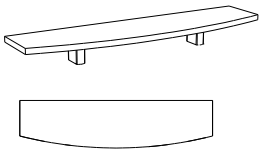
Crescent shaped transaction top, for use with the desks above. Elevated on 4" high aluminum posts, which are available in Black or Clear Anodized finish. Please specify. Comes with wood bullnose edge on all sides.

THEC511204-T4 $475



CDEXR683224RR-T2 shown with THEC511204-t4

4" high bow front transaction top



Plan View

Bow front transaction top, for use on any rectangular desk shell. Available with wood bullnose edge on working and visitor sides. Elevated on 4" high aluminum posts, which are available in Black or Clear Anodized finish. Please specify.

Freestanding Storage - Information

Standard features
- all laminate parts are finished both sides
- 16 mm (5/8") laminate sides, trimmed front, back and top with self edge
- 16 mm (5/8") laminate bottom with 55 mm base plate, inlayed between sides
- standard 16 mm (5/8") top shelf, trimmed along front with self edge, inlayed between sides and predrilled to fasten a separate optional 26 mm (1") finishing top
- 16 mm (5/8") laminate back, finished both sides standard on all units
- all adjustable and fixed shelves are 26 mm (1") (except where indicated)
- laminate doors and drawer fronts
- all units with file drawers include file bars, gang locks and anti-tip mechanism
- all file drawers are 16" deep with room for front to back or side to side filing.
- box drawer depths vary with cabinet depth
- door locks are optional on all units and can be ordered separately:

Lock on single door: D1LOK $56
Lock on double door: D2LOK $81
- Adjustable levelers/glides offer 1" of height adjustment

Finishing tops
All general storage units come with a 16 mm (5/8") standard top, trimmed front and back with self edge and inlayed between the unit sides. Standard tops have predrilled holes for fastening optional finishing top.
Finishing tops must be ordered separately. Specify a separate part number for an individual top to match an individual storage unit or a common top to span multiple units (common tops up to 84" in one piece can span multiple side by side units of the same height).
Finishing tops are 26 mm (1") thick and are available with self edge, 3 mm PVC or wood bullnose trim on any number of top sides, although standard pricing is for front edge only.
Finishing tops overhang unit sides by about 1 mm, mount flush with back edge of the side uprights and overhang the unit front by approximately 3/4".

Grain direction
Standard grain direction on doors is vertical.
Standard grain direction on drawer fronts is horizontal.
An optional upgrade to vertical grain, specified as Grain Matching (-GM) is available, add $11 per door.drawer front.
Units specified with the grain match option will have the vertical grain matching on all adjacent drawers and doors (not including glass doors with wood strips).
Contact Three H Customer Service.

Installation
All storage units offered are intended for use next to a wall or fixed building structure. It is recommended that all storage units be properly secured/fastened to a fixed building structure (ex. wall) to reduce the risk of tipping. **18" deep units with lateral file drawers MUST be secured to a fixed structure or counter weights must be added at an additional cost.** Method and means of fastening is to be determined by qualified installers at the time of installation.

Shipping
All units shipped assembled. There is an additional charge to ship KD.

Dimensions
Due to metric/modular system that we use, **actual unit depth, width and height may vary from nominal values.** Contact customer service if dimensions are critical or see chart below.

Width

nominal	16"	19"	21"	24"	30"	35"
actual width	15.7"	18.75"	20.9"	24.0"	29.9"	34.6"

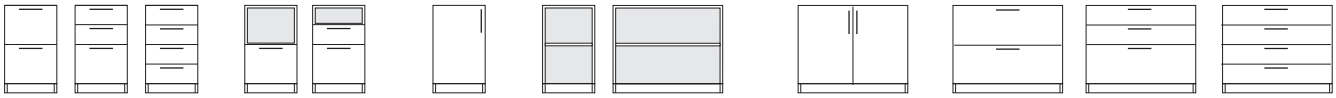
Freestanding Storage - Information

Freestanding storage units of the GSB Series are part of a unique modular concept offering a choice of 5 depths, 6 widths and 7 heights in which doors, drawers, shelves and open spaces can be installed at will.

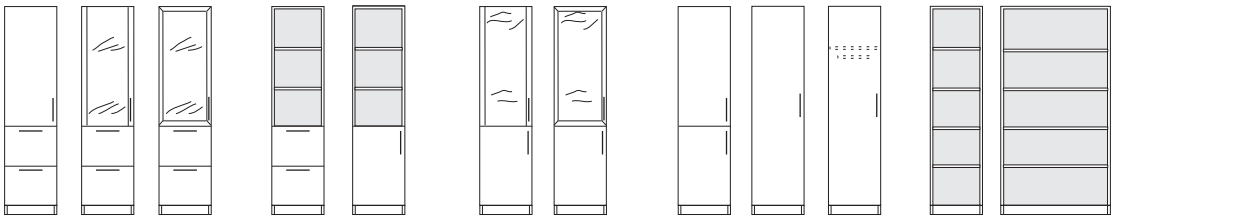
Choose between some 1,250 configurations or... have one designed specially for you!

