## Multi-Surface Furniture Polish

### 3-IN-1

Eliminate cost, clutter and multiple steps with Lemon Sense. Lemon Sense is a powerful three-in-one product that cleans, polishes and waxes a multitude of surfaces.

### SAVE \$

Apply Lemon Sense to wood, plastic, Formica, ceramic tile, as well as a variety of other surfaces to create a clean, lasting shine. Because Lemon Sense is so versatile, purchasing many other cleaning products is now unnecessary. Lemon Sense's large 18-ounce can also provides more of an economic value.

### SPECIAL CAP

To add even more convenience to high-quality Lemon Sense, it also has an easy-to-use spraythrough cap. This special cap shortens the reach necessary to apply Lemon Sense, providing a better grasp on the can for a more balanced application. No chance of lost caps or accidental sprays, either.

### FRESH SCENT

In addition to its beautiful shine, Lemon Sense also has a pleasant lemon fragrance that freshens its surroundings. Long after an area has been cleaned and polished with Lemon Sense, people will still be able to detect the lasting lemon scent.

### DIRECTIONS FOR USE

Shake can well. Test Lemon Sense in a hidden area to check results. Spray lightly on surface. IMMEDIATELY wipe with clean, dry cloth. To remove stains, smudges and fingerprints, spray directly onto cloth and wipe surface. DO NOT spray on any floors.

Please review label and MSDS for all product directions, precautions and first aid information.
