

# Line Bac'R™

...Tackles your worst grease trap problems!

- Terrible Odors •
- Back-Ups at Inopportune Times •
- High Cost Pump-Outs •

If you are currently having any of these problems, then State Line Bac'R is for you. Especially designed to work in grease traps and grease interceptors, Line Bac'R will help with the problems you see or smell everyday. State Line Bac'R contains active bacteria that are designed to digest the fats, oils and greases commonly found in grease traps.

Line Bac'R contains seven strains of Bacillus organisms that accelerate the breakdown of organic compounds. Line Bac'R also contains our unique SE-500™ odor neutralizer. So while the bacteria slowly digests the odor-causing organic compounds, SE-500 provides instant odor control. On top of that, it also features State's most popular fragrance, Morning Fresh™. Dispensed automatically in the 24/7™ program, Line Bac'R will keep your grease trap clean and help to eliminate back-ups and odors.

**GET  
STARTED  
NOW!**

State makes getting started with 24/7™ Automated Drain Care easy. That's why we are offering an introductory kit featuring Line Bac'R and a DR-2000™ pump. Properly treated grease traps eliminate problems!

# Line Bac'R™

Recommended application rates for best results:

CAPACITY Gal.	DIMENSIONS			DOSAGE RATES/DAY (in ounces)	MINUTES/DAY	REFILL RATE (in days)
	Height	Length	Width			
10	12"	19"	14"	5	1	128
20	15"	24"	17"	10	2	64
30	19"	28"	22.5"	10	2	64
50	21.5"	30"	24.5"	15	3	42
100 (1 cover)	27"	43"	33.5"	20	4	32
200 (2 covers)	31"	56"	41.5"	25	5	27
500 (2 covers)	41"	71"	52"	30	6	22
1000 (3 covers)	54"	94"	67"	30	6	22

Green = Inside Traps

Orange = Outside Interceptors

## Technical Information:

**Appearance:** Milky liquid

**Odor:** Morning Fresh™

**Specific Gravity:** 1.006 +/- 0.005

**Weight per Gallon:** 8.39 +/- 0.02 pounds

**pH Range:** 6.5 - 8.0

**Temperature Stability Range:** 55°F - 113°F  
(13°C - 45°C)

**Water Soluble:** Yes

**Bacterial Count:** Over 190 billion per quart

**Deodorizing Function:** Two-way; Removes the organic source of odors and deodorizes

**Fat Digesting Ability:** Excellent

**Digests:** Proteins, carbohydrates, cellulose, fats, oils and greases

**DOT Hazard Information:** Nonhazardous

**Storage Condition:** Store in a cool place. Keep container closed when not in use. Do not freeze.

**Stability:** Minimum one year