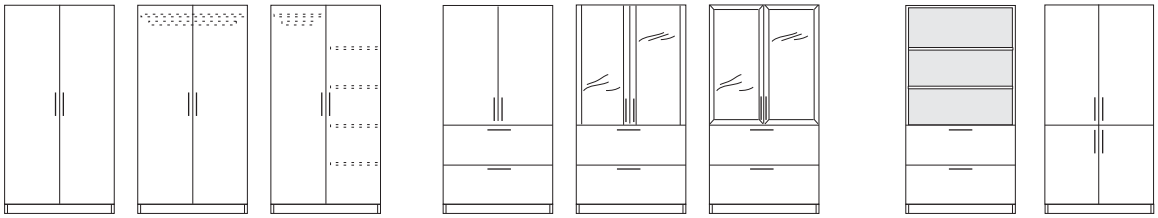
Below are just a few samples of the many choices shown in the following pages.

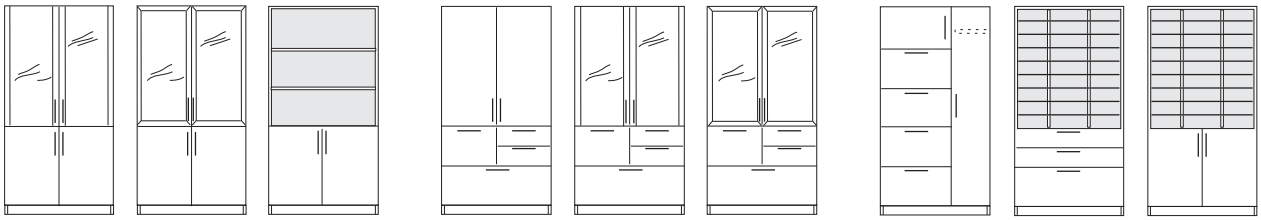
29" high GSB units (fit under a desk or to be used as stand alone)



68" high GSB units (height compatible with 38" H hutches installed on top of credenza)*







*Please note that handle positions may not be exactly as shown.

Freestanding Storage

29″ High

Actual height of these units is 28.1″. They will fit under all work surfaces. An optional 1″ thick finished top is also available for use in stand alone applications. See page 283 for details.

Freestanding Storage

84" High

Actual height of these units is 83.5". An optional 1" thick finished top is also available for use in stand alone applications. See page 283 for details.

Installation: All storage units offered are intended for use next to wall or fixed building structure. It is recommended that all storage units be properly secured/fastened to a fixed building structure (ex. wall) to reduce the risk of tipping. Method and means is to be determined by qualified installers at the time of installation.

Optional lock for a single door: D1LOK - $56			

*Please note that door handle position is not exactly as shown.

Freestanding Storage

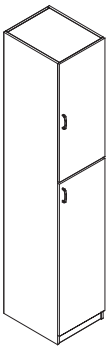
84" High

Actual height of these units is 83.5". An optional 1" thick finished top is also available for use in stand alone applications. See page 283 for details.

Installation: All storage units offered are intended for use next to wall or fixed building structure. It is recommended that all storage units be properly secured/fastened to a fixed building structure (ex. wall) to reduce the risk of tipping. Method and means is to be determined by qualified installers at the time of installation.



J2 STYLE

*Please note that door handle position is not exactly as shown.

Freestanding Storage

84" High

Actual height of these units is 83.5". An optional 1" thick finished top is also available for use in stand alone applications. See page 283 for details.

Installation: All storage units offered are intended for use next to wall or fixed building structure. It is recommended that all storage units be properly secured/fastened to a fixed building structure (ex. wall) to reduce the risk of tipping. Method and means is to be determined by qualified installers at the time of installation.

L8 STYLE

Freestanding storage, Lateral file drawer. File drawer, right. 2 box drawers, left. Open space. 25in. glass doors. 3 adj shelves. File bars. All drawers locking. Finished back.

Optional double door lock: D2LOK - $81

Terms and Conditions/Specifications

Terms
Standard terms are net 30 days to qualified dealers.

