Grade

Deluxe Cabinets

Our finest cabinet sets the standard with heavy-duty, 16-gauge steel door frame and numerous performance features

1 Heavier Gauge Construction

16-gauge fully welded frame and heavy duty construction provides superior sturdiness and increased strength over our standard cabinets.

2 Reinforced Doors

Doors incorporate an extra wide reinforcement that is welded for added strength and stability.

3 Adjustable Levelers

Two adjustable levelers compensate for uneven floors.

4 Double Handles

Two brushed chrome handles. Right handle uses three-point keyed locking to secure both doors.

5 Knuckle Hinges

Four-knuckle hinges for added durability.

6 Louvered Back Panel

Louvered back panel provides cabinet ventilation.

7 Adjustable Shelves

Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

8 Raised Base

Raised base keeps contents out of harm's way from cleaning liquids.

Wardrobe

Combination

Counter Height

Available sizes:

Width	Depth	Height	Shelf Capacity
36"	18"	42"	150 lbs
36"	24"	42"	200 lbs

36"	18"	72"	150 lbs
36"	24"	72"	200 lbs
36"	18"	78"	150 lbs
36"	24"	78"	200 lbs

Standard Cabinets

Our most economical cabinet, which incorporates some key features of the Deluxe cabinet

1 Quality Construction
Standard cabinets are built with premium quality steel and reinforced doors for long-term performance at an attractive price.

2 Chrome Handle
Polished chrome handle uses three-point keyed locking to lock both doors.

3 Ventilation
Punched lances in back facilitate ventilation.

4 Adjustable Shelves
Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

5 Raised Base
Raised base keeps contents out of harm's way from cleaning liquids.

Storage Cabinets are available in Standard and Premium Colors. See back cover for complete list.

Grade

Jumbo Cabinets

The optimal solution when you need extra capacity to store more stuff and heavy loads

1 Super Heavy-Duty Construction

20-gauge doors and sides, 22-gauge backs along with a 18 gauge sill make these units sturdy enough to handle all your requirements.

2 Increased Storage Capacity

48" width provides 33% more storage

3 Box-Formed Shelves

Our specially engineered shelves are spot welded in corners and along the length of the box form, enabling them to support up to 400 lbs. per shelf.

4 Adjustable Levelers

Two adjustable levelers on front corners compensate for uneven floors.

5 Double Handles

Two brushed chrome handles. Right handle uses three-point keyed locking to secure both doors.

6 Leaf Hinges

Cabinets use four leaf hinges on each 78" high cabinet door and two on each 42" and 30" high door.

7 Adjustable Shelves

Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

8 Raised Base

Raised base keeps contents out of harm's way from cleaning liquids.

Door Styles

C-THRU DOORS

Provides the perfect solution for viewing contents of cabinets while restricting access. Great option for schools, industrial applications, airports and prisons.

PERFORATED DOORS

Ensures continuous airflow for maximum ventilation of clothing, shoes, heat from electronics, etc. Available on our 72" high Standard cabinets and our 78" high Jumbo cabinets.

OPEN STYLE

Keeps materials and supplies available for easy access without opening and closing doors. Great for tight spaces.

SLIDING DOOR

Sliding Doors are an ideal solution for narrow spaces. Available in our traditional storage Jumbo Cabinet.

Options

Handle Styles

RECESSED HANDLE

Provides easy access without handles obstructing narrow aisle ways.

KEYPAD HANDLE

Keypad Handles are battery-operated, safe, secure and provide controlled access. The keypad features a failsafe way to access the cabinet in case a code is misplaced or forgotten.

Additional Options

CASTER KIT

Caster kits are available for 18" deep and 24" deep cabinets. (24" deep only for Jumbo). Kit adds 6 3/4" to cabinet height.

Note: Casters are not available on units with pull out drawers.

WOOD LAMINATE TOP

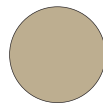

Sable oak high pressure laminate top provides a convenient work surface for desk and counter high cabinets.

36"	18"	78"
36"	24"	78"

Storage Cabinets are available in Standard and Premium Colors. See back cover for complete list.

