Cleaner Degreaser

Application equipment:

SOLUTION¹

TOUGH CLEANER

Ecolution Pro Cleaner Degreaser is formulated without solvents, is non-corrosive, non-flammable and will attack dirt and grease, emulsifying it and converting it to a rinsable consistency. Residues are easily rinsed with water.

HEAVY-DUTY CLEANING

For heavy-duty cleaning, apply 8 ounces (1:16) in one gallon of cold tap water. Allow the emulsification action to work. Rinse off with water. For extra heavy-duty cleaning use up to 16 ounces (1:8) in one gallon of cold tap water.

WHERE TO USE

Use Ecolution Pro Cleaner Degreaser to degrease floors, machines, tools and equipment. It can be used in hot dip tanks or sprayed on soiled surfaces. Ecolution Pro Cleaner Degreaser is safe on most surfaces including glass, plastic, vinyl and plexiglas.

DILUTES FOR ECONOMICAL AND SAFE CLEANING

State's concentrated Ecolution Pro Cleaner Degreaser can be diluted to meet your specific needs. It can be used with the One Solution[™] Smart Foamer, with cold water in a high pressure unit.

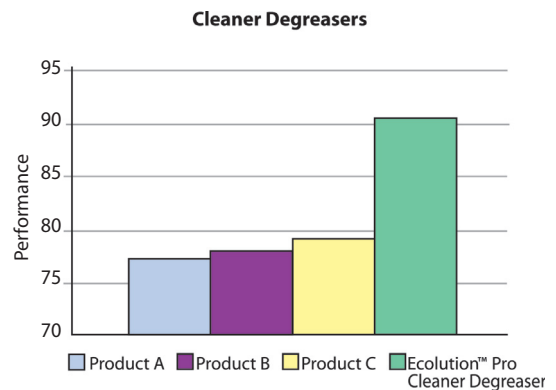

CERTIFICATION

This product meets the Green Seal[™] standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content. Meets the stringent GS-37 requirements needed for Green Seal certification.

PERFORMANCE

Ecolution Pro Cleaner Degreaser was compared to other popular cleaner degreaser products. Testing was conducted using ASTM D 4488, Gardner Scrub Test. Ecolution Pro Cleaner Degreaser performed significantly better than its non-green counterparts.

Cleaner Degreaser

DIRECTIONS FOR USE

Dilutes for economical and safe cleaning. State's concentrated Ecolution Pro Cleaner Degreaser can be diluted to meet your specific needs. Several dilution ratios are available. The One Solution™ dispensers assure accurate dispensing for optimum cost control, product performance, and worker safety.

Dilute with cold water.

For light duty cleaning: Dilute 2 ounces (1:64) Ecolution Pro Cleaner Degreaser to one gallon of cold tap water. Apply to surface, then wipe and rinse surface clean.

For medium duty cleaning: Dilute 4 ounces (1:32) Ecolution Pro Cleaner Degreaser to one gallon of cold tap water. Apply to surface, then agitate with cloth or brush if necessary, and wipe or rinse clean.

For heavy cleaning: Dilute 8 ounces (1:16), or for **extra heavy cleaning** dilute 16 ounces (1:8) Ecolution Pro Cleaner Degreaser to one gallon of cold tap water. Apply to surface, agitate with brush if necessary, and rinse clean.

Pressure sprayer: Dilute 16 ounces (1:8), of Ecolution Pro Cleaner Degreaser to one gallon cold tap water. Spray on soiled area and let the solution penetrate for several minutes on heavily soiled areas. Rinse or wipe clean as needed.

Improper use or dilution may result in increased residue and/or dull the surface, and may increase the risk of health effects. Use product in accordance with prescribed use dilutions. Dispose of unused product in accordance with Federal, State and Local regulations. Empty containers can be recycled.

NOTE: Will not harm metal surfaces. Because this is a heavy duty degreasant, care should be utilized on painted surfaces.

NOTE: For food plant use surfaces must be thoroughly rinsed with potable water before re-use.

Please review label and MSDS for all product directions, precautions and first aid information.

TECHNICAL DATA

APPEARANCE: Clear blue-green liquid

ODOR: Mild, no fragrance added

WEIGHT PER GALLON: 8.6 lbs/gal

SEQUESTERING AGENT: Present

FLASH POINT: > 200°F

BIODEGRADABLE SURFACTANTS: Yes

pH: 7.0 - 8.0 (diluted)

PHOSPHATE CONTENT: None

SHELF LIFE: Minimum one year

VOC CONTENT: < 1%

DELETERIOUS EFFECT AT USE DILUTION:

Asphalt: None

Vinyl Asbestos: None

Vinyl Tile: None

Nonfood Compounds
Program Listed (A1)
