## ARMOR

### H2 - PASGT IIIA Helmet

The H2 PASGT IIIA Standard Cut Helmet is designed according to the US Military requirements, utilizing the most advanced ballistic protection against handgun threats. The shell is composed of multi-layered Kevlar base and Thermo set resin. The harness assembly consists of the Crown Strap Comfort suspension system and a 3 point harness. The PASGT styling has been the cornerstone for combat helmets allowing for better situational awareness and unrestricted movement, and also accommodates protective goggles, night vision (NVG), and a communication system. The helmet can be fitted with ballistic or riot visors. The H2 PASGT IIIA is the ideal helmet for use by ground troops, police forces, first responders, fire personnel and special units working in the modern world.

#### Design:

- Protection Level IIIA Stand Alone
- Multi-hit capability
- Kevlar fibers and Thermo set resin construction
- Threat Protection IIIA: .357 SIG FMJ, 44 MAG SJHP
