### **C4 UNIFORM SHIRT CARRIER**

The Uniform Shirt Carrier is our lightweight concealable body armor carrier that doubles as a uniform shirt. The C4 is manufactured in the USA, uses top of the line materials and is adjustable to ensure long lasting comfort. The C4 is made with a moisture-wicking lining that assists in keeping your ballistic panels free from moisture. Complete with a built-in 5"x8" or 7"x9" trauma plate pocket to allow for a hard or soft trauma plate the C4 carrier system is an optional uniform shirt choice for your concealable body armor system.

#### **Features:**

- *High performance moisture-wicking body side material.*
- *Fully adjustable for added comfort*
- *Built in trauma plate pocket*
- *Available in a male and female design*
- *Can be used with new or existing concealment armor panels*
- *Available colors: Black (BLK), Navy (NV), White (WH) and Tan (TN)*

*Optional Concealable Accessory – Dual certified Special Threat Trauma Plate has been tested to NIJ0101.06 and 0115 for Stab resistance. Available sizes: 5"x8", 7"x9", 8"x10" and 10"x12".*