Specialty Cabinets

MILITARY

Military storage cabinets are designed to store equipment, weapons, and supplies

- Mig-Welded 14-gauge body and reinforced doors with welded corners provide maximum rigidity and strength
- Two brushed chrome handles on cabinet with three-point keyed locking mechanism
- Ventilation holes ensure continuous airflow and visibility of contents

Available sizes:

Width	Depth	Height	Shelf Capacity
42"	24"	78"	200 lbs

JANITORIAL CABINET

Organize your maintenance needs

- Welded construction
- Three half shelves
- Two chrome handles on cabinet with three-point keyed locking mechanism
- Pan-style bottom to retain buckets and other supplies

Available sizes:

Width	Depth	Height	Shelf Capacity
36"	18"	64"	75 lbs

SINGLE DOOR CABINET

Provides convenient storage solution when space is limited

- Welded construction
- Adjustable shelf
- One chrome handle on cabinet with three-point keyed locking mechanism

Available sizes:

Width	Depth	Height	Shelf Capacity
19"	24"	30"	75 lbs

Welded Bookcases

13 1/2" and 18" Deep Welded Bookcases

Classic style, durable bookcases

1 Welded for Durability

Spot welded for maximum strength and rigidity, providing years of heavy use.

2 Maximum Rigidity

Shelves have multiple bends at front for additional strength.

3 Smooth, Clean Lines

Welded construction requires no fasteners, providing a clean professional appearance. Unit tops have no overhang, so side-to-side units will fit flush together.

4 Adjustable Shelves

Shelves adjust vertically without tools in 2 5/8" increments. Spacing ideal to accommodate three ring binders

5 Raised Bottom

13 1/2" deep has a 1 1/2" raised base and 18" deep has a 4 7/8" raised base which keeps materials safe from damaging cleaners.

6 Integrated Shelf Support Tabs

Built-in shelf support tabs mean no clips to lose and documents will not slip through cracks.

7 Shelf Capacity

13 1/2" shelf supports up to 130 lbs. per shelf.
18" shelf supports up to 150 lbs. per shelf.

Additional Features for 18" Deep Welded Bookcases

Deeper Shelf Storage

Offers a deeper cabinet for larger materials such as oversized ledgers and legal documents.

Welded Glass Door Bookcases

Contemporary, rounded top bookcase features lockable glass doors

1 Safeguard Materials

Tempered safety glass doors offer protection from dust and contaminants while a steel keyed lockset secures materials from unauthorized access.

2 Sliding Glass Doors

Glass doors slide smoothly from side-to-side thanks to finger pulls and upper and lower tracks that offer easy opening from either side.

3 Modern Design

Sleek, contemporary rounded top blends with any style of office furniture.

4 Adjustable Shelves

Each shelf adjusts vertically in 2 5/64" spacing, allowing for storage of 12 1/2" binders.

5 Raised Base

Two inch base provides extra protection by keeping materials off the floor.

6 Durable Construction

Case and shelves are constructed of heavy gauge steel that lasts a lifetime.

7 Shelf Capacity

Shelves support up to 150 lbs. per shelf.

Available without glass doors

Combination Bookcases

Combination Bookcase/Storage Cabinet

Store items that can be locked in a cabinet while keeping other materials at your fingertips

1 Integrated Shelf Support Tabs

Built-in shelf support tabs mean no clips to lose and documents will not slip through cracks.

2 Raised Base

Keeps materials safe from mops and damaging cleaners.

3 Reinforced for Durability

Extra strength is added in the welding process, providing years of heavy use.

4 Easy Adjustability

Shelves adjust on 2 5/8" centers, allowing for large items, such as binders, to be easily stored.

5 Chrome Handle

Attractive polished chrome handle.

6 Shelf Capacity

Shelves support up to 150 lbs. per shelf.

Available sizes:

Width	Depth	Height	Shelf Capacity
36"	18"	72"	150 lbs

Unassembled Case Style Bookcases

Our most flexible bookcase offers easy expandability at the best value

1 Ready to Assemble

Easy assembly using only one tool, which is included with each unit.

2 High Shelf Capacity

Reinforced shelf holds up to 200 pounds.

3 Double Wall Construction

Keeps materials from slipping behind the uprights.

4 Easy Adjustability

Shelves adjust on 2" centers, allowing for large items, such as binders, to be easily stored.

5 Slotted for Dividers

Shelves are slotted on 1" centers for placement of dividers.

6 Easily Expanded

Simply remove the end panel and attach units together.

7 Extra Wide Units

34 5/8" inside width provides plenty of filing space.

8 Raised Base

Base keeps books and files off the floor to prevent damage from cleaning solutions and equipment.
