Wood Guest Seating

The perfect complement to DeskMakers casegoods

DeskMakers wood guest chairs are custom finished at our factory to match our woodgrain laminate and veneer casegoods. Made of solid beech wood, they can be upholstered in a wide variety of Momentum or C.O.M. fabrics.

All DeskMakers guest chairs are made in the USA and are BIFMA approved.

NOTES ABOUT DESKMAKERS WOOD CHAIRS

Variation of Stain Characteristics: Wood is a natural product with inherent color variations. As such, color and grain characteristics may vary greatly from color samples to actual furniture produced and from chair to chair within a single project. DeskMakers strives to keep the color of its chair finishes as reasonably consistent as possible, and as reasonably close to the finishes of its laminate casegoods as possible. However, please expect some variation.

Disclaimer on Pairing DeskMakers Guest Chairs with Maple Laminate or Maple Wood Veneer: Due to the inherent nature of beech hardwood, DeskMakers does not recommend pairing our guest chairs with hardrock maple laminate or natural maple veneer finishes in casegoods and tables. Call customer service if you have questions about this issue.

Custom Finishes: Custom woodgrain finishes are available for an upcharge of \$350 net per order, and only for a minimum quantity of 20 chairs. Custom finishes require that you send us non-returnable wood finish sample of at least 3" x 3".

Limitations on C.O.M. Fabrics: DESKMAKERS ASSUMES NO RESPONSIBILITY for the durability and upholstering quality of C.O.M. fabrics. C.O.M. fabrics are not covered by DeskMakers warranty. Because of the wide variety of C.O.M. fabrics, DeskMakers may require a 12" x 12" fabric sample to test before approval and acknowledgement of a customer's purchase order.

LIMITED WARRANTY

DeskMakers, Inc. seating shown in this price list is warranted for ten (10) years from date of sale to the original purchaser. During the warranty period(s), DeskMakers, Inc. warrants that each piece of furniture we sell will be free of defects in material and workmanship given normal usage and care. For seating, normal usage is 40 hours per week by individuals of 250 lbs. or less. DeskMakers will repair or replace at its option, and at its own cost, any product that develops a defect during the warranty period. In rare cases, DeskMakers may elect to refund the customer's original purchase price (less reasonable depreciation), in lieu of repair or replacement. Repair, replacement, or refund are the purchaser's sole remedy, the choice of which rests solely with DeskMakers. DeskMakers shall not be liable for any incidental or consequential damages including lost profits and loss of use of product. This warranty will not apply to C.O.M. fabrics and rental furniture, and to the color fastness of any wood or fabric, as such colors can fade or darken with normal use and as a result of exposure to light.