Ordering Information
Fax or e-mail orders to:
Tel: 1-800-767-5374 - Fax: 1-888-484-5786
E-mail: orders@three-h.com or contact your Three H representative
For prompt delivery, all orders must include:

- Purchase order number
- Billing address
- Ship-To address and phone number
- Identify product numbers, finishes and hardware
- Refer to quote number where applicable

Selling Information
Three H will only receive orders from authorized Three H dealers or representatives.

Product specifications
Product specifications are subject to change without notice. Three H products are made to SI International System of Units (Metric System). USCS (inch/pound system) measurements are approximate within normal industry tolerances.

Returns
Returns will not be accepted without prior written approval by Three H. Returns must be authorized by Head Office. It is the responsibility of the purchaser to properly protect products for return shipment.

Cancellations and changes
All acknowledged orders are considered as firm and are not subject to change or cancellation without approval by Three H Head Office. Cancellation charges up to 40% of the order value may apply. Three H will not accept changes to specials or custom items once scheduled for production.

Damaged merchandise/Claims
All merchandise is inspected and packed prior to shipment. It is the responsibility fo the dealer to file a claim for any damage or loss in transit directly with Three H. Obvious damage or shortages should be noted on the freight bill and a claim filed immediately with Three H. Concealed damage should be reported to Three H immediately upon discovery. Any claims against Three H for apparent defects, errors or shortages must be made by the purchaser, in writing, within ten (10) working days after delivery. Failure to make a claim within ten (10) days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

Warranty
Three H Furniture Systems provides a **limited lifetime warranty** on all products sold to the original purchaser by a Three H authorized dealer. Three H warrants that its product will remain functional[1] for as long as the original purchaser owns the product. The obligation of Three H under this warranty is to repair or replace with a comparable product or component determined to be defective by Three H at no cost to the original purchaser, FOB purchaser's destination. **Exceptions apply - visit www.three-h.com/warranty2010.html for more information.** This warranty liability is limited to the replacement of product. Three H will not be held liable for any personal or property damage as well as any consequential or incidental damage. This warranty effective May 2010 supercedes all previous warranties offered by Three H Furniture Systems Limited.

[1] Remain Functional refers to the product's ability to fulfill its original purpose or function.

Cleaning
Use mild soap, water, and a soft cloth to clean laminate surface. Do not use abrasives or chemical cleaners.

Technical Specifications

Sheet Material
Thermoset Decorative Panels in 5/8" and 1" thicknesses. The panels consist of a decorative sheet impregnated with resin, thermalfused to the particleboard substrate. Melamine resin - 14 grams per square foot. Available in solid colors, textures and woodgrains.

Connecting Hardware
Metal cam lock with push-in dowels. Fitting connectors with screw-in dowels.

Hinges
All metal, automatic hinge with height, depth and side adjustment. Hinges in most applications have an opening angle of 107°, self closing design.

Flipper door hardware
Standard: All metal, on 16" drawer slide. 20 lb class load rating (BIFMA). Precision steel ball bearings.
Optional soft-close hardware: Adjustable closing speed, collapses smoothly upon release.

Drawer slides on pencil drawers
3/4 extension slides. Locks in pull-out position. Lever disconnect. Load bearing 75 lbs.

Drawer slides on utility drawers and pedestal file drawers
Full extension drawer slides. Steel ball bearing for silent action. Progressive movement for parallel action. Load bearing 100 lbs.

Drawer slides on lateral file drawers
Full extension drawer slides. Steel ball bearing for silent action. Progressive movement for parallel action. Rail mount disconnect. Load bearing 150 lbs.

Keyboard mechanisms
Pullout: Variable height mounting brackets, left or right-handed mouse tray. Exceeds BIFMA standards.
Articulating: 360° swivel, 25° tilt (10° negative adjustment, 15° positive adjustment). 5.9" height adjustment, 12" horizontal extension, meets BIFMA standards.
Cobra: Easy height adjustment (12 1/2" range) and keyboard tilt (25°), move to desired position and release.

Floor glides
Pedestals: Adjustable heavy duty glides with zinc cub and nylon inserts. Adjustable by 3/4". 200 lb capacity per glide.
Desks: adjustable heavy duty glides with 1" black base, 1 1/2" pin length, total height 2 1/8".

Cabinet and pedestal locks
Can be keyed alike or different. With central locking system and anti-tip system for lateral file cabinets. Master key available for all lock cores. Locks meet or exceed ANSI/BIFMA requirements.

Mobile pedestals
2" twin wheel casters. Central locking system and anti-tip system for lateral file cabinets.

Light fixtures
CSA and ASA approved fixtures.

Wood edge: Bullnose trim (-T1) and 3mm Prestige trim (-TP1)
Species used: solid ash, oak, birch, beech.
