C5 – EMERGENCY RESPONSE CARRIER

The C5 E.R.C. is a custom or standard sized vest designed with the First responder Medic/EMS in mind. Built for maximum visibility, durability and comfort. The C5 uses 3M reflective tape front & back with sewn on Star of Life patch on front right chest and ID panel on rear. The upper left chest has built in radio pocket while the lower pockets have zippers to secure needed tools in the heat of the moment. When worn in conjunction with our NIJ certified Level II or IIIA soft armor panels inserted making this the perfect vest for dangerous domestic calls and by adding 10"x12" hard armor you have the perfect Active Shooter Kit for any situation. The F1 colors and features were based on EMS/Medical personnel needs and not LE so there is no confusion in the field.

Features:

- *3M reflective tape for high visibility*
- *Medical personnel identifiers front and rear*
- *Front & rear pocket accommodates both full size and shooters cut Level III or IV hard armor plates (8"x10" or 10"x12")available*
